Charlottetown P. E. Island

THURSDAY

NOVA SCOTIANS HERE.—Owing to the large number of visitors from Nova Scotia to the Provincial Exhibition two steamers, the Stanely and the Arannore will leave Charlottetown for Pictou Friday morning at 6 o'clock, the early start being necessary to make connection with Sydney and all points east. The Railway informs the Guardian that there are from twelve to thirteen hundred people in the City from Nova Scotia points.

Mrs. Thos. G. Vick Roy called by death. It is with deepest regret that the Guardian records the death, at the home of Mr. L. B. Vick Roy, Denver, Colo., on August 30th of Pearle MacLellan Cairns, beloved wife of Thos. G. Vick Roy, after an illness of a few months. Deceased lady was born at Cape Traverse, Prince Edward Island, on June 2nd 1889, and was a daughter of the late William D. and Katherine Cairns. There are left to mourn, besides her husband, three sisters, Mrs. Alex Fisher, Canton Mass., Mrs. Willa D. Irving, Cape Traverse, P. E. I., and Miss Lulu Cairns, who was with her when she died. A large number of friends followed the cortege to the beautiful Fairmount Cemetery where she was laid to rest. The high estimation in which Mrs. Vick Roy was held was eloquently shown by the number of beautiful wreaths and floral tributes, including some from Boston, New York and St. Louis which were piled high on the coffin. Island friends will deeply sympathize with the relatives in their severe loss.

Yesterday morning the weather man smiled benignly on exhibition exhibitors and visitors and gave them one of the finest exhibition days in the history of the Association. Quite early the streets were thronged with thousands of visitors many of whom had arrived by steamer and train on the previous night, while automobiles and carriages from near and distant points continued to pour in. Later the morning trains brought their quota, the cars being filled to the platforms. About a hundred autos were kept busy all day driving visitors to and from the grounds.

The attendance was a record one 8,500 having passed through the main gate and 5,000 to the grand stand. The Exhibition building was crowded all day while hundreds surrounded the roped areas in which the work of judging the horses and cattle was continued. Seldom have the judges in the live stock classes been so strenuously worked. They had begun Tuesday morning and kept constantly at it during the day and yesterday. Their awards in the different sections will be announced shortly.

The races were as usual a great attraction and drew an exceptionally large attendance. Between heats the spectators were regaled with a number of performances, many of them good and all of them entertaining.

COAL FOR CHINA PT.—Last week the schooner, Jessie Brown, Sydney, N. B. commanded by Captain William G. Richards, Grand River, P. E. I., discharged a load of nut coal—75 tons for Mr. Frank Mutch, Earncliffe.—Q.

SERIOUS ACCIDENT.—The many P. E. Island friends of Rev. N.A. McNeill, Salisbury, N. B., will regret to learn that he met with a painful accident one evening last week when returning home from his mid-week prayer service at North River. The night was dark and in meeting a team his carriage came in collision with the heavier wagon. He was thrown out and received a very severe shaking up and has since been confined to his home. His horse was also severely injured.

***FUNERAL SERVICE HELD.**—After a lingering illness of over 9 months with paralysis, Russel Pool passed to his reward in the 21st year of his age. He leaves to mourn their sad loss, his parents, one sister and four brothers. Funeral services were conducted from his parents home at Lower Montague. Among the floral tributes of loving memory were a Pillow from the family; Pillow from C. E. Society of the Christian Church, A Wreath from S. School of the Christian Church, Wreath from The Orange Order, Wreath from Ellis Swan, Crescent from Mrs. Burke, Crescent from Mr. and Mrs. Mabon, Spray from Mrs. Robertson and Mrs. Stewart, Wreath from Mrs. Robert Mellish, Wreath from Miss Millie Campbell, Pillow from Miss Cassie Stewart, Pillow from Misses Lemon and Stewart, Pillow from Mr. W. Nelson and family.

MR. J. S. CURRIE DEAD.—General regret was expressed Tuesday in St. John when it was learned that John S. Currie, the well-known broker of that city and well known in Charlottetown, had passed away very suddenly at the General Public Hospital at an early hour Monday morning. Mr. Currie was seemingly in the very best of health on Friday morning, but late in the afternoon he was forced to leave his office and return to his home as he was not feeling well. On Saturday a physician was called to his home, and on his orders he was taken to the hospital Saturday night. His condition was such, when he arrived in the hospital, that the doctors, after a consultation, decided that an operation would prove fatal and tried other means to save his life, all of which proved fruitless, says an exchange. Mr. Currie was a life-long resident of St. John and for several years was connected with his brother, J. R. Currie in what was then known as the Currie Business University. On the breaking up of the company he went into the brokerage business, which he had conducted very successfully for the last few years. He was a member of the Masonic order and always took an active part in the affairs of the fraternity. He was a member of St. David's Presbyterian church. Mr. Currie was fifty-three years old, and leaves, besides his wife, one son, Weldon, of the staff of the Royal Bank of Canada in Santo Domingo; two daughters, Jean and Evelyn, both at home; two brothers, J. R. of St. John, and Thomas of Boston.

YES! THIS IS TRUE!
ANY CORN LIFTS OUT.

No foolishness! Lift your corns and calluses off with fingers.

Pain? No, none at all! Soft corns, hard corns, soft corns or any kind of a corn, can harmlessly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freezone says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of freezone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

This simple drug does the moment it is applied and does not inflame or even irritate the surrounding tissue while applying it or afterwards.

This announcement will interest many women here, for it is said that the present high-heel footwear is putting corns on every woman's feet.

Address Solutions to 24 Continental Building, Toronto

The 38th Annual Convention of the Teachers' Association of P. E. I. opened yesterday morning at 9 o'clock with a large attendance. Inspector Boulter acted as Recording Secretary.

After the enrolment of members, the President, Miss Cordelia C. Munn, appointed the following committees:

Resolutions:—Principal Seaman, Miss Buxton, Inspector Boulter.

By-Laws:—Mr. A. Cairns, Miss Vickerson, Miss M. McCourt.

Finance:—Principal Johnson, Miss Beairst, Mr. McEwen.

Press:—Guardian, Principal Francis, Patriot, Mr. C. B. Jelly, Examiner, Mr. Lloyd Shaw.

The President then delivered her address. She welcomed the teachers to the 38th Annual Convention and expressed the hope that they would take an active part in the discussions and profit thereby. Miss Munn thought that a period of each session should be set aside for informal talks with the inspectors so that the teachers as a body might present their grievances and suggestions to the inspectors who would then be enabled to present them to the proper authorities as the petitions of a solid and united body. The convention should mean a united body of teachers who would protest against such actions of the Dept. of Education as lengthening the amount of subject matter set down in the Course of Studies for entrance without consulting the teachers, thoroughness, rather than a large amount of poorly prepared work, should be our motto.

Miss Munn then proceeded to point out the defects in the Grammar, Geography, British History and Arithmetic text books, which she thought should be changed for better ones. She also pointed out that in many cases the meaning of questions in the Entrance Examinations were not clear and therefore unfair.

Miss Munn also spoke of Compulsory attendance, Equity of Payments. The Teachers Magazine, the splendid work being done by the Women's Institutes in educational matters, the

Grammar Schools, School Fairs and several other things of interest to teachers.

Miss Munn mentioned the fact that our profession is very well represented at the front, by our chief superintendent, three inspectors and a large number of teachers. She suggests that an Honor Roll be prepared and that a contribution from the Association Fund be made towards one of the Patriotic Funds.

Miss Munn's splendid address was discussed by Principals Seaman, Francis and Johnson and Inspector Boulter. So favorably was Miss Munn's address received by all present that it was unanimously decided to have it published. Readers of the Guardian will therefore be favored with this admirable address in the near future. The session ended at 11.45. This morning's session begins at nine o'clock sharp.
