COLCHESTER, CO., N. S., April 28.—At the home of her brother-in-law, Mr. Daniel Langill, on the 25th inst., Georgina E. McKenzie, of South Granville, was quietly called at the hour of 4 o'clock p. m., to her long home in the world beyond, after a lingering illness which she endured patiently until the end. Medical skill and kind attendance were all in vain, as a voice was calling her home. She was not ashamed to own her Lord. She had a favorite in the 116th Psalm. Friends show much sympathy and kindness. The funeral, at which a good number were present, took place at 10 o'clock a. m., on Thursday, 27th. The service was conducted by the Rev. Mr. Dimock, also Mr. Baker, a home missionary, spoke briefly and to the point. After the service the body was taken in regular order, accompanied by a number of friends in their carriages, to Downey's Cemetery, east New Annap, where it was laid to rest in a conspicuous lot.

LOVE'S FLOWER GARDEN.

In Love's Flower Garden there is the full-blown rose of married happiness and the holy perfume of joyous motherhood for every woman who takes proper care of her health in a womanly way. For the weak, sickly, nervous, despondent woman, who suffers untold miseries in silence from weakness and disease of the delicate organs concerned in wifehood and motherhood, there are only thorns, and to her the perfume of motherhood is the aroma of death. No woman is fitted for the responsibilities of wifehood and the duties of motherhood who is a sufferer in this way. Every woman may be strong and healthy in a womanly way, if she will. It lies with herself. She needs, in the first place, a little knowledge of the reproductive physiology of women. This she can obtain by securing and reading a copy of Dr. Pierce's Common Sense Medical Adviser. It contains 208 pages and over 300 illustrations. It tells all about all the ordinary ills of life, and how to treat them. Several chapters and illustrations are devoted to the physical make-up of women. It tells how to treat all the diseases peculiar to women. It gives the names, addresses, photographs and experiences of hundreds of women who have been snatched from the verge of the grave to live happy, healthy lives by Dr. Pierce's medicines. This book she can obtain free. It used to cost \$1.50, and over seven hundred thousand copies were purchased by women at that price. Over a million women now own copies. For a paper-covered copy send 31 one-cent stamps, to cover cost of customs and mailing only, to World's Dispensary Medical Association, Buffalo, N. Y. For cloth-binding, send 50 one-cent stamps.
