TO HANG FOR MURDER

WELLAND, Ont., Oct 27—(By The Canadian Press)—Convicted of the murder of Mary Holowchuk of Thorold, Nick Kozub of the same town was today sentenced to hang December 30. After a jury brought in a verdict of guilty, Mr. Justice Logie passed sentence.

Kozub was arraigned for the slaying of Peter and Mary Holowchuk. The first indictment read was that charging him with the death of Holowchuk's wife. He was convicted on this count. The prisoner took the verdict calmly.

Schooner Finds Two Bodies

CHETICAMP N, S., Oct 27—(By The Canadian Press)—Bearing the bodies of two drowned men, the schooner Catalogue, out of St. John's Newfoundland, was picked up on Sunday night twenty miles of Margaree Island. The derelict was towed into Grand Etang by the Schooner W. A. F. of Sydney, Captain William Fraser, and later brought to Cheticamp.

The Catalogue is a small vessel of about twenty tons, and it was considered probable had carried as crew only the two men whose bodies were found. They had apparently been dead some days.

Efforts to secure identification by wire from St. John's were being made tonight.

To End a Cough In a Hurry, Mix This at Home

To quickly end stubborn coughs due to colds, it is important to soothe the inflamed membranes, get rid of the germs and also to aid the system inwardly to help throw off the trouble.

For these purposes, here is a home-made medicine, far better than anything you could buy at 3 times the cost. From any druggist, get 2½ ounces of Pinex. Pour this into a 16 oz. bottle, and add plain granulated sugar syrup or strained honey to make 16 ounces. This takes but a moment, saves money, and makes a remedy so effective that you will never do without, once you have used it. Keeps perfectly, and children like it.

This simple remedy does three necessary things. First, it loosens the germladen phlegm. Second, it soothes away the inflammation. Third, it is absorbed into the blood, where it acts directly on the bronchial tubes. This explains why it brings such quick relief, even in the obstinate coughs which follow cold epidemics.

Pinex is a highly concentrated compound of Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest medicinal agents for severe coughs and bronchial irritations.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

13th P. E. I. Egg-Laying Contest

The Egg-Laying Contest at Charlottetown, P. E. I. closed on Friday October 23rd, 1931. This Contest which has continued for 51 weeks has been notable for several reasons. The pen winning this contest were second generation Barred Plymouth Rocks owned by William Sansom, Durham Bridge, N. B. with 2473 eggs and 2815.8 points They have also won by a good margin of points over the fourteen Contests in Canada. In most former contests British Columbia has had the high hens and the high pen but this year the Canadian Championship was won in the Prince Edward Island Contest crossing the Continent from the west to the east.

The ten birds in Mr. Sansom's pen all qualified for registration. One spare also qualified so that Monday eleven registered second generation birds were tattooed and shipped home. The pen of Barred Rocks owned by the Experimental Station at Fredericton, N. B. was second with 2268 eggs and 2514.5 points. Mr. James Tuplin's Barred Rocks from New Annan, P. E. I. were third with 2072 eggs and 22-62.3 points. Mrs. J. H. McPhail's pen of Barred Rocks from New Haven, P. E. I. was fourth with 2100 eggs and 2185.6 points. Mr. Daniel Cantelo's Barred Rocks from Beaton's Mills were fifth with 1957 eggs and 2156.5 points. Mr. John B. Poole's White Leghorns from Montague, P. E. I. were sixth with 1923 eggs and 2126.5 points. Mrs. Roland Easter's White Leghorns from New Wiltshire, P. E. I. were seventh with 1932 eggs and 2109.1 points. Mrs. Alfred Gorrill's Barred Rocks from Glenwood, P. E. I., was eight with 1897 eggs and 2069.5 points. Mr. Harold Laird's Barred Rocks from Kelvin P. E. I. was ninth with 1958 eggs and 2065.1 points.

The competition was so close between all the pens from the fourth to the ninth that only 142 eggs and 120.6 points separated these two pens with four others in between. William Sansom had the four highest hens and also won the sixth and ninth place. Hen No. 117 led with 271 eggs 322.7 points. Hen No. 111 was sixth but had the highest number of eggs 282 and 308.8 points. The Experimental Farm Charlotetown Barred Rock hen no. 74 was fifth with 267 eggs and 309 points. James Tuplin's Barred Rock hen no. 158 was seventh with 256 eggs and 297.8 points. The Experimental Station, Fredericton, N. B. Barred Rock hens Nos. 109 and 110 were eight and tenth respectively with 247 and 236 eggs and 292.3 and 279.7 points.

Eighty two hens in the contest qualified for registration of these, thirty six were second generation pullets. The pens leading were Sansom's 11. Fredericton Station 9. Mrs. McPhail 7. Poole, Mrs. Gorrill, Laird six each.

Tryon And Vicinity

Mrs. Ottie Kay of Kent County, N. B. is spending a very pleasant visit the guest of her parents, Rev. and Mrs. J. L. Lund, Tryon.

Many friends on P. E. I. will regret to learn of the passing of Andrew T. Clark, 72 prominent Pittsburg man, who died at his home 207 West Ninth Avenue, following a lingering illness. Death was caused by a complication of diseases, the most serious of which was chronic bronchitis. He had been ill for nearly two years, but his condition did not become serious until a month ago. Born April 22, 1859, in Central Bedeque, Prince Edward Island, Canada, Mr. Clark went to Pittsburg 29 years ago from Cheyenne Wyo. Shortly after his arrival there he opened a hardware store in partnership with L. N. Mosteller, 410 North Walnut. Sixteen years ago he entered the plumbing business, which was later taken over by his sons, Harry A. Clarke and Gibb Clarke, both of whom survive him. Mr. Clark learned the carpenter trade when he was seventeen years of age and in 1883 went to Cheyenne, where he worked at the trade until 1891. He was foreman of the carpenters when the Wyoming state capital was built in Cheyenne. In 1891 he formed a partnership with P. J. Black in the contracting business, in which he remained until he moved to Pittsburg. Mr. Clark was very prominent in Wyoming politics, serving in the second state legislature for the Republican party in 1892 and in 1893. He also served for several years on the Cheyenne City Council as chairman of the water committee. Memberships were held in the W. O. W. at Cheyenne, A. F. and A. M. at Pittsburg, the consistary at Fort Scott and the Methodist church. Survivors are a daughter, Mrs. Charles Mayer, 214 West Ninth Street, and two sons who live at the home, one grandchild and four sisters and one brother in Canada. The funeral services were in charge of Rev. O. F. Crawford. Interment was made in Highland Park cemetery. Mr. Clark requested before his death that no flowers be sent.

Rev. Mr. Nicholson of the North Bedeque United Church gave a very interesting address entitled "The Farmer's Place in Society" to the young People's Group of the Tryon United Church, at their regular weekly meeting on Friday evening, October 16 th.

Mr. and Mrs. Braden Jelly of Summerside were recent visitors to Tryon the guests of Mr. and Mrs. S. T. Clark.

Mrs. Giggie accompanied by Mr. William Peters of Victoria were recent visitors to Sandy Point, the guests of Mrs. Howatt Leard.

Mr. and Mrs. Frank Norton and daughter of Boston, Mass are spending a short visit on the Island, where they are the guests of Hon. J. H. and Mrs. Myers of Hampton, P. E. I. They intend leaving on Monday Morning by car for their home.

Mr. John Myers of Carleton was a Sunday visitor to Tryon.

Mr. Horace Mabey of the Bank of Nova Scotia, Albany spent the week-end at his home in Tryon.

The Misses Bertha and Leah Lord of North Tryon recently left for Charlottetown where they are employed in the Provincial Sanitarium.

Mr. and Mrs. Donald Bell of Tryon accompanied by Miss Betty Howatt were visitors to De Sable on Saturday.

Mr. and Mrs Keith Canfield and little son of Saranac Lake, N. Y. accompanied by Mrs. Brenton Canfield and son, MacKenzie, also of Saranac Lake, left on a return trip to their respective homes on Monday morning after visiting the different members of their families located here.

Mr. and Mrs. W. T. Bowness of Bedeque, their daughter, Miss Helen and Mr. Walter Bowness accompanied by Mr. and Mrs. Harry Horton of Summerside motored to Victoria and Tryon on Sunday.

The many friends of Mrs. Burpee Carr of North Tryon will regret to learn that she has been laid up for some time with a painful swelling in her face. It is hoped that she may speedily recover and be about again as usual.—D.

Strong Plea For Lighted Vehicles

(Canadian Press

HAMPTON, N. B., Oct 27—That Arthur Beyea, 25, Lakeside, N. B., farmer came to his death by being struck by a truck driven by Thomas Harrison Hall, of Saint John, on Saturday evening, near Hampton, was the verdict of the Corner's jury at an inquest held in the court house here before corner E. T. Kennedy, M. D., of Sussex, N. B.

The jury recommended that legislation requiring horse-drawn vehicles to carry light be immediately proclaimed and enforced.

Following the evidence the jury deliberated 25 minutes before bringing in the verdict.

Beyea's wagon was struck near his home by a truck carrying several Saint John Vocotional school students, returning to Saint John after a football game at Sussex Saturday afternoon.

Beyea was buried this afternoon at Smithtown.

FURTHER PARTICULARS— Basil Spence was drowned at East Tracadie, this county, on Monday evening when the motor boat he was operating foundered. The deceased who was a native of Bayfield, New Brunswick, had resided at East Tracadie for the past two years, where he had been engaged in fishing. On Monday morning he and G. D. Irving, of Cape Traverse, P. E. I., left East Tracadie for Havre Boucher in a large motor boat equipped with a 25 h. p. marine engine. They separated in Havre Boucher, Irving returning on foot, while Spence brought the boat back. Whipped by a strong gale from the north, the sea was running very high and spence anchored a short distance off shore. So high were the waves that though the boat was only some one hundred yards off shore it was lost to view at times by those on shore who thought that both men were still on board. Two East Tracadie youths were the last to see the unfortunate man alive. To obtain better view of the craft they ran to the home of Joseph Benis nearby where from an upstairs window they scanned the turbulent waters where the craft had been only a moment before. Seeing no trace of it they assumed that Spence who was regarded as a capable boatman, had suceeded in getting safely off shore and it was not till Tuesday morning that the people of the community realized that a tragedy had happened when the boat badly smashed and with the cabin and engine gone, was found piled up on the beach. Later one of the rubber boots that Spence was wearing and his cap were discovered. No trace has since been found of the body. The deceased was about thirty years of age and is survived by a widow and two children, living in Bayfield, N. B.—Truro News.
