—The latest news, first of all.

—Fred Inglis, Shediac, was a recent visitor to Summerside.

—A grand ball and supper was held last week by the Oddfellows in New-castle, N. B. Among those on the committee was Alderman L. B. McMurdo formerly of Alberton.

—There was an error in the fishery report of Campbellton which appeared on Saturday and it was caused in transmission over the telephone. The report should have stated that the fishermen expected to be landing lobsters on Saturday, not flatfish.

—The death of Andrew Forsythe occurred at the home of his nephew J. W. Forsythe, Alberton, on Friday last at the age of 85 years. Deceased was one of the first residents of the (dock) and few in that locality have attained such an advanced age. He was highly esteemed and is survived by a large circle of relatives. The funeral took place on Sunday afternoon to the Presbyterian Cemetery, Alberton.

YOU CAN CURE CATARRH.

J. H. Taylor, 54 Bond St., Toronto. Breathed Hyomei and Cured a Long Standing Case of Chronic Catarrh That Defied All Other Remedies. Also Toronto and New York specialists.

Without taking a drop of medicine into the stomach, J. H. Taylor, 54 Bond Street, Toronto, tells how the distressing troubles of Catarrh were overcome by simply inhaling Hyomei air. It's the history of tens of thousands similar cases on record, proving that Hyomei can be depended upon to cure Catarrh, Bronchitis, Coughs, Colds and Croup. It has no equal for any distress of the breathing organs.

Mr. Taylor says: "Some years ago while on a hunting trip in Northern Canada, I contracted a severe cold that settled in my head and finally affected my throat. It rapidly developed into catarrh and caused a miserable throat weakness. My head would become clogged during the night and there was a catarrh dropping from the nose into the throat. Many days I had been unable to breathe other than through my mouth, and the constant hawking and spitting was almost unbearable. I had been treated by the best throat specialists here and in New York, but nothing benefited my condition. I obtained Hyomei at Geo. E. Hughes, and soon found relief, the throat dropping ceased and my head began to clear. I continued with Hyomei for six weeks and after that time I was well in every detail. There has been no return of the trouble since, and I feel grateful in speaking well of Hyomei, as it cured me when all else failed." A complete Hyomei outfit costs \$1.00 and Geo. E. Hughes will refund your money if it fails to cure.

Wall Paper Enthusiasm

That our enthusiasm over our handsome new Wall Paper is shared by the public is evident from the hum of business, and the unusually large sales in this department, sales which far eclipse even those of last season, which was considered a record breaker.

Nor is this to be wondered at when one views the extremely handsome and artistic designs, at such very moderate prices.

Without doubt, we are now showing the largest and best selected wall paper stock ever shown here—bought direct from the best and most up-to-date Canadian manufacturers. The designs are all new and selected with care and discriminating taste, and the many new patrons we are daily adding to our list, proves conclusively that the public appreciate a really good article at a moderate price.

Besides these we have a small but exclusive stock of English velours in most artistic designs which are just what many households have been looking for. These are not included in our sample books so don't fail to ask to be shown them.

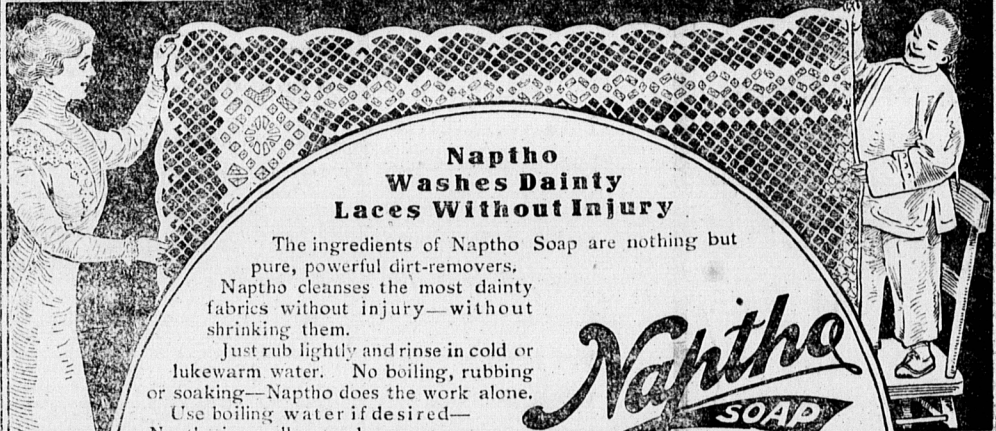

A notable feature this season is the increased number of mail orders being received from all over the Province. These receive prompt and careful attention, and are shipped out the first train following the receipt of the order. Samples are sent free to all requesting them. Just drop a postal, stating for what rooms required also an idea as to the color preferred, and about what price, and suitable samples will be sent free.

We have opened up a new era of wall paper selling, and if you are one of the few who have not yet bought from us, you will do yourself and us a favor by calling in and seeing our stock.

Large sample books will be sent and called for to any part of the City.
