"Hank the Yodelling Ranger" Scores big Hit at Empire

"Hank the Yodelling Ranger" Canada's "Ace" cowboy singer and popular radio favorite scored a smashing hit at the Empire Theatre yesterday when he opened a week's engagement at the Theatre in conjunction with the musical feature "Hi Good Looking." On the same program as added treats are the short features "Borrah Minnevitich and His Harmonica Rascals" and a sports reel entitled "South American Sports." Just one year ago "Hank" visited Charlottetown and on that occasion he also played the Empire Theatre where hundreds of his fans listened to his popular songs and cowboy skills. Last week "Hank" was a favorite at the Old Home Week festivities but last night he gained rounds of applause on presenting his complete program of music, jokes and cowboy stories. "Hank" will be on the Empire stage to-day and all this week with a complete change of program each day. Daily shows start at 2:30-7:00 and 8:45. Plan now to see this BIG stage and screen program featuring "Hank the Yodelling Ranger." Tell your friends about it for it's the Empire's star hit of the year.

DO YOU HATE TO GET UP IN THE MORNING?

Doesn't it feel swell to wake up in the morning clear-eyed, refreshed, full of pep? Yet so many, especially over 40, get up tired all over, with aching joints, never really feel their best.

The reason is often a common complaint—a system clogged with poisonous food waste. Like many people, you need help to clean out a sluggish system, get back pep and sparkle right away. The mild action of BILE BEANS is an effective aid thousands rely on.

Made from 10 pure vegetable extracts, Bile Beans are so gentle, yet so effective, they're called "The Medicine That Wakes Up Nature." These small, attractive liver pills, one up to 12, stimulate flow of liver bile, essential to good digestion and daily re-juvenation.

Why not enjoy that "glad-to-be-alive" feeling every day? Try Bile Beans tonight—they work while you sleep. Over 7 million boxes used last year, convincing evidence of how greatly they are helping others.
