Directoire Corsets of dollar value a very special chance 79c

These corsets are of good white coutil, made with low bust and cut very deep over the hips. The front measurement is 14 inches and at the back this corset is 16 inches deep. The garment is very carefully boned, there are two hose supporters attached, in fact, in every regard it is a dollar corset—the only better line we have ever seen at one dollar is the well known MOORMAC DOLLAR Corset. We have contracted for a large quantity of this line—hence the very low price of only 79c

Table of wash goods worth to 35c---for---10c

Down at the rear of the store on the first floor we will show a splendid clearing out range of ginghams, muslins, etc, that we have cancelled from our regular stock.

The patterns are good, and we think that the colorings are all right too—some of them of course better than others—but all of them extremely good value at the price.

They run from 18c to 35c in the regular way—but the end of the season is approaching and every yard must be gone by that time, so for this lot to-day we ask only 10c

Standard Patterns, the best seam allowance pattern on earth, 10c and 15c.

Last of the Colored Spring Coats go at \$5.

We have just sixteen spring coats left after the biggest season's business in our experience. They occupy room on our fixtures that we simply must have for something else. The coats are worth all the way to 10.75—they mostly come in light fawn covert, self stripe effects. They are tailored by such excellent workshops as Northway—Rogers—and one or two other well known makers. They are right in style—they are good fitters and if you hurry you have a chance to secure one for a FIVE DOLLAR BILL.

Untrimmed hats for 50c Handsome flowers---half price

This double bargain is naturally making things busy in the millinery department these days—not only the hat to trim—but the flowers to trim with, offered you at a price that is almost ridiculous. All the flowers and all the hats offered are of this season's purchase—no old timers in the lot. But you will need to hurry—if you want the best of the line.

Mattress Making

I have the only power machine in the Province for picking and dusting old hair, wool, flock and other mattresses. Any kind made over equal to new at moderate cost.

Be & Weeks for furniture, table linens, sheeting, etc. 4-23dft

Everybody will be sure to get the very best to be had in the line of drinks at the Marshfield festival this evening, as the committee in charge have bought a full supply of the famous Sussex Mineral drinks from F. J. Holman & Co. 7-15drtf.
