

THE CENTRAL GUARDIAN

SHEIK WINS SATURDAY'S RACE AND ANNEXES CUP

With a Total of 51 Points; Buddie Second, 48; Pollywog and Emerald J. Third with 47 Each. Charlottetown Yacht Club Appreciates Co-operation of Citizens During the Series.

The final yacht race of a series been won and the series of races was called Saturday afternoon and it is to be hoped that the C. Y. C. will lose no time in inaugurating another race and in a same time endeavor to draw up a set of rules governing this, so as to have no dissatisfaction from any source what ever. A good suggestion might be to have the yachts start in classes in the next race, that is a sixteen foot class and eighteen, giving a first, second and third prize for each class; this would no doubt please everybody and in some way compensate the crews for wettings and exposure they naturally have to experience when the "road" is rough, especially in the fall.

Mrs. Henry Craswell, Cardigan Saturday in the city. Miss M. Saunders, New York, is guest at the Victoria Hotel. Mr. and Mrs. D. L. Young, Halifax, are visiting in the city. Mr. and Mrs. G. S. Green, Trypano, are in the city yesterday. Mrs. J. S. Ray and Mrs. Annie, Boston, are guests at the Victoria Hotel.

PREACHED ABLE SERMONS

Very able and inspiring sermons were preached in St. James Church yesterday by Rev. Dr. Nelson of Hamilton, Ont. "The Moulders Song" was the subject of the morning address and in the evening the preacher spoke on "The Book of Jasher Up-to-Date."

RETURNED FROM WINNIPEG

Principal L. B. Miller, of the Charlottetown Business College has returned from Winnipeg where he attended the Grand Orange Lodge convention. In Winnipeg Mr. Miller had a splendid time with many of his old graduates who are located in that city and all of whom seem to be prospering.

HARVESTERS EN ROUTE

Over four thousand harvesters passed through Moncton during the past twenty-four hours destined to Western Canada to help in gathering the bounteous wheat crop which will be cut on the prairies within the next few weeks. The first of the harvesters, mostly from P. E. I., reached here on Thursday evening's Maritime Express and they were followed later by a much greater number who came in from Nova Scotia points on No. 9 midnight express Friday and all went through St. John where they connected with the C. P. Harvesters special—Moncton Times.

WILL RUN SERVICE STATION

Car owners will be interested to learn that Mr. R. E. White has taken over the MacLaughlin agency for the Island and is operating the Service Station in Charlottetown formerly owned by Mr. J. Stanley Wedlock, Queen Street. Mr. White has had five years in the motor car business in Charlottetown and has been sales manager for Mr. Wedlock for the past year. He will carry on the same service arrangements that have been so popular with MacLaughlin car owners. A car load of the new MacLaughlin Buick cars are on the way and a complete stock of parts has been ordered. Mr. White has made arrangements whereby he can supply MacLaughlin owners with parts at the present time, without any delay. His garage will be put in first class shape in a week. He is already open for business and is taking care of MacLaughlin cars. The Guardian bespeaks for Mr. White a wide patronage.

BIRTHS

More—in this city on August 5, Mrs. John Archibald, Elm Avenue, a daughter, Mrs. J. A. McDonald, Margaret Murphy and Miss McWeeny, Boston; are among the guests at the Queen Hotel.

McKINNON DRUG CO. THE GRASSHOPPER PLAGUE. Mr. J. A. Clark, Superintendent of the Experimental Farm, and Dr. Brittain, of Wolfville, Provincial Entomologist of Nova Scotia, have returned from a trip to the eastern parts of Queen's County and portions of King's County, where from here they investigated the grasshopper plague. The devastated territory extends from Sparrow's Road North through St. Mary's Road, to Wood Islands station thence through Melville and Garloch. From there a freight line could be drawn back to Sparrow's Road, covering in all a territory of about 75 square miles or 49,000 acres. A great deal of damage has been done at Lewis, Johnson, Mt. Vernon, Commercial Cross and Garloch. The clover crop suffered most, and oats to a lesser extent. The "hoppers" are now devoting their attention to the wheat. In some fields 75 per cent of the crop has been ruined. Wherever poison mash has been used good results have been obtained and in places where it was not used many dead grasshoppers were seen indicating that fungus diseases or parasites have been getting in their good work. It is believed that the outbreak has reached the peak and is now falling off. Dr. Brittain advocates organization and education work during the coming winter with a view to fighting the plague next season, as the spring is the proper time in which to spread the poison and take preventative measures such as ploughing up the fields. It is expected that the Dominion Entomologist, Mr. Arthur Gibson, will co-operate with Dr. Brittain left Saturday morning on return to Wolfville.

Summerside Loses Prominent Citizen. The death took place at his home in Summerside on Saturday afternoon of Harry A. Compton, at the age of 72 years, after many years illness. The late Mr. Compton conducted a furniture and undertaking business for many years in Summerside and was prominent in municipal affairs, having served as Mayor of the town from 1904 to 1908. The deceased leaves to mourn a sorrowing widow, three sons and three daughters; Frank, of New York; Bruce of Calgary; Keith at home, and Mrs. Hills, Halifax, Mrs. McPhail of Clairmore, Alta, and Mrs. Walter Callbeck, of Summerside. The funeral will take place on Tuesday afternoon at 2:30 o'clock from the home to the People's Cemetery.

5 Killed When Train Crashes Into Auto. (British United Press) WILDWOOD, New Jersey, Aug. 5.—Four men and a boy returning in an automobile from a fishing trip were killed late yesterday when their machine was struck by a Pennsylvania railroad train at Burleigh crossing, seven miles from King's County, where from here they investigated the grasshopper plague. The devastated territory extends from Sparrow's Road North through St. Mary's Road, to Wood Islands station thence through Melville and Garloch. From there a freight line could be drawn back to Sparrow's Road, covering in all a territory of about 75 square miles or 49,000 acres. A great deal of damage has been done at Lewis, Johnson, Mt. Braden won the free-for-all at today's races on the Edmundston Driving Club's track. They were even more successful than those held yesterday. Officials estimate the number present in the vicinity of 3,500. The only incident that occurred to mar the occasion was the accidental laming of Roy Grattan, who was one of the entries for the free-for-all. Following is a summary of the result of each event: Free-for-All. John R. Braden (Mooseluck Driving Club) 1:11. Dan Hedgewood, (Woodstock Driving Club) 2:22. Time—2:08.14, 2:05.4, 2:10.4. 2.18 Trot. LIEUT. GOV. MacKINNON will give an eight minute talk Wednesday.

RESERVE WEDNESDAY afternoon and come to the Orphanage Tea.

MISSION TO OPEN—It was announced in St. Dunstan's Cathedral yesterday that a layman's mission will open on the 9th of September.

LEFT FOR HOLIDAY—About thirty five of the League of the Cross boys left yesterday afternoon for a two weeks camping expedition at Tracadie. They were accompanied by Rev. Jas. Rooney of the Cathedral staff as chaplain and Leo McDonald as scout master.

A GOOD IDEA.—The Guardian has received from Mr. A. T. Mason formerly of Charlottetown, and at present an employee of the New Departure Manufacturing Company, Bristol, Conn., a copy of their bright, newsy magazine free to each and every employee of the company. The magazine which is interesting from cover to cover, deals mainly with the athletic activities of the employees of this large manufacturing concern.

LAI D TO REST.—The funeral of the late Mrs. Patrick Trainor was held from her late residence King Street, Saturday morning to St. Dunstan's Cathedral where a High Mass was celebrated by Rev. Maurice McDonald. The pall bearers were: Messrs. P. A. Smith, P. Fitzsimmons, Richard Dougan, Peter Wilson, Peter Flynn and Malcolm Nelson. Services at the grave were conducted by Rev. Jas. Rooney.

FIRE IN BARN.—The firemen were called out about 2:20 p. m. Saturday for a fire in a barn, on Sydney Street belonging to Mr. J. Duffy, truckman. The building was badly gutted before the flames were subdued and a quantity of hay, some harness and other articles destroyed. It is supposed that the fire was caused by the carelessness of some boys with matches.

STUDENT PREACHER.—Mr. Edgar McNis, who is spending his holidays at his home in this city, preached very acceptably to large congregations in Zion Church yesterday morning and evening. Mr. McNis has had a brilliant career as a student, and with a still richer promise in store. He leaves next month for Oxford, England to continue his studies.

McDONALD-McDONALD WEDDING.—A quiet but very pretty wedding took place at the home of Mr. William E. McDonald of Hunter River on the evening of July 25th when Miss Florence M. McDonald of Brookfield was united in marriage with Mr. Daniel K. McDonald of Glen Valley. The ceremony was performed by the Rev. R. H. Staver in the presence of a small number of the relatives and friends of the contracting parties. The bride was attended by Miss Ruby McDougall while Mr. John McDonald, brother of the groom waited upon the groom. The bride's going away costume was a tailored suit with hat to match. The Guardian joins in wishing Mr. and Mrs. McDonald many years of happy married life.

WESTERN R. R. LINE.—At a recent meeting of the Summerside Board of Trade Mr. L. R. Allen, chairman of the committee on railway matters, announced that he had received definite word from Superintendent Grady that it is expected to have the wide gauge line completed between Summerside and Tignish by August 11th or 12th. Mr. Grady pointed out that this would necessitate a tie up on the line for two days following. Every effort is being made to have the transfer completed on time.

AMONG THE HARVESTERS.—Among the excursionists who left on Friday for the Great West Kennington Centre added the following:
