The funeral of the late Miss Ruth Matheson will take place this afternoon at two o'clock.

MR. LOUIS MONTGOMERY left yesterday morning for Chicago where he has taken a position.

MR. JOHN BOATES, who has been in the employ of Mr. R. T. Holman's for a number of years past, left yesterday morning for Toronto.

MR. AND MRS. E. H. MANSON of St. John came over by the Northumberland yesterday to spend a few weeks with their people in Summerside.

MR. AND MRS. R. H. MONTGOMERY returned yesterday evening from their wedding tour, having visited Montreal, Ottawa, Boston and New York.

Messrs Sinclair & Stewart have just received a beautiful line of the celebrated ladies' Oxford suiting, just the goods for a tailor made suit. Any ladies wanting such a costume should have a look at them.

MR. AND MRS. WM. MATHESON of this town have the heartfelt sympathy of the community in the death of their eldest child, Ruth, a bright little girl of five years, which sad event occurred Tuesday evening after a week's illness.

TWO cases of French and German goods, containing silks, satins, ribbons, black and colored cashmeres, jet trimmings, etc., were entered through the customs here in July by Messrs Sinclair & Stewart. They are prepared now to offer their many customers better value than ever on above lines, on account of rebate on duty of all foreign goods coming to this port in July. It will be to your interest to look at these goods before purchasing.

MR. AMBROSE WEDGE of 15 Point picked up on the shore near his farm last Friday a bottle containing a slip of paper on which was written a solemn pledge that the writer would thereafter abstain from the use of all intoxicating liquors, giving as a reason the evidences of degradation with which he was surrounded as a result of drink, and requesting that the finder would forward the paper to the GUARDIAN office. The bottle in which the paper was found was one that had, at a not very remote period contained whisky. And it is just possible that the good resolution was prompted by the fact that there was none left, and that the base of supply was a long way off. However, the resolution was a commendable one, and if the writer of it is still living the Summerside office of the GUARDIAN will have much pleasure in showing him the original.

DR. A. W. CHASE LECTURING AT ANN ARBOR, MICH.

**THE MEDICAL PROFESSION**

Recommend Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, of February 19, says:—

Among the proprietary medicines deserving recognition is Dr. Chase's Ointment, compounded by THE DR. A. W. CHASE MEDICINE CO., Buffalo, N. Y., and Edmanson, Bates Co., Toronto, Ont., as a remedy for sores, eruptions, and skin diseases of all kinds, for which it has been used with marked success, and has effected remarkable cures in many obstinate cases which seemed to baffle the skilful medical attendant. The results were most favourable, proving the value of Dr. Chase's Ointment as a curative agent in the diseases named. The manufacturers of the remedy are well-known as experienced pharmacists, careful and reliable, in addition to which we have made full examination, and find the article to be all that is claimed for it. It is not the practice of the medical profession to indorse indiscriminately the use of proprietary medicines, but while we condemn the bad and worthless, we are still more ready to indorse and recommend the remedy deserving the recognition.

Neither the physician nor the responsible Journal of Health now refuses to acknowledge the claims of such proprietary remedies as Dr. Chase's Ointment, which prove their virtues by curing where other agencies have failed.

We know that Dr. Chase's Ointment meets all requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we indorse it to every reader."
