NATIONALS WIN FROM 8TH BATTERY

Take First Game Of Softball Playdowns By 8-7 Score.

The highly reputed Borden Nationals went one up in the Island softball playdowns when they defeated 8th Battery last evening 8 to 7 in a hard fought game.

Ray Stull, tossing 'em up for Borden, had thirteen strike outs to his credit and was the main cog in the western machine, as they overcame an early three run lead to struggle neck and neck to the finish.

A fair crowd were treated to an excellent exhibition of fielding on both sides, as few errors were chalked up during the tilt.

The SNAPSHOT GUILD School Ahead! Pictures, Too!

Excitement is part of the picture at any football game. It's easily worth the missing of one play to get an over-the-shoulder shot like this!

ABOUT this time of year, school is in everybody's mind; not only students and teachers, but parents, aunts, and uncles.

And if there ever was a snapshotter's paradise, it's school. It may be a one-room school or it may be a great university. Wherever, whatever it may be, it's crammed with unbeatable picture possibilities.

Perhaps they are dazzled by the very wealth of the materials at hand. More likely, they assume that somebody else is going to take the pictures. And that's a fatal mistake.

First, about the right camera for school. Any camera will do, providing it is clean and in good order and uses a size of film that is easily available anywhere.

And in less exciting moments it is still a good idea to avoid "posed" pictures as much as possible. People standing up in a stiff line, gazing intently at the camera, simply don't look comfortable, that's all.

Tom Bridges

Right-handed pitcher of the Detroit Tigers, although not a giant in stature, has shown his ability to work successfully in an out of turn. Tom had won 19 and lost 11 games up to a few days ago, and is one of the leading strikeout pitchers in the American League.

Turn Back Brit. Challenge By Sweeping Five of Six Matches. (By Dillon Graham Associated Press Sports Writer) CHEVY CHASE, Md., Sept. 28.—Sweeping five of the six single matches, the United States Curtis Cup team today repulsed a spirited challenge by England's foremost feminine golfers and successfully defended the international trophy by point score of 6 1-2 to 2 1-2.

Strangely enough, it wasn't an English woman, but actually a veteran contender from the Irish Fr.: State who punched out the only triumph accredited to the British forces. In a closely-contested duel, Mrs. J. B. Walker, runner-up in the Irish championship this year, won 3 and 2 from Mrs. Anella Goldswain of Fort Worth, Texas.

Maureen Oroult, the long-hitting Englewood, N. J., veteran, authored the next most impressive United States win with a 4-and-2 decision over Miss Molly Gourlay. The United States champion, Virginia Vrn We, was one down to the former British titleholder, Diana Fishwick, through the first nine holes, but rallied on the homestretch to defeat her rival 2-and-1.

Charlotte Glutting, the young star from New Jersey, played the best golf of the series, finishing four over par to win from Wanda Morgan, and 2, Mrs. Coral S. Hill of Kansas City, turned in the last American victory with a three-and-two conquest of Diana Plumpton.

Freddy Perry, the Englishman who is on the top of the tennis world, has been offered \$100,000, by a motion picture corporation for a series of tennis shorts such as Bobby Jones made on golf.

We have seen stop watches that will register 1-10 of a second, but we were not aware until recently that S. Smith & Co., London, Eng. are the makers of a stop watch called The Chronoscope that makes possible timing of a second.

In the far away territory of Manchukuo over which Japan has assumed control, in the city of Delien its capital, last Monday, Ralph Metcalf, American negro sprinter touring with the American track and field stars which won a two day meet against the Japanese Athletic Association, registered a world's record for the 200 metre dash of 20.2 seconds.

One of Harvard's greatest track stars Eugene "Red" Record, has enrolled at McGill Medical School and will compete for McGill University in the hurdles and quarter mile at the Intercollegiate Championships this fall. Record had the distinction in 1932 of winning both the high and low hurdles at the American Intercollegiate Championships. He also ran as anchor man on the Harvard mile relay team which broke a world's record at the same meet. He therefore won a place along with Cliff Brickley and three or four other Harvard athletic immortals.

Since writing the above we have received further information regarding the hockey exodus from Ottawa. Here is the quota for the Maritimes, 15 stalwarts, Des Smith, Jerry McCabe, Yvon Renaud, Leo Bergant with the Abbies, Jack Draper, Ike Houston, Croseye Sherwood, Joe Shields (brother of Reg) Peck, Donald and Clint Benedict as coach with Saint John Beavers, Frank Graham, Frank Lavigne, Reg Shields, Bill Cowley with Halifax Wolverines, Charlie Marshall and Henry Matte with Moncton Hawks.

In addition to the above there is a likelihood of two more Ottawaans lining up with the Wolverines. For Europe, Eddie Gromall with Prague, Lou Bates to manage Wembley, London, Eng., Aub Bergen, Bobbe Walton, Edgar Murphy and

One of the greatest pacing races of the meeting was the Hilda S. A Game of Chance, Helen R. race in which there were eight starters. Helen R. won the first heat, Hilda S. the next two, then it went over to the next day and Hilda S. won.

One of the biggest speculating races of the meeting was the Dr. Sharper, Oakley H., Dora, etc. trotting race. Oakley H. won the first two heats, also the third, but was set back and the heat given to Dora. Dr. Sharper then came on and won the fourth heat.

It was the first appearance on a Halifax track of Mayor Todd and he won the 2:35 Trot easily in 2:25 3-4, with owner Hammond Kelly up. The 2:21 Trot was won by Oakley H. in 2:20 1-4 with Fred Cameron up.

An epidemic similar to typhoid fever is raging at Sarnia, Ont., and at last accounts ten horses had succumbed to the disease. The infection is prevalent only in the immediate area of the Sydenham River.

Our farmer friends should take a tip from the above and exercise care that no seepings from the source of drinking water used in the house or by his animals. Horses, cows, pigs, and foxes are all susceptible to paratyphoid which is often communicated by the above source.

The first 2:05 trotter was Nancy Hanks and she stepped into the limelight just forty-two years ago yesterday, and forty-two years ago today the first 2:05 pacer appeared in Masscot.

The fastest mile ever trotted by a three-year-old in a race on a half mile track was when Lord Jim 2:00 3-4 won the third heat and race at Carthage, Ohio, about two weeks ago in 2:05 1-2.

The double galloped race for a trotter and pacer over a half mile track was tied at Reading, Penn. Fair recently by Lawful Tip when he trotted in 2:05 3-4. Two years previously he had won at Allantown, Penna., on the pace in 2:05 3-4.

Eddie Coulter also with London. They will be team mates of Jack McArthur, Joy Beaton and Hynie McArthur. Our old friend, Kik McCann and his fiddle will be a resident of Gay Pares along with Jack Muzette. Kik will have a lovely time with his violin along the boulevards.

Cards, Giants In Closest Pennant Race In Years

Dizzy Dean Chalks Up 29th Victory Of Season By Blanking Reds. Both Teams Have Two Games To Play.

ST. LOUIS, Sept. 28.—Jerome Herman (Dizzy) Dean, who has backed up his superb confidence by doing practically everything one man could for the Cardinals, pitched the St. Louis Club right into a tie with the idle New York Giants for the National League lead with a 4-0 shut-out of Cincinnati Reds today.

Pitching with only two days of rest, Dean made the Reds look like the dizzy ones as he limited them to seven hits and struck out one for every blow. His victory was his 29th of the season, against seven defeats, and his sixth shutout. He received abet backing from his teammates in 12 well placed hits off Benny Frey and Allyn Stout.

As the result of today's victory the Cardinals and the Giants must struggle through the last two games of the season on even terms in the closest pennant race in years. St. Louis has two more games against the Reds and Manager Frank Frisch plans to keep tossing Deans at the tail enders until they are ready to cry quite. Paul Dean, Dizzy's younger brother, is slated for mound duty tomorrow and if that doesn't put the Cards ahead Jerome will try it again Sunday.

The Giants' two games are against an aroused band of Brooklyn Dodgers. So effectively did the elder Dean pitch today that only four Cincinnati runners got as far as second base and the Reds never succeeded in getting two hits in any one inning.

Frey was the victim of all the Cardinal scoring in three big innings in which Joe (Ducky) Wuncky, Medwick and Captain Leo Durocher led the attack. Medwick made three hits, including a booming triple that accounted for the first run and he and Durocher each drove in two tallies.

Despite the Cards' great rush into a contending position, St. Louis fans still failed to show much interest in the contest. The attendance, held down somewhat by threatening weather, was definitely announced as 6,500.

Result Of Matinee Races At Kensington Yesterday

RED BIRDS TAKE OPENER

The matinee races at Kensington yesterday marking the opening of a new race track on the farm of Mr. Myron McArthur were well attended. Close finishes with plenty of excitement prevailed at the meet.

Following is the result of the classes:

- CLASS A Winnie Winkle (McKenna) . . . 1 1 1 Alie Burnham (Simple) . . . 3 2 2 Dr. Medium (Perry) . . . 2 3 3 Best time, 2:17.
- CLASS B Happy Boy (Cockeman) . . . 1 1 1 Col. Mac (Ed Murphy) . . . 2 2 2 Happy Day (P. Day) . . . 3 3 3 Best time, 2:22 1/2.
- NAMED RACE Nell Grey (McArthur) . . . 1 1 3 Hamilton Boy (Ramsay) . . . 2 2 1 Capt. Peters (Holmes) . . . 3 3 3 Best time, 2:36.
- CLASS C Bill Worthly (Jardine) . . . 1 1 1 Peter Worthly (McKenna) . . . 2 2 2 Best time, 2:29 1/2.

start and Ed Geers, the famous trainer and driver, was unable to be present, so Ben who was acting as an assistant, was given the mount and won.

C. J. Hamlin the master of Village Farm, quickly saw the possibilities in young White and gave him plenty of chances to make good. By the way, C. J. Hamlin was remarkable in that he would not keep anything but beautiful horses. Unless a horse conformed to his ideas of beauty and symmetry he had no place at Village Farm.

We have before us The Horseman and Fair World Lexington Homecoming number of September 28th-October 4th. It is certainly a work of art. The various stock farms in Kentucky have one and two page ads with photographs of sires, also of yearlings which they offer for sale. Of course these yearlings are about a year and a half old and will be declared as two-year-olds on January 1st.

What strikes one on looking at them is the size and development they have. They actually look like aged horses. This is due to the way they feed at the great stock farms. Our horsemen breeders should take a tip from the Kentuckians and feed their colts and fillies, particularly if they desire to get anywhere in the futurities.

Did you notice Belfast, winner of the two-year-old class at the Provincial Exhibition, Charlottetown? He would be about on a par with the Kentucky two-year-olds. He is sired by Great Briton and raised in Nova Scotia, and is a living example of what can be done by feeding. Yes, gentlemen, we can grow them as large and as well developed in the Maritimes, but we have to hand out the feed to do it.

PENNANT RACE AT A GLANCE

St. Louis Cardinals threw the National League pennant race into a tie yesterday when they defeated the last-place Cincinnati Reds for the second time, 4-0, while New York Giants had their second successive day of idleness.

The Cardinal victory, scored behind the seven-hit pitching of Dizzy Dean, knocked off the half-game margin the Giants had enjoyed and left the rival clubs with just two games in which to decide their pennant race if they want to do it without a special play-off. The Giants resume their activities today against Brooklyn Dodgers while the Cards continue to face Cincinnati.

In any event the race cannot be decided until Sunday, the last day of the season, although a victory for one and a defeat for the other today would assure the winner of getting at least a tie for the flag. If they finish on even terms the teams will begin a three-game playoff series in St. Louis Tuesday.

The standing of the contenders: New York—Won 93, Lost 58, Percentage, .616; To play, 2. St. Louis—Won 93, Lost 58, Percentage, .616; To play, 2. LEXINGTON, Ky., Sept. 28.—Rain caused a postponement of the historic Transylvania Trot in the Grand Circuit races again today but not until after Prince Hall had won the second heat in 2:00 3-4, a world's record for four-year-old trotters in a race.
