NOVEMBER DYEING.

Success, Profit and Pleasure When Diamond Dyes are Used.

Thousands of city and country women and girls will dye during the month of November. Old dresses, costumes, cases, jackets, wraps, shawls and clothing for men and boys will be brought from attics, closets and boxes, and prepared for the dye bath.

It is safe to assert, that every wife, mother and daughter who has heard of the wonder-working Diamond Dyes will use them in preference to any other make of dyes.

It is unnecessary to dilate upon the many grand results that users of Diamond Dyes obtain. A few words will tell the story. The Diamond Dyes will make the old things look as fresh and as good as new, and will give colors that sun or washing cannot fade. The unfortunate women who are induced by some dealers to buy imitation and adulterated dyes will certainly suffer loss of money, time and materials.

There is profit in home dyeing only when the Diamond Dyes are used. See that you get the 'Diamond' from your dealer; refuse all imitations.

The Great Deliverer from Disease and Suffering.

The One and Only Medicine that the Ablest Physicians Recommend and Prescribe.

Paine's Celery Compound is the Prescription of a Great Physician.

In Life-Giving Virtue and Power It Has No Equal.

It should be well understood that the physically broken down and diseased that no ordinary concoction, sarsaparilla, nerve or purifier can do what Paine's Celery Compound is able to fully accomplish: cure men and women of such serious diseases as kidney troubles, liver complaint, and affections arising from impure blood, or permanently drive out of the system—and this is the point that no sufferer should lose sight of—rheumatism, sciatica and neuralgia.

Paine's Celery Compound is a sure and certain cure for the exhausted nervous system; it is the one and only honest cure for all diseases that indicate vitiated blood.

It is Paine's Celery Compound, the great food for shrunken and unstrung nerves, the marvellous system cleanser and digestive regulator, that we so strongly recommend to you, dear reader, if you have lost the strength and vitality of true manhood or womanhood. Try its wonderful curative effects if only for a week, and you will surely bless Heaven that such a life-giver was placed before suffering.

Every household should have on hand a box of Dr. Chase's Ointment. The diversity of uses to which it can be put and the many doctor's bills it saves warrant it in taking first place in the family medicine chest. All dealers sell and recommend it.

VOTED IN TWO PLACES.

OTTAWA, Oct. 28.—The New Brunswick majority for prohibition will have to be reduced by 1,485, the people of St. John city having voted both there and also in the constituency. As the question on which they were voting was one of principle and not of electing a member, it has been decided that the above vote will not be allowed.

SNATCHED FROM THE GRAVE.

Miss Maud Cotterill's Tribute to Dodd's Kidney Pills

Belleville, Oct. 31.—I have been like a person half dead for months. So says Miss Maud Cotterill, speaking of her rescue from the clutches of Bright's Disease.

"I could neither sit up nor lie down, and had almost lost hope." "Dodd's Kidney Pills cured me, fully and quickly. They have saved me from the grave." It has been proved, thousands of times, that Dodd's Kidney Pills cure Bright's Disease every time they get a chance.

Bright's Disease Kills every time it gets a chance. Dodd's Kidney Pills are the only remedy on earth that prevents Bright's Disease from killing, by rooting it out of the system entirely.

YOUNG WOMEN

NEED DOAN'S KIDNEY PILLS

They Remove the Headaches, Backaches, Feelings of Listlessness and Tiredness, Bring Color to the Cheek and Health and Strength to the Entire System.

There are many young women suffering from derangement of the kidneys whose disease is attributed to some other cause. These delicate filters are apt to get clogged and congested at times, and the poisons which it is their duty to carry off are absorbed into the blood.

Is it any surprise that there should be headaches, backaches, tired feelings, weakness, dark circles under the eyes when poisoned blood—instead of purified blood—is being carried through the body? Doan's Kidney Pills are proving themselves a great boon to women, curing many obscure diseases by causing the kidneys to promptly purify the blood and clear away the uric poisons.

A Hamilton lady who speaks highly of Doan's Kidney Pills is Mrs. T. Bradley, 227 Wilton Street. She says that for the past nine years her daughter has been in poor health. She was listless, lacked ambition, and always felt tired, weak and drooping. In addition she suffered greatly from nervousness and sleeplessness, as well as heart weakness and palpitation. All this treatment she did her very little good until she started taking Doan's Kidney Pills.

"After the first box there was a marked improvement in my daughter's health," says Mrs. Bradley, "so much so that she procured two boxes more. When these were finished she was cured. Before taking them she could hardly walk on account of the pain in her back; but this is entirely gone now, and I cannot recommend Doan's Kidney Pills to highly."

Doan's Kidney Pills sold by all druggists 50c. a box or Three for \$1.25. Sent by mail on receipt of price. The Doan Kidney Pill Co., Toronto, Ont. Remember the name, Doan's, and refuse all others.
