

Girl Guide News Life Insurance Underwriters Hold Session

1st 2nd, and 3rd COMPANIES

These Companies held their last regular meeting of the season on Friday, June 12th. Mrs. Reay, Provincial Commissioner, was present at this meeting, and presented badges and service stars to the Guides. Amongst these was a First Class Badge won by Joan Williams. Joan was also invested as Company Leader, and is to be congratulated for her fine work during the past year. Two other Guides, Ann Duffy and Florine Evans, have also done excellent work and expect to complete their tests for the First Class Badge before the end of this month.

AIRCRAFT BADGE

Through the kindness of Flying Officer Arles, the eight Guides who are to be tested for this badge paid a most exciting and instructive visit to the Airport on Monday. The Guides thoroughly examined different types of craft, both inside and out, and spent quite a time on the Watch Tower, from which planes could be seen landing and taking off. After being served a very substantial tea, the Guides were thrilled by a novel trip—being taxied round the runways in an Anson. Miss Phyllis Reay, Captain of the 1st, 2nd, and 3rd Companies was present with the Guides and wishes to thank Flying Officer Arles for his kindness, and his interest shown in instructing the Guides for this badge. The final lecture is to be held in St. Peter's Hall tonight.

SUMMERSIDE ROLL

The Summerside Guides gathered in St. Mary's Hall last Friday for their final rally before the holidays. Mrs. Reay, the Provincial Commissioner, was present and took the inspection. Some recruits were enrolled by Miss Holman—Donna Shaw, Betty Lou McKay, Florence Clow, Velma Arsenault and Barbara Delaney. Seven badges were presented: Shirley Dodds, First Class; this is the first award of this badge in Prince County. BRITISH PUBLIC RELATIONS LONDON—(CP)—Total number of persons in Government departments engaged on public relations and press work is 1,086. Finance Secretary Harry Crookshank told the Commons. The approximate annual cost is about \$1,957,449.

Mr. Frank Robinson, President of the Life Underwriters Association of Canada, Montreal, and Mr. Gordon Nairn, Secretary, Toronto, addressed an enthusiastic dinner meeting of local insurance men in the Hotel Charlottetown yesterday. They were here in connection with the first sales congress of the Dominion Life Underwriters held here in 20 years.

A morning session, during which many important aspects of the insurance business were discussed, preceded the dinner meeting. Underwriters from all parts of the province gathered for the occasion. Mr. C. H. Black presided at the noon session and introduced Mr. Nairn, the first speaker. His address was replete with humor and stories which are looked forward to by insurance men here. He also gave an outline of the many problems which have faced insurance men since the outbreak of war and these, other matters of interest to the fieldmen were discussed by Mr. Nairn.

Mr. Robinson, in an interesting and forceful address, emphasized the important part which insurance is playing in the war effort. He stated that insurance salesmen were inducing men to save money and when it is invested they are making it available to the Government.

Cardinals Open Eastern Invasion By Beating Giants 4-3 In 10-inning Game

NEW YORK, June 16—(AP)—St. Louis Cardinals sliced a half-game off Brooklyn Dodgers' National League lead today as they opened their eastern invasion with a 4-3 10-inning victory over Giants at New York.

Enos Slaughter's fifth homer of the year, off Carl Hubbell in the extra frame, gave the Cards their margin of victory and boosted them within 4 1/2 games of the idle Dodgers.

Low scores Expected in Golf tourney

CHICAGO, June 16—(AP)—Scoring promises to run extremely low in the Hale America National Open Golf Tournament starting a four-day run at the Rdgemore Country Club Thurs. The 107 stars gathered for a shot at the \$1,000 first prize figure to whisk around the compact course with a minimum of exercise.

Par for the course is 71, but that is for club members. Actually, the championship layout measures only 6,519 yards and that means it is about par 68 for the top ranking players. Eighteen hole rounds will be played each day, winding up Sunday.

Montreal and Syracuse split Doubleheader

MONTREAL, June 16—(CP)—Syracuse and Montreal divided a second straight doubleheader here tonight. Royals won the first game 3-0, behind Bob Chapman's three-hit hurling, but the Chiefs crashed through with a six-run rally in the 10th inning to take the nightcap 7-4.

Dissatisfied Horsemen End strike

BOSTON, June 16—(AP)—Dissatisfied horsemen at Suffolk Downs ended their one-day strike today by submitting their demands for a 20-per-cent increase in minimum purses to the three-man Massachusetts Racing Commission for arbitration.

Then they stormed the office of the track's racing secretary and entered a total of 81 thoroughbreds for resumption of racing tomorrow.

Before the stale racing board, headed by Charles Connors, took over settlement of the dispute, two members representing the horsemen conferred with Charles P. Adams, President of the Eastern Racing Association, in a fruitless effort to break the deadlock.

Final settlement was expected Thursday night. The commissioners will confer with Adams and V. C. Bruce Wetmore, the Suffolk Downs treasurer, tomorrow and then meet with a horsemen's committee.

DETROIT, June 16—(AP)—With Charley Keller contributing his seventh homer of the year and Joe D'Maggio knocking in two runs with a single, New York Yankees came back to win the nightcap of a doubleheader from Detroit Tigers 5-3 today after the Tigers took the opener 7-6.

Fireman Johnny Murphy saved the nightcap for the Yankees. D'Maggio's two-run single in the fifth and Keller's homer in the seventh, after a couple of earlier runs, put the Yanks and hurler Hank Borowy well in front. But the Tigers landed on Hank in the ninth and Murphy was rushed to the rescue. After the Tigers had the bases loaded Jimmy got Johnny Bloodworth to hit into a double play to put out the fire.

The Tigers took the opener on Bloodworth's eight homer of the year, with a mate aboard in the sixth inning, as old lefty Roy Henshaw turned in a neat three-hit, four-inning relief trick to hold the Bombers in check.

Foxx figures To be in race Before end

NEW YORK, June 16—(AP)—Speaking from the detached viewpoint of a player who has been cast out of the league where he spent the best years of his baseball life and who hasn't yet become acquainted with his new circuit, Jimmy Foxx figures that he may get into a pennant race before the season ends.

Jimmy points out cautiously that he has only seen three rival National League clubs since he became a member of Chicago Cubs, but he doesn't believe Brooklyn Dodgers are as outstanding a team as the Yankees in the American League. The way he looks at it, the Dodgers are best, but both Cincinnati and St. Louis are capable of giving them a tussle and the Cubs, Giants and Pirates all have the stuff to make trouble.

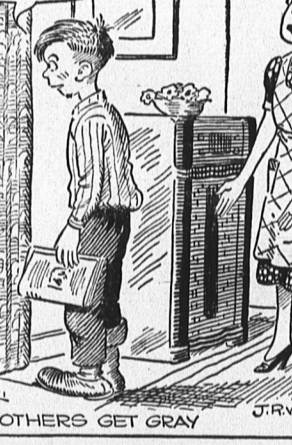

"Brooklyn got off to a good start," he says, "but they can come back fast. There ought to be a great scramble for places."

Just what part he may play in the scramble, Jimmy declines to say. He was limping around today with a painful charley horse—the first of his career. The cracked ribs that contributed to his decline as a Boston Red Soxer still give him occasional twinges and he pointed out that he started the season with a broken toe.

All-star game Shifted to Twilight affair

NEW YORK, June 16—(AP)—Ford Frick, President of the National League, today announced the all-star game between the National and American Leagues at the Polo Grounds, July 6, will start at 6:30 p.m., E.D.T., and finish under the lights if necessary.

The game originally was scheduled to be played at night and then shifted to a 6 p.m. starting time when the army ordered the backing out of all ball parks. The later start was made possible by the ruling of army officials, which permit the lights to be turned on until one hour after sunset.
