

# A Woman's Problem

## How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KESLING, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

Hughes, formerly of P. E. I., to Joseph C. Comeau, son of Chas. C. Comeau. The bride looked charming in a travelling suit of blue with white hat. Mr. Walter Rowe was the best man and Mrs. Rowe the matron of honor.

**A STRANGE MEETING.**—Miss Evelyn Arsenault received last week a letter from her cousin, Augustin, who is at the front. Mr. Arsenault had been on a furlough in England and while there had the honour to attend a grand dinner given in Augustin's name. The singular coincidence happened on this occasion, when he happened to meet Ernest Gaudet, whom at first he didn't recognize. Dr. Gaudet then informed him that his (Augustine's) brother Theophilus was in the battalion, Augustin at once requested that Theophilus brought him. One might better imagine than describe the pathetic scene that followed when these two brothers who had been separated for about nine years, met so far away and under such touching circumstances. Only a few months ago Augustin had been for a short time in the front, and he finally displayed to his brother, Theophilus would never have known him. The two brothers had then a long chat about home and other matters. It is worthy of mention, that besides these two brave sons now at the front, another brother, Aubin, has enlisted in Summerside, and a fourth, (Alphonse) who is away wrote to home of his intention of coming home to enlist.—M.

**SCHOOL WORK.**—The semi-annual examination of Hampton School was held on Friday, Jan. 14th. H. Myers, trustee. A large number of the parents were present, and expressed themselves as highly satisfied with the way in which the scholars acquitted themselves, which bespeaks good work on the part of the teacher, Mr. Lorne Lea, who at Christmas, was presented with a beautiful fountain pen by the scholars. After the examination the following program was rendered by the scholars: Opening address, Louise Cameron; recitation, Words of Welcome, Stella
