

A STRONG COMBINATION.

The advantage of an alliance between England and Germany is that the former supplements the splendid army of the latter with her powerful fleet, thus forming a combination too formidable to be rashly attacked by any power or alliance.—Baltimore American.

LIKE A KNIFE.

Such were the Terrible Pains of Sciatica in the case of Wm. A. Brown.

ROSEBROWN, N. B., Feb. 18.—Northumberland county has seldom seen such an extreme case of suffering as that of Mr. W. A. Brown of this place. Mr. Brown had Sciatica. He describes his case this way: "I had Sciatica so bad in my back and hips that I could not walk without suffering awful agony. The pains would shoot through my back with a sensation similar to running a knife through it. "I took Dodd's Kidney Pills. The first box helped me, and three boxes completely cured me. I have not since had the slightest symptoms of pain or ache. I think they are a wonderful remedy. I have recommended them to a number of other sufferers and have yet to hear of their failing to cure."

A WARNING.

To feel tired after exertion is one thing, to feel tired before is another. Don't say the latter is laziness—it isn't but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla. It's a warning, too—and sufferers should begin taking Hood's at once. Buy a bottle today.
