"Fruit-a-Lives" Cured Me
Mr. Geo. W. Barkley
CHESTERVILLE, ONT., Jan. 25th, 1911
"For over twenty years, I have been troubled with Kidney Disease and the doctors told me they could do me no good. They said my case was incurable and I would suffer all my life. I doctored with different medical men and tried many advertised remedies, but there was none that suited my case. Nearly a year ago, I tried 'Fruit-a-Lives'. I have been using them nearly all the time since, and am glad to say that I am cured. I have no trouble now with my kidneys and I give 'Fruit-a-Lives' the credit of doing what the doctors said was impossible. I am seventy-six years old and am in first class health."
