Save The Children
In Summer When Childhood Ailments Are Most Dangerous.

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer. In most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets relieve these troubles, or if given occasionally to the well child they will prevent their coming on. The tablets are guaranteed to be absolutely harmless even to the new-born babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"DEATH AND BIRTH"—A good name is better than precious ornament; and the day of death than the day of one's birth.—Ecc. 7:1.

PRAYER—When our call comes, we gladly run as children free from school, to be at home with Thee, our Father.

THE ROCK OF AGES—Enter into the rock, and hide thee in the dust, for fear of the Lord, and for the glory of his majesty.—Isa. 2:19.

PRAYER—"Rock of Ages cleft for me, Let me hide myself in Thee."

MIDDLE-AGE

I'm not getting any richer in the days of minted gold. But the days are getting richer with the pleasures that they hold. For the joy of living deepens with the passing of the years, and man seems to get his bearing as his middle-age appears.

Oh, I've had my share of trouble, I have sipped life's bitter cup. But the home is filled with laughter now the kids are growing up!

I have done with youthful pleasures, but I've turned to other things. And there's not a day God gives me, but some interest its brings. There's something to be watched for, there's something just ahead.

A friend who may be coming, or a task I want to do— That I find a thrill in living in a world that's ever new.

So I give no sigh for pleasures that have lost their fire for me. Does it matter I'm no longer young as once I used to be? That my football days are over is a fact I long have known, But this life in place of football gives me other joys to own. And I come to every morning with some new delight in store, And I'll swear I'm just as happy as I ever was before.

Kid Gloves
Pure alcohol is preferable to gasoline for cleaning white kid gloves. It dries quickly and without the unpleasant odor of gasoline.

Tender Meats
A pinch of soda put in with the boiling meat or chicken will help to make it more tender.

Keeping Gnats Away
Camphor about the person is the best preventive against gnats, as well as the best cure for their stings.

Once An Attic—Now A Charming Third Storey

"WHERE will I put my guests?" How often has this question troubled you when relatives or intimate friends unexpectedly arrive?

Solve the problem now by converting your attic into a charming third storey with Gyproc. At slight expense, quickly and without muss, it can be made into a delightfully attractive extra room or two—just the space needed to relieve the situation.

Your carpenter will show how easily Gyproc can be installed, nailed to studs and rafters, with joints fitting perfectly into one continuous wall. With these Gyproc rooms, you can welcome the unexpected guest—and

you will have extra space for storage or for a children's play room.

Gyproc is the only economical Canadian-made Gypsum board on the market. It cannot burn, warp, crack or shrink. It takes any decoration. A perfectly smooth, even surface is assured by filling the joints with Gyproc Joint Filler.
