What Blending means to You and to your Baking.

No one flour—milled of a single kind of wheat—will make perfect bread. Spring wheat is rich in gluten and other food properties. Winter wheat contains less nutriment—but makes perfect cake and pastry.

Beaver Flour

is TWO flours in one. We take Manitoba Spring Wheat—find Ontario Fall Wheat—out just what each one lacks—and SUPPLY IT THROUGH THE OTHER. BEAVER FLOUR is not a mixture of flours—but a scientific blend of Canada's finest spring and winter wheat flours, in the exact proportions to give perfect results for all kinds of baking. This means a lot to YOU. Using BEAVER FLOUR means that Bread and Biscuits will contain all the nutriment of the best wheat—and also that the flour that makes the best Bread will make the whitest, lightest Cake and Pastry.

NEWS OF THE HORSES FROM ALL SOURCES

LEXINGTON, Ky., Saturday.—W. W. Evans sold today to W. B. Chisholm, of Cleveland, Ohio, the yearling trotting colt by Jay McGregor, dan Baroness Spirit, by Baron Wilkes, for \$6,000, with the condition that he will receive another thousand if the colt wins the Futurity in 1908. This colt is bred in the same line as Commodore Epulet the yearling colt he sold at the Upton sale. Both are of Wilkes and McGregor blood.

In 1903 William Russell Allen, proprietor of Allen Farm, Pittsfield, raised a colt by Todd (2147) and from Eutaxia, by Expedition (2152), second dam Evident the dam of Kramlin (2073). Mr. Allen sold this colt for \$100. He later received information by mail that this colt has won first money in one race and second in two others in Sweden and "could have won all three." The present owner informs Mr. Allen, that this colt is a great horse and he has refused an offer of \$2500 for him. Eutaxia dam of the above named colt is also the dam of Agrius (214) by Aquilin, son of Bingen (204), dam Eutaxia by Expedition, 2152, the two year old colt that J. M. Nicholson of this city imported from the States last May.

The Canadian Recorder says: The turf season of 1906 in the maritime provinces has been remarkable for extreme speed, with both the trotting and pacing records lowered. This latter was expected, with the number of fast pacers in the provinces, but the trotting record has stood for five years. The Recorder has already given a list of 17 new 2:30 performers, and a dozen which have reduced their records and it now presents a list of fastest records, on maritime province tracks, as follows.

- PACING. Fastest performer and fastest mare—Gloria, b. m. 2:10, by Ethan Wilkes, F. P. Fox, Boston. 2:10. Fastest gelding, De Band, b. s. 2:10, by Ira Band, F. P. Fox, Boston. 2:10. Fastest stallion and fastest new performer, Kingborough, blk h, by May King, L. D. Morton, Digby. 2:16. Fastest Maritime Province bred, Rita, m. b. m. by Israel, Wallace Cole Chester. 2:17.

- TROTTING. Fastest performer and fastest gelding, EARL Boy, b. g. by Potential, J. R. Cowan, Springhill. 2:10. Fastest stallion, Bounton, T. b. h. by Bourton Wilkes, John McCoy, Frederickton. 2:21. Fastest mare and fastest Province bred, Lady Tip, b. m. by Israel, m. Hill, Sydney. 2:25.
