Horse Racing At Summerside

(Special to the Guardian) the previous day she showed wonderful endurance and won third money. Summerside, Feb. 6.—The first full race of the season on Summerside, owned by Urban Gillis of side harbour were held yesterday at Micouche, was only able to secure termoon. An enthusiastic crowd of fourth money. This is the first start spectators from town and country for this horse and looks like a win-witnessed one of the best races seen in the future.

CLASS A—Was a great race, and was won by Laddie, owned by Mrs. Elizabeth Gay, and driven by R. Phillips. Witty Jim, owned by Gordon Dawson and driven by James Chaparral and Premier Todd, owned by George Thompson and driven by Max Steele, making a great fight for second position. These two colts are full brother and sister, the latter coming four years old, the former coming five, who took second place by a close margin. Both were sired by Premier Witty and no doubt will be heard from during the summer.

CLASS B—Brought four good horses to the wire which was won by Donna Thompson owned by John Cobb, Summerside, driven by Prof. Rockford. Pansy Volo, owned and driven by E. Sobey of Wilnot, came second in the first two heats, but was beaten out in the third by Sherwood Bell, the latter owned by Jim Pendergast and driven by William Profitt. Considering that she raced

MACLEOD CLAN AGAIN VICTORIOUS OVER PICKED IRISH TEAM

At six last evening the MacLeods were properly fed by J. A. Fraser's team to a chicken supper, which they played for last week, and won.

After supper they left for the Curling rink to play a challenge match between the Irish and Scotch. The Scotch appearing in their kilts and bonnets, while the Irish were covered with Shamrocks.

After a hard fought game the MacLeod clan were again victorious. The last shot again decided the game when Col. Moore, skip of the Irish team, slipped by the Scotch granite which gave the Scotch the victory 9 to 7.

It was a roaring game, but the

Racing At

Malpeque

"The stormy winds of winter and terrors of frost and snow," do not appear to cool the ardor of the Malpeque race fans to any appreciable degree. The enthusiasts went to work with their teams and machine on Wednesday afternoon and Thursday morning and cleared an excellent race course. Three classes were raced on Thursday afternoon before a large crowd of people. Each class was closely contested. Class A Trot and Pace had three starters, viz., Byng Girl, Ben Orotolou and Billy Cahill. Ben Orotolou, the late importation, owned by Melville Donald, and driven by Edgar Bryenton, won the first heat by a length. In the second Ben broke one of his straps and the heat was won by Byng Girl. In the third heat the time was faster and Byng Girl won by half a length. The distance was one-third mile, time 40 seconds. Byng Girl, a promising pacer, was raised by Dr. Calkin, of Sackville, N. B., now owned by Harold Woodside, of Margate. The both pacers somewhat outclassed the good old time trotter, Billy Cahill. The Byng Girl was driven by W. D. Profitt, of Kensington, who specializes on pacers.

In Class B Trot and Pace, Bud Doble, the big trotter owned and driven by Joseph Sheen, of Kensington, won by a close margin from the pacing mare Sherwood Belle, owned by J. Pendergast and driven by W. D. Profitt.

In Class C Jean R., owned and driven by Jas. Thompson, Darnley, had the class of the bunch and won in straight heats. Jean R. is a Lacopia half sister of the well known pacer, John R., which had quite a racing career on Island tracks a few years ago. This was a very close race and a mistake on the part of any

RENOVATIONS PROGRESSING

A considerable part of the renovations planned for the Police Headquarters in the City Building has been completed. The floor has been lowered almost three feet to the level of that of the main corridor. The office of the Chief will be in the section formerly occupied by the cells, while the prisoners' quarters will be in the rear in the section where formerly was the firemen's recreation room. Four steel cells are to be installed. A new hardwood floor has been laid in the Police Station. The interior walls of the station are to be painted. Considerable work remains to be done in the prisoner's section of the building. It is expected that the officers will return to their remodelled quarters shortly.

GREAT RACES TO-DAY

The Victoria Driving Club races this afternoon are causing a lot of interest and a large crowd of spectators will no doubt be on hand to witness them. Councillor Kennedy, chairman of the Street Committee, is having the landing repaired so that in all probability automobiles will be able to get on the ice by way of Park Street.

The track will be scraped this morning and everything in readiness at sharp 2 o'clock for the opening battle, known as the "Ham and Chicken" Contest. Ham is donated by H. G. McDonald and the chicken is a great, big, fat one, so that first and second winners will have something nice to carry away.

Who will win, Captain Jackson, Brian Mac or Walfis Edlison? The Class B trot will also be a thriller, bringing out Peter Dawes, the Fort Fairfield, Maine bearcat in competition with Peter Verde and Mack Todd. Two other classes will make up a very snappy afternoon's program.

Canadian Speed Skating Ch' Ships

OTTAWA, Feb. 6.—First in the 880, second in the 226 and third in the mile, Ross Robinson, Toronto, Canadian speed skating champion, carried off premier honors in the first day of racing today in the national championships. Jean Wilson also a Torontonian, led women competitors, taking the only national and North American women's championships decided, the 440 yards and the 880.

Looking 'Em Over

BY TEC

TURNED ON THE HEAT "Chick" Williams, Saunders, Nicholson, Lawlor and company of the Abegweits, mounted the old grey mare last night, turned on the heat to double the score on Crystals in an overtime after trailing their opponents throughout over two periods of hockey. Tying the count about seven minutes before the final bell, Abies held the fast moving Westerners, and waited for an overtime. It came in and is history now. Not to be denied, the red and black clan opened the ten minute extra session to practically sweep all opposition before them.

GILLISPIE NIGHT

Last night was a typical Gillispie night. The team, inspired by the fighting spirit of their leader, good ol' Bill, and closely carrying out every order given, just plainly went out to win—and win they did.

MORE ROSY

The annexation of the second section of the league and a crack at the Island title via a playdown, looks more rosy at the present time. The Abegweits have got to clinch the next two games in order to cop the series. Should they win here and lose in Summerside, a play-off will then be necessary to decide the winners of the section.

GREAT INTEREST IN GAME

If the ringing of the Guardian telephones is any indication of the local interest manifested in last night's Abie-Crystal game, there surely was some interest. From nine o'clock until eleven the phones literally rang off the desks, reminding the writer of a Dominion election night. It was a great game and a great victory.

ARRIVES WITH STEPPERS

Mr. G. W. Gerow, popularly known as "Monty," arrived in the city last evening, bringing with him "Miss Possibility," 2:10 1-2, a beautiful chestnut pacing mare who has been winning regularly over the ice in the "potato state." He also brought with him the big galloping trotter Glendale, 2:12 1-4, and another whose identity is not known. These horses have been purchased by members of the Victoria Driving Club, and will inject new interest into this popular sport.

"THE LONGER THE BETTER"

Considerable pleasure was expressed by horsemen at the prediction of "Messrs. Bear and Groundhog," who saw their shadows last Monday, that we would have six more weeks winter.

Y. BASKETBALL

The R. C. N. V. R. and C. N. R. played the closest game of the season last night, the final score being 31-30. Several times throughout the game the score was a tie but the C. N. R. seemed unable to take a lead. Both teams played fast ball but missed a few chances to score when almost unguarded. The play and combination was just as even as the score suggests, neither team having an advantage. Walter Goss and N. Mathieson refereed impartially. All players are glad to see Walter back on the whistle since he knows the game so well. The line-up is as follows:

C. N. R. 30	
G. McMahon	11
J. Connolly	3
L. Connolly	15
E. Goss	10
A. Kerr	13
C. Ryan	1

P. W. C. 24. BLUE DOTS 18

The girls game though not so close in score was equally as close as the boys' game in play. The first period was somewhat slow with little score for either team. When the second period began the instruction of the coaches was very evident from the changes in play. P. W. C. took an early lead which the Blue Dots were unable to overcome although they took a wonderful lease of life in the last few minutes. Those teams are to be congratulated on their fine style of play. The line-up is as follows:

GREAT IN WORKOUT

Lucky Lindy, whose sensational quarter miles on ice were features of a recent race program, was given a workout yesterday and beat 30 seconds three times over a rather slow course.

NEW YORK'S CHANCES OF FIGURING IN PLAY-OFFS

Rangers and Americans will not be much help to each other during the next two weeks in their efforts to have New York represented in the N.H.L. play-offs this season. Americans play Toronto, Maroons three times and Canadiens twice in the period starting Feb. 7 and ending Feb. 21. Two of the games with Maroons are in New York on successive scheduled dates, and these will largely determine whether Maroons or Americans will occupy third place. The fact that they have three games with each other is going to help the Maple Leafs, and it is hardly likely that the Leafs will be ousted from second position over this period.

Rangers face an easier stretch of games than Americans. They entertain Chicago on Feb. 8, and then go to Philadelphia. Their next two games are on the road, with Detroit and Chicago, and then they return home to meet Ottawa. On Feb. 22 they engage the Quakers in New York. Of these five games three are against cellar-place teams.

Thus it will be seen that Rangers have a slightly better chance of gaining ground than Americans, unless unforeseen injuries handicap them. Americans have a harder row to hoe, but unless Maroons take a decided brace, Eddie Gerard's men are likely to come through and oust the Montrealers from the contending position. Americans have been improving right along, while Maroons are the greatest in-and-outers in the circuit.

HERR MAX IN TROUBLE

ELIZABETH, N. J.—Max Schmeling, world's heavyweight boxing champion, signed a guarantee of \$10,000 today for a bout in the New Jersey courts. Joseph Rahl, slightly under 21 years old, a process server of New York, brought suit against Schmeling for \$25,000, alleging the fighter threw him down the steps of a New York hotel after he had tried to serve papers in another suit. He cited numerous injuries. Rahl, through counsel, obtained a capias writ in the supreme court requiring Max to post bond of \$10,000 for his appearance at trial of the suit. Deputy sheriffs interrupted Max's game of golf at the Summit Golf Club to serve the writ.

TRURO RUINS WOLVES CHANCE FOR PLAY-OFF

(Canadian Press) HALIFAX, N. S., Feb. 6.—Halifax Wolverines dropped a 3-0 decision to the Truro Bearcats in an Eastern Hockey League game here tonight and lost their last chance of a play-off. Ryan scored in the first period on a pass from Murdock. The second was scoreless, and Proulx and Jemmett tallied in the last period. The Bearcats played a defensive game in the last two periods, mixed with dazzling combination.

TIGERS BEATEN

KENTVILLE, N. S., Feb. 6.—Kentville defeated New Glasgow Tigers on home ice tonight 3-1 in an Eastern League fixture. The loss leaves New Glasgow in second position, three games behind the leading Truro Bearcats.

Charlottetown Riflemen Lose To Summerside

(Special to the Guardian)

Summerside Rifle Club won by two points from the Charlottetown No. 2 Signal Co. club in a close contest between picked teams from both clubs, staged at the Summerside Miniature Rifle Range last night. This is the third shot between these clubs this season. The total score for Summerside was 723, Charlottetown 721. The top marksmen were: Dr. A. W. Leard 96, and Dr. Harry Allen 95, for Summerside, and A. W. Spillet 94, and J. S. Moore 93, for the city. The scores were as follows:

MacNeill Morley M. Boey A. E. Harris Reginald Forbes Skip 18 The rinks skipped by Messrs. Titus and Morris have yet to play for the first round. The next round will be played next week. Three rinks representing the Summerside Curling Club will compete for the Gaborcup at the bonspiel in Charlottetown next Tuesday between Charlottetown, Montserrat and Summerside Curling Clubs.

Abegweit Defence Feature Splendid 6-3 Overtime Win

Local Forwards Rise To Great Heights In Gruelling Hockey Battle At Summerside.

(Special to the Guardian) SUMMERSIDE, Feb. 6.—Fortune smiled on the Abies last night, when they evaded the Crystals two goal lead in the last period and piled up a lead of three in the ten minutes overtime play. This was one of the most hotly contested games played this season and both teams seemed considerably improved in every way. Good combination plays were evident all through, with spectacular one man rushes, which all combined to keep the fans on their toes all evening.

This was the fourth game of second section and leaves this section tied so far, each team with two games to their credit, which puts the Abies on a somewhat more equal footing with Crystals.

Chick Gallant was very much to the fore in this game and seemed to have a slight edge on his old rival Nicholson and outskated him on a good many occasions and gave Stull some hard shots to turn back. Jackie Schurman played a wonderful game all through. Saunders and Squarbriggs were both on in every sense of the word and the hefty right winger gave Lefurgey a lot to look after. Chick Williams turned in a flashy performance. About 200 enthusiastic fans came up from Charlottetown and there was a heavy attendance of local fans.

Opened with Crystals pushing matters very decidedly and five minutes after the face-off, Montgomery poked the disc past Stull from the corner of the net, after he was taken momentarily off his balance in stopping a wicked shot from Chick Gallant. Two minutes later Lawlor fooled the defense and skated in on Lefurgey to even the score with a wing shot. The Crystals held the Abies down pretty much for the rest of the period, but were unable to penetrate their defense effectively till Schurman realized on a brilliant end to end rush and beat Stull at close range to put Crystals one up in this period. Spilphand and Williams each drew a penalty in this period.

Immediately after the face-off, Williams beat the Crystal defense and dented the twine. About three minutes he again took the puck up and passed to Spillet, who had only Grady to beat and twinkled the red light once more. The Crystals then played all their men up and held the play in Abie territory, till Nicholson just before the gong, managed to break through when the coast was absolutely clear. Lefurgey made a brilliant attempt to save by coming out to meet him, but Nicholson slipped the disc in behind to make the score read 6-3. No penalties were handed out in the overtime play.
