

Division 3, P. W. C.

First row, sitting, left to right: Roma Bourke, Vergene Crozier, Ellen Buchanan, Verna Dolron, Mary Doyle, Lorraine Coffin, Eliza Campbell, Charlotte Fitzpatrick, Charlotte Cairns, Alice Campbell, Helen Cameron, Jean Carr, Adele Clark. Centre row, left to right: Audrey Coles, Gaayne Craig, Ella Brookings, Josephine Fitzpatrick, Freda Campbell, Grace Campbell, Noreen Kelly, Dorothy Dewar, Margaret Coles, Katherine Bell, Lillian Thompson, Shirley Campbell. Back row, left to right: Donald Carmody, Wilber Cameron, Donald Clark, Alan Boswell, Clive Cudmore, Lloyd Cudcliffe, Dunstan Drew, Shelton Adams, Donald Burgess, Alan Champion, Ralph Champion, Norman Bruce, Robert Bryanton, Roger Clark.

Campaign Head

REV. DR. ELIAS ANDREWS of Halifax, who reports that one charge, Red Bank of the Miramichi Presbytery, has doubled its objective in the United Church Mount Allison Campaign for \$400,000 now proceeding in the Maritimes, Newfoundland and Bermuda. Dr. Andrews is Chairman of the Campaign Committee. A Newfoundland by birth, he is a graduate of Dalhousie University, Pine Hill Divinity Hall and Drew Theological Seminary, Madison, New Jersey.

SPRINGTOWN W. I.

The regular monthly meeting of Springtown Women's Institute was held at the home of Mrs. James Nicholson on March 5th. In the absence of the president and vice-president, the past president, Mrs. Duncan McIntosh presided. Meeting opened by singing "O Canada", followed by Collect for Club Women in unison. Roll call was answered with "How to make the district convention more beneficial", and some interesting suggestions were given. Collection amounted to 30 cents, and \$1.20 was paid on cards. A bill of \$3.00 was ordered paid. Institute News was distributed. Three pairs pyjamas and one toque was passed in, and more knitting and sewing for Red Cross given out.

Program consisted of music by Mrs. Wm. A. Halliwell and reading Institute News. Mrs. Ewen Lamont invited members for April meeting; roll call to be answered with objectives for our Institute for the coming year. Meeting closed with the Lord's Prayer. Lunch was served by hostess, and a social hour enjoyed by all.

Campaign in this Province.

Our one social event of the year was a Buffet Supper, held in the Legion's "Clover Club." At this supper over a hundred Corps members were present with their War Service Pins by Lieutenant Governor J. A. Bernard. It was most gratifying to find that a number of inactive Corps members had signified their intention to take part in future Corps activities and we were delighted to have about half a dozen of the former Summerside Detachment members attend this supper and receive their Service Pins. Interesting talks were made by several speakers and two instructive movies were shown at the meeting. In the first half of 1948, members of the Corps distributed candy and books to children in the polio clinic at the Provincial Sanatorium, later on other arrangements were made through the Red Cross, but during our term of service we distributed some 369 chocolate bars.

As the majority of our active members are business girls most of our service as Corps members is rendered during the evening

REPORT OF CAMPAIGN COMMITTEE

Mr. Edwin C. Johnstone, Provincial Campaign Chairman, reported on the 1948 campaign as follows: Due to the usual outstanding co-operation of the generous and public-spirited citizens of our province the Canadian Red Cross campaign in Prince Edward Island was again an unqualified success in 1948 when over \$30,000.00 was collected on an objective of \$20,000.00. However, when we look at the annual financial statement for 1948 which shows that the division spent almost \$50,000.00 to carry on the activities for the year we realize that more money is needed than we collect in the Province. We were fortunate in having with us again as Chairman for Prince County, Judge Lloyd G. Lewis; for Queen's County—Mr. H. F. MacPhee, for Southern King's County—Judge St. C. Trainor each of whom successfully organized his area. A new man in the field, Mr. Melvin J. McQuaid of Souris, capably acted as Chairman of Eastern King's County. The County returns were as follows:

Prince County \$7,151.30
Queen's County 5,821.51
King's County 3,732.87
The campaign in Charlottetown which brought in \$13,395.30 was admirably headed by Major George W. Craig among whose divisions and teams there was keen competition which was evidenced at the supporters which were ably put on in Zion Church by the Zion Women's Auxiliary.

In Summerside, the campaign chairman was Mr. A. S. Hopkins, whose teams were successful in bringing in \$3,063.13 which was reported at two enthusiastic support meetings held in St. Mary's Hall and catered for by the ladies of the Summerside Red Cross Branch. On behalf of my Committee, and the Prince Edward Island Division of the Canadian Red Cross Society as a whole, I would like to extend sincere thanks to all who actively supported the 1948 campaign—contributors, organizers, canvassers, the press and radio, and all who have made it possible to further extend the services rendered by this division.

THE EASTERN GUARDIAN

AGENTS: MONTAGUE: Harold F. Landry, Albert Aitken, Mrs. Byron Stewart, Marjorie Clair. AGENT GEORGETOWN: Waldon Lavers.

The Guardian may be bought at any of the following places in Montague: Miss S. A. Llewellyn; Mrs. C. J. in Georgetown: The Post Office; in Souris: Condon's and Florence Roper; in St. Peter's: The Post Office.

Georgetown and Vicinity

Mr. Samuel Machin, Field Investigator for the Department of Veterans Affairs, Charlottetown, was in Georgetown on Friday on business concerning his Department.

On Friday evening the Government snow plough broke through the high drifts which blocked the highway and arrived here about 7:00 p.m., once again linking us up with the rest of the Province by road.

The many friends of Mrs. Herman Lavandier were shocked to hear of the severe and painful injuries she received on Friday. At the time Mrs. Lavandier was engaged in hanging out clothes at the home of her son, Mr. Frank Lavandier. The pulley-line suddenly breaking and throwing Mrs. Lavandier to the ground, a considerable drop from the high steps, upon which she was standing. She suffered a broken left wrist, broken bones in the right hand and severe lacerations about the face. Her many friends hope expert medical aid will relieve the pain of her injuries and that her recovery will be rapid and completely satisfactory.

On Thursday the anniversary of St. Patrick's, the Georgetown Community Welfare League presented a Variety Concert in the Town Hall to a capacity audience, whose appreciation of the evening's numbers was reflected in their thunderous applause of all the local artists participating. The first Variety Concert presented to a local audience in some considerable time, it consisted of vocal and instrumental selections, readings and dancing. The sublime and ridiculous were portrayed in the variety of numbers offered. Outstanding was the performance of youthful George MacDonald in his piano selections and on special request, his talented young man, appeared for a second appearance and encore. Fulfilling the dual role of chairman and master of ceremonies, Mr.

Annual Reports

(Continued from Page 7)

Fund, the Summerside Rotary \$1600.00 and the Juniors \$2,432.62.

Service Fund

This year \$721.74, raised by our Juniors for the Service Fund, was forwarded to National Office to be used for overseas work. The following list shows the expenditure for this fund for 1947-48:

Table with 2 columns: Item, Amount. Includes Food & clothing for the United Kingdom (\$100,000.00), Food for Czechoslovakia (\$5,000.00), Food for Windsor, Eng. (from Windsor, Ont.) (\$1,446.45), Posters to Belgian Junior Red Cross (\$113.00), Kilim for Czechoslovakia (from Masaryk Hall, Toronto) (\$91.00), Also \$16,481.16 for 3,873 pairs of shoes and 7,416 pairs of stockings or boys and girls 6-14 years of age in Austria. Total: \$181,880.45

Service Work

Early in October a Christmas consisting of toys and clothing was sent to a School for the Blind England. Our Juniors forwarded games, puzzles, stuffed and wooden toys and other gifts to our provincial office for distribution to be crippled and handicapped children at Christmas.

Portfolios

Prince Edward Island Juniors have made 26 portfolios during the year and have received replies from countries such as Australia, Denmark, Hungary, Czechoslovakia, Greece, France, Belgium, New Zealand, Scotland, Ireland, England, Holland and Trinidad.

New Ventures

International Correspondence has taken on a broader view this year since the exchange of Art between different countries has been encouraged. Dolls from different countries are also being exchanged. The costumes make them seem like real live people.

Crippled and Handicapped Children's Work

Two hundred and ninety children received treatment through the Junior Red Cross and Crippled Children's Fund and are classified as follows: 125 provided with glasses, 28 tonsil and adenoid operations, 137 orthopaedic and other cases. A breakdown of the other cases shows the following:—A 7-year-old boy suffering from a brain tumor and a baby born with a spine bifida were sent to the Neurological Institute in Montreal for operation. A young boy who lost his leg as the result of an accident was provided with an artificial limb. Five children born with hare lip

Each week, except for the summer months, members of our Library Committee have distributed books to the Veterans Wing of the Prince Edward Island Hospital. Weekly classes in handicraft work were carried on in the Arts and Crafts Room of the P. E. I. Hospital, where members of the Corps worked with the Regional Handicraft Officer. During the time the Blood Donors Clinic operated in Charlottetown, early in December, the Corps members gave approximately 60 hours of service at the various clinics. Corps members also assisted with clerical work during the Red Cross

British Papers Skeptical Of Dollar Markets

LONDON, March 13 (CP)—The Government's great expectations for the North American market drew skepticism from newspapers today. In this year's economic survey, the Treasury said yesterday Britain still needs dollars and thus must sell more goods in Canada and the United States.

The Conservative Daily Graphic said: "It seems that the Government is reckoning too confidently that there will be no unfavorable change in world markets."

Lord Beaverbrook's Daily Express declared: "The 'Institute market is now ending.' The Liberal News Chronicle, while generally favorable to the Government's plans, said "goods are becoming more difficult to sell abroad—all the more so because our costs and therefore our prices are still rising."

The Independent Financial Times, often leery of the actions of the Labor Government, said if British exports to the dollar area are to be expanded, prices must come down.

Will Consider CBC School Broadcasts

(By The Canadian Press) TORONTO, Mar. 9—Birds and animals, Indians, Shakespeare and current events are just a few of the 51 suggestions for coast-to-coast school broadcasts to be discussed at the annual three-day meeting of Canada's National Advisory Council on School Broadcasting.

The meeting, which starts tomorrow, will plan school programs for 1949-50 over the CBC's national network. Most of the provinces agree on the need for continuing a literary series. British Columbia and Alberta suggest a series of Canadian stories, while Ontario recommends dramatization of the lives and works of Canadian poets. Short readings from Canadian books are requested by Saskatchewan, and Nova Scotia wants dramatized biographies of Canadian authors.

"Simple and lyrical" accounts of western Indians and pioneer residents are urged by Saskatchewan and B. C. but the CBC school broadcasts department suggested in a pre-conference report that it would be difficult to treat such a subject credibly and lyrically at

the same time.

Manitoba's suggestion for symphony concerts did not make a favorable impression with the CBC broadcasts department. The department said larger symphony orchestras are "too commercially organized to adapt themselves to school wishes."

Shakespeare's plays will probably retain their place on the CBC network, as requested by Quebec, Nova Scotia, Alberta and B. C. The only school broadcast suggestion from the Maritimes is for a series of deep-sea fishing, but the CBC said it "hardly lends itself" to satisfactory radio dramatic treatment.

A CBC study of reports from schools in each Province indicated that Canadian Stories and Children of the Commonwealth were the most popular programs last year.

A CBC study of reports from schools in each Province indicated that Canadian Stories and Children of the Commonwealth were the most popular programs last year.

FRUIT-SORTING MACHINE

A fruit grower in the orchard region of the Betuwe, in the Netherlands has constructed a new fruit-sorting machine which is

the small morning dose is best. WORKS FAST—Usually within the hour. Does not spoil your day. GENTLE ACTION—Its formula is balanced to act gently, without discomfort. TIME-TESTED—Over 300,000,000 packages sold throughout the world. Let Kruschen help you as it has so many others. Try a regular morning dose of this great aperient and know what it is to have "that Kruschen Feeling". 25c and 75c at all drug stores.

Trust a nurse to know what's good for you! Whenever you feel dull, dragged down and dopey because of common constipation, it pays to know about the great aperient—GENTLY LAXATIVE KRUSCHEN.

The natural aperient action of Kruschen is due to its unique blend of saline minerals, the same as are found in the natural waters of famous medicinal springs. Kruschen offers you these four advantages: EASY TO TAKE—Dissolves quickly in water, or your morning coffee, tea or fruit juice. Most folks find

the Norboro play which was held in the hall, and reported all bills paid and \$47.52 on hand. Correspondence was read. A receipt for \$32 was received from U.E.F.B. headquarters. A letter was read re postal regulations for overseas parcels. A discussion took place on sending a box to England and it was decided to leave it over till later, when the cars would be running.

Mrs. Willard Riley read an interesting letter from a member of our adopted Institute in England. Some publications from the Department of Health and Welfare were received and given to the members for reading. The book on "Farm Houses" was studied some but no decisions made. Collection was taken and committees appointed as follows: Lunch—Mrs. Wilfred Pickering, Mrs. Leslie Paynter and Mrs. Mary Warren; Program—Mrs. James Smith and Mrs. George McKay.

The next meeting is to be held at the home of Miss Vivian Woodside, when the roll call will be answered with a house-cleaning hint. Mrs. Leslie Paynter and Mrs. Wilfred Pickering entertained the members with two interesting contests and the meeting closed with "The King." A dainty lunch was served by the hostess and committee in charge.
