THE OLD WAY. Of Treating Dyspepsia and Indigestion by Dieting a Dangerous and Useless One.

We say the old way, but really it is a very common one at the present time and many dyspeptics and physicians as well consider the first step to take in a tempting to cure indigestion is to diet, either by selecting certain foods and rejecting others or to greatly diminish the quantity usually taken, in other words the starvation plan is supposed by many to be the first essential.

The almost certain failure of the starvation cure has been proven time and again, but still the moment dyspepsia makes its appearance a course of dieting is at once advised.

All this is radically wrong. It is foolish and unscientific to recommend dieting to a man suffering from dyspepsia, because indigestion itself starves every organ, every nerve and every fibre in the body.

AN INTERESTING CASE. Mr. William Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says: "While living in Chicago I was in a terrible shape with itching and bleeding piles, I tried several of the best physicians and was burnt and tortured in various ways by their treatments: to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I resorted to Dr. Chase's Ointment. I used but one box and have not been troubled with piles in any shape since."

Old Story—New Ending. The natty young man looked at the aged banker. "I am afraid you do not remember me," he said, with a smile.

ARE YOU BILIOUS? A sluggish liver fails to filter the bile from the blood, and when the poisonous matter goes through the body in circulation, the whole system is tainted and deranged. This is called biliousness and can be completely cured by Dr. A. W. Chase's Kidney-Liver Pills which act directly on the liver, making it healthy and active. One pill a dose, 25 cents a box. The cheapest medicine in the world.

POSSIBLY under-estimating the GUARDIAN Correspondent's appetite, Mr. Lewis Dystant, of Ellerslie, kindly presented him yesterday with a fresh lobster, neatly packed in a needle box. Its dimensions are about as follows: length over all 1 1/2 inches; length of body 1 inch; the claws are each 1/2 of an inch in length and the diameter of the body about 1/4 of an inch. As an article of diet although perfectly formed it is somewhat under size, and will, therefore, be kept on exhibition as a curiosity until a smaller one is reported.

SLEEPLESSNESS.

Like the other wants of the body, the necessity of sleep is imperative. Sleep is necessary to repair the system and make it fit for action.

In olden times those who were condemned to death by being denied sleep, soon became raving maniacs.

The practical conclusion is that Sleeplessness is inevitably destructive to body and mind.

There are thousands of people all over this land who are tossing on sleepless pillows night after night, or who pace the bedroom floor, with nerves unbinged, and to whose eye sleep will not come, to whom Milburn's Heart and Nerve Pills offer the blessing of sound refreshing slumber.

They renew the worn out nervous tissues and restore the equilibrium of the deranged nerve centres, then "nature's sweet restorer" comes, and sleep is peaceful as a babe's.

Those, too, who sleep in a kind of way, but whose rest is broken

into by fearful dreams, nightmares, sinking and smothering sensations, who wake in the morning as tired and unrefreshed as when they went to bed, can have their old, peaceful, undisturbed, refreshing sleep back again by using Milburn's Heart and Nerve Pills.

To be able to lie down at night and in a few minutes fall asleep—to know no dream or waking until morning—then to bound out of bed full of vigor, freshness, and good spirits, ready for each and every duty that the day may demand—that seems a good deal to expect as the result of using any remedy, but it is just what Milburn's Heart and Nerve Pills have been doing and can do for nervous, irritable, run-down, weak, sleepless men and women.

Mr. Chas. Tighe, a well-known resident of Mount Forest, Ont., says:

"Until I commenced using Milburn's Heart and Nerve Pills, which I got at Yeoman's drug store last

November, I was very excitable. The slightest trouble set me trembling all over, and it would be a long time before I could calm myself. My heart often beat so fast that I felt as if I would smother, and my nervous system was so completely unstrung that I could hardly sleep at all. Some nights I got no sleep whatever, and I can assure you it is a bad state to be in, as I went to my work feeling weak and nervous.

"I have taken two boxes of Milburn's Heart and Nerve Pills, and they have relieved every one of my troubles. My heart is all right; I sleep well and go to my work strong and refreshed. They have restored my nervous system to health and vigor, and I appreciate the remarkable good they have done me more than I can tell you."

Milburn's Heart and Nerve Pills are sold by all druggists, or sent by mail on receipt of price, 50c a box, or 3 boxes for \$1.25. T. MILBURN & CO., Toronto, Ont.
