**UP TO DATE GARAGE.**—Mr. J.  
A. G. Ellis, of Montague, who during  
the past year has been successfully  
conducting a coal, limestone and gener-  
ally feed store, has gone to considerable  
expense and fitted up an up-to-date  
garage. He has obtained the services  
of an expert as well as first class  
assistants. An establishment of this  
kind is very necessary in the thriving  
town of Montague and "Gar" deserves  
considerable credit and a good share  
of trade for his enterprise. The gar-  
age has the best basement available  
and ten cars can be stored therein,  
besides the ground floor will store  
eight more. The building is fitted  
with all kinds of modern equipment  
in the auto line, including drills, fire-  
place, emery wheel, water, gaso-  
line and air pumps, charging outfit for  
batteries, etc., and is situated a few  
yards from the railway station. Tele-

surprise, replied in a fitting manner,  
thanking the assemblage on behalf of  
his sister and himself for the very  
kind words expressed in the address,  
also for the valuable gifts presented.  
He expressed his wish of holding the  
people of Stanhope as near and dear  
to him, although taking up his resi-  
dence in another part of our Domini-  
on. He spoke feelingly of leaving the  
home of his birth and remarked  
that at some future time he hoped to  
be able to have the pleasure of again  
visiting his old friends and acquaint-  
ances. The gathering dispersed by  
singing "He's a Jolly Good Fellow,"  
and "God Save the King."

National political leaders of both  
parties are said to be fighting on  
plans to capture the woman vote in  
the election for President of the United  
States next year. The woman who  
it is expected will be cast throughout  
some organized effort and may be the  
deciding factor in the contest.

**PRESENTATION AND ADDRESS**

On Wednesday evening, April 23,  
the eve of the departure of Henry  
A. and Maggie C. Lawson, for West-  
ern Canada, upwards of fifty of their  
friends and neighbors assembled at  
their home for the purpose of show-  
ing the high esteem in which they  
have been held as residents of Stan-  
hope. Mr. Francis McCabe was ap-  
pointed chairman and in a few brief  
remarks expressed his sorrow and the  
loss the district will sustain at the  
departure of two of our most esteem-  
ed citizens, and cherished the hope  
that they would again visit us when  
we would be ready to give them a  
royal welcome. The program con-  
sisted of choruses, recitations, gram-  
ophone selections, duets and dia-  
logue, was then rendered, while Mrs.  
Malcolm McLeod read the address.  
Miss Jean Shaw and Mr. Bernard  
McCabe presented them with a gold  
brooch set with pearls, gold cuff  
links and tie pin. The following is  
the address:

To H. A. and Miss Maggie Lawson.  
Having learned with regret of your  
intention of leaving the home of your  
boyhood days to settle in a distant  
part of the country, we, the residents  
of Stanhope, cannot allow this oppor-  
tunity to pass without expressing in  
some measure the high appreciation in  
which you have been held in this  
community. You have at all times  
ably assisted in every movement tend-  
ing to the advancement and better-  
ment of this, your native district. In  
social, educational and patriotic  
work you have at all times respond-  
ed in a manner worthy of a loyal and  
patriotic citizen. During the trying  
years of the past war your efforts in  
the cause of righteousness will ever  
shine as a star in the mind of your  
former associates. Your sober and  
industrial habits have always been a  
confirmed example of the youth of this  
locality. To Miss Maggie, who is to  
accompany you to the West, we feel  
in her departure that the district  
will sustain an irreparable loss.  
We extend to her the thanks of this  
district for the able and efficient man-  
ner in which she conducted, as presi-  
dent, the business of our Red Cross  
Society. And now, dear friends, it  
will be most pleasing to us to have  
you return, when time permits, to  
the home of your birth. We ask you  
to please accept the accompanying  
gifts as a symbol of our affection.  
In conclusion, we beg to say that the  
golden bonds of friendship which  
have bound us in the past will  
strengthen as time rolls on by the  
remembrance of your many kindly  
acts.

(Sgd.) Residents of Stanhope.

**"Can't Beat Tiz" When Feet Hurt**

"Tiz" for sore, tired, puffed-up, ach-  
ing, calloused feet or corns

"Sure! I use 'TIZ' every time for any foot trouble."  
You can be happy-footed in a mo-  
ment. Use "Tiz" and never suffer with  
sore, raw, burning, blistered, swollen,  
tired, aching feet. "Tiz" and only  
"Tiz" takes the pain and soreness out  
of corns, callouses and bunions.  
As soon as you put your feet in a  
"Tiz" bath, you just feel the happiness  
soaking in. How good your poor, old  
feet feel. They want to dance for joy.  
"Tiz" is grand. "Tiz" instantly draws  
out all the poisonous exudations  
which puff up your feet and cause  
sore, inflamed, aching, sweaty,  
smelly feet.  
Get a 25-cent box of "Tiz" at any  
drug store or department store. Get in-  
stant foot relief. Laugh at foot suffer-  
ers who complain. Because your feet  
are never, never going to bother or  
make you limp any more.

**SWAIZEMA CURES ECZEMA**

This letter tells where doctor  
completely failed but SWAIZEMA  
cured. Was troubled with a very  
irritable rash which broke out on  
several parts of my body. I con-  
sulted and took treatment from a  
doctor but on the trouble becoming  
worse I tried a bottle of SWAL-  
ZEMA and I am glad to tell you  
that this annoying itching rash has  
completely left me. The effects of  
this remedy in my case were won-  
derful.

A word to the wise is sufficient.  
Do not have your cars overhauled by  
inexperienced parties. You will find  
it much cheaper to have them repaired  
and placed in perfect running order by  
our experts.  
**REMEMBER** what the wear and  
tear of your car will cost by being  
imperfectly overhauled. The services  
of experts are most essential.—We  
have them.—Every car repaired at  
our establishment is under the most  
complete supervision.—  
The work done by us will be most  
satisfactory to the owner as well as a  
pleasure to ourselves.
