Fencebusters Win Way Into Nova Scotia Finals By Blanking Westville 5-0

Liverpool Evens Up Series With Yarmouth In Other Playoff Tilt.

(C. P. by Guardian's Special Wire) SPRINGHILL, N. S. Sept. 4.—Springhill Fencebusters shut out Westville 5-0 today and advanced to the finals of the Nova Scotia baseball playdowns. The visitors won only one game in the three-of-five game series.

Rugged fielding, Westville's fault in the third game of the minor's series here Wednesday when the Fencebusters won by a similar score, gave the Cumberland County champions five unearned runs.

That fault, coupled with the two-hit pitching of Purney Fuller for the winners, gave Springhill an easy victory, although Claude McLeod, former Cape Breton Colliery League hurler, allowed the Fencebusters only seven hits.

Until the eighth inning, Fuller, former schoolboy wonder, was not hit and only three Westville runners reached first base. Springhill scored runs in the third, fifth and eighth innings, all of them aided by Westville errors.

LEBLANC HIT HARD

LIVERPOOL, N. S. Sept. 4.—The shining Liverpool Pirates evaded their semi-final series in the Nova Scotia senior baseball playdowns against Yarmouth Gateways today by a smashing 11-7 victory over the Maritime champions. Each team has won a game, and the third, won by the Gateways, was ordered replayed following a Liverpool protest.

The Seaman was rushed into the game today to relieve his brother Dannie, who was finding trouble with the Gateway batters, and held the visitors down to one run while his teammates slugged out a commanding lead.

Copie Leblanc, one of the best port-siders in the Maritimes who has batted Liverpool in all his pre-playoff starts, was wallowed hard and often by the Pirates for 14 hits.

Al Young, lanky first baseman, led Liverpool's attack with a home-run that sailed easily over the right field fence.

Gateways struck the stride that carried them to the tri-province title last year in their half of the fifth, sending brother Dannie to the showers with a five-hit attack that brought four runs across the plate.

Rain Again Halts Tourney

Games scheduled for last night in Holy Redeemer Tennis Club's tournament were again called off on account of rain. One match in the mixed doubles, the only one started, was halted when only a few games had been played. Play will be resumed to-night if weather conditions permit.

GAME HALTED ON ACCOUNT OF DARKNESS

Darkness robbed Stewart's Bakery team of the opening victory in the City Softball League finals last night when Umpire Nels Whitlock was forced to call last night's setto with two out in the last of the eighth, and the Bakers leading the Battery 13 to 7. Previous to the game the managers had agreed that the game must go a full nine innings.

Piling up a 6-0 lead in the first three innings Battery seemed destined to pull a surprise but the Doughboys collected three in the fourth and from then on kept hitting in the pinches to assume their lead. On the other hand the Army was held scoreless from the third to the eighth. They had runners on but Stull was too good in the pinches.

Leslie And Evans Both In Great Condition For Monday Night's Title Fight

Everything is in readiness for Monday night's heavyweight title bout between defending champion George Leslie of Souris and challenger Jim Evans of Kensington.

Both fighters complete their training grinds today and both are in superb condition and just waiting for the bell to send them into action. The champion seems to be a slight favorite to retain his crown but at fight time it appears likely that odds will be even. The odds however mean nothing to either boy. They are going in there determined to win at any cost and fans can rest assured that they will witness a scrap that will provide thrills and action every minute the gladiators are fighting. While boxing followers are divided on the question of who will win they nevertheless are unanimous in the opinion that the scrap will wind up with either one of the boys on the floor.

We watched the champion go through a stiff workout yesterday and as usual George had little to say about the outcome. But just as he glimpe at his tanned, splendidly conditioned body and one finds out that he has left nothing undone in preparation for the fight. Again he will enter the ring in perfect shape and ready for any kind of fight which his opponent chooses to make. The champion is proud of his Island title and will take an awful pounding before a challenger will take it away from him.

And then we viewed the challenger in action and again we were impressed. Not with any extraordinary boxing ability being shown but with the air of confidence that surrounds the camp of Evans. Rapidly gaining a host of followers throughout the western section of the province, Evans too looked to be in wonderful condition. He was throwing his punches fast and accurately with plenty of sting and snap, to them and appeared far ahead of the boy that won the recent tournament. He wouldn't venture an opinion as to the outcome either but that he will do his very best and will fight every minute of the way.

The Forum again presents a busy appearance as final preparations are being put on the battle pit. Carpenters and electricians are busy as beavers getting everything in shape. Ringside seats have all been placed and now all that is wanting is a big crowd and that want is sure to be filled Monday night. Interest in the fight is higher than in any preceding scraps and it wouldn't be surprising if the Forum is packed to the rafters by 8:30 Monday night.

RYERSON DEFEATED BY WEBB

(A. P. by Guardian's Special Wire)

SUMMERSIDE, Sept. 4.—Wrestling enthusiasts were treated to a revival of the grunt and groan sport last night at the Summerside rink with two good bouts, complete with all the grips and tortures associated with the game. The main bout between Charlie Webb, 207 pounds, and Geo. Ryerson, 185 pounds, former middleweight champion of the United States, produced a rugged and scientific battle with the former having a decided edge, taking two straight falls by means of a drop kick and body press in 28 minutes and the second by an Indian death lock in 14 minutes.

The opening bout between Vic Butland, well known Maritime performer and Frank Getz of Springfield, Mass., was a thriller, packed with plenty of action and violent outbursts that smacked of a real grudge battle. After wrestling half an hour, the time limit, the bout was declared a draw and both fighters received a big hand as they left the ring.

The bouts were efficiently handled by Wallace Scantlebury, who pleased the crowd many times throughout the first encounter by using force to break the fighters in the clinches.

Charlie Webb, the winner of the main bout has had a wide experience in the wrestling game, having fought London, Shikat and Strangler Lewis and until recently was a trainer in the camp of Danno O'Mahony, the former world champion.

Between bouts Geo. Leslie, Island heavyweight champion, and Stan Biggar, Charlottetown, were introduced by Jim Pendergast.—S.

Yanks Need But Seven More Wins

(A. P. By Guardian's Special Wire)

NEW YORK, Sept. 4.—The American baseball league race, already narrowed down to six clubs, became a five-team affair today with the elimination of Boston Red Sox.

Although New York Yankees are virtually conceded, the pennant there is still a slim mathematical possibility for the Indians, Tigers, Senators and White Sox to catch up if the New Yorkers should go into a tremendous losing slump.

The Red Sox were counted out of this group by their defeat at the Yankees' hands today, following the Browns and Athletics who fell three weeks ago.

The Yanks, meantime, need just seven more victories out of their 23 remaining games to clinch the flag.

Stewarts And Battery Monday

(A. P. by Guardian's Special Wire)

Stewarts and Battery meet again Monday night in the City Softball League finals. With Friday night's game declared "no contest" both teams are still on even footing and anxious to chalk up the first victory.

Batteries for both teams will be the same with the same umpires officiating. Game starts at 8:30 and all players are asked to make an earnest effort to be on time.

Moncton Team Evens Up Series

(C. P. by Guardian's Special Wire)

MONCTON, N. B. Sept. 4.—Moncton Giants tied up their New Brunswick semi-finals baseball series with Saint John Maroons here tonight, defeating them 11-7 in the fifth game of the three-off-five affair. A sixth game will be played in Saint John tomorrow to decide which club will enter the provincial final with the St. Croix Club of St. Stephen and the right to meet the Nova Scotia champions in the Maritime title.

To date, Maroons and Giants have won two games each, with one tied. With the score all even at 7-7 at the end of the seventh, Giants went on a batting spree in the eighth, adding four runs and sending the series into a deadlock. J. Lutes, for Moncton, blasted out a home run in the eighth with two mates on bases.

Score by innings: Saint John 000 002 000 7 12 4 Moncton 000 105 14x 11 13 5 Batteries: Moeckler, Hannah, Damery and Cronin; Bourque, Wall and D. Lutes.

Local Dodgers Beaten 5-2 In Second Game Of Island Playdowns

Losers Score Only Earned Run Of Keenly Contested Encounter. Next Game Set For Wednesday.

SUMMERSIDE C. Y. M. L. Juniors last night took the lead in the Island playdowns when they defeated the visiting Holy Redeemer Parish Dodgers from Charlottetown 5 to 2 in the second game of the series. The first encounter played at Charlottetown last Tuesday had ended in a 10-inning 4-all draw.

Although hampered by inclement weather the youngsters played spectacular ball throughout the keenly contested game with the issue always in doubt up to the final out. The winners were out 8 to 6 but their steadiness in the field paved the way for their victory the visitors committing several costly errors with men on the bases. It has been a characteristic of the winners to score nearly as many runs as they made base hits and last night proved no exception, the box score showing six hits and five runs. The losers scored the only earned runs of the game in the opening inning when Blanchard doubled to left after Coyle and Connors had singled, to score both runners.

First C. Y. M. L. run came in the second frame, Henry Landry scoring on an error at third. With the Cuts 4-1-2 game the Holy Redeemer squad went on a wild throwing spree, allowing E. Arsenault and R. Clow to score on one hit and three errors. The final scoring of the game came in the 7th when I. Clow and A. Clow crossed the plate on another base hit and two Holy Redeemer errors.

Features of the game were the steady playing of the C. Y. M. L. infield, A. Clow and H. Landry being particularly brilliant, two nice catches by A. Landry in left, a long triple to right by E. Arsenault in the third and the heavy batting of the Holy Redeemer squad.

Francis umpired the game to the satisfaction of all.

The next game in the series will take place in Charlottetown on Wednesday and the final if necessary at Summerside on Friday.

PIRATES BLANKED BY FRENCH

PITTSBURGH, Sept. 4.—(AP)—The third place Chicago Cubs picked up half a game on the National League pacesetters here today by trouncing Pittsburgh Pirates 8-0 before Larry French's seven-hit pitching.

With the league-leading New York Giants and second place St. Louis Cardinals idle, the victory left the Cubs 4-1-2 game back of the New Yorkers and half a game away from the gas house gang.

The victory was French's 17th of the season. He was opposed at the start by Bill Swift, but Mace Brown was called on to finish up after he had given up a dozen hits in the 28-0, and Liverpool Pirates got a good start in the Lunenburg Queens County championship, by defeating Lunenburg All Stars in the first of a two-or-three game series.

TRENTON TEAM WINS COUNTY TITLE

HALIFAX, Sept. 4.—Nova Scotia's softball playdowns were well under way tonight with the first round series completed, a county championship declared and another one begun in play today.

Senators Move Into First Division As Yankees Bat Out Win Over Red Sox

NEW YORK, Sept. 4.—(AP)—While the baffling slumps of Lou Gehrig and Joe Dimaggio sent them through another hitless day today, there was nothing wrong with Tony Lazzeri's hitting eye, and so New York Yankees trounced Boston Red Sox 9-6 in their Boston series opener.

Lazzeri connected with one of Fritz Ostermuller's slants in the fourth inning, with two men on base, and drove out his 13th homer of the season to account for three runs, the margin by which the Sox were downed.

The victory boosted the Yanks' league lead to 17 1-2 games over the idle second-place Cleveland Indians.

Johnny Murphy started for the Yankees, and received credit for the win, but had to be relieved by Pat Malone in the seventh after Benny Fox's 36th homer of the campaign sent three Boston runs across and blasted him off the mound.
