City Court meets this morning at ten o'clock.

George W. McPhee, M. L. A., City, left yesterday on a trip to New York.

The Moncton Star of April 29th, extends congratulations to J. K. McInnis, Regina, on his 57th birthday. Mr. McInnis is a native of this city.

J. A. G. and Mrs. Ellis, Montague, and F. T. Robertson and wife, P. E. Island, were among those registered at the Dufferin Hotel, St. John, Monday.

On Sabbath the 30th., ult. in the Methodist churches at Pleasant Grove, Stanhope and York Rev. J. L. Watson of Winsloe preached to large congregations. His sermons were much enjoyed and the choir did excellent service at the York church.

The Providence, R. I., correspondent of the Westville Free Lance says: James T. McAuley passed away on Easter in the Massachusetts General Hospital in his 29th year. His remains were sent along to St. Peter's, Prince Edward Island, on the 7.30 p. m. train last Monday night, where he was buried at his old home.

A gloom was cast over New Glasgow and surrounding districts when H. Binns received a telegram recently from Piquet City, Manitoba, announcing the sad death of his sister, Maggie Florence, beloved wife of Charles Silliphant and daughter of the late John Binns, New Glasgow, which occurred on the 17th of April in the thirty-third year of her age. She leaves to mourning a sorrowing husband, five little children, the baby being only two weeks old, four brothers, two sisters—Hamilton, New Glasgow; Wildon and Wellington, in Boston; Richard Alexander, Manitoba; Mrs. J. C. Stevenson, New Glasgow; and Mrs. Ambrose Silliphant, Hunter River.

The Victoria Colonist, referring to the death of Mrs. John Smallwood of this city, whose funeral occurred recently, said: At Lunenburg, Saskatchewan, on April 19, Mrs. John Smallwood, of Charlottetown, P.E.I., passed away at the ripe old age of eighty-five. Four years ago Mrs. Smallwood came to Victoria to visit her daughter, Mrs. (Captain) Richards, of Caledonia avenue. While here, the bright, active old lady made many friends by her kindness and cheerfulness. About a year later she went to live with her daughter, Mrs. Metcalfe and her children, in Lunenburg. She was in her usual health until Saturday, April 15th., when she was attacked by paralysis. Mrs. Smallwood is survived by one son, Charles R. Smallwood, of Charlottetown, and three daughters, Mrs. Thomas Richards, of this city, Mrs. Metcalfe, of Lunenburg, Mrs. Phillimore, of Moncton, N. B., several grandchildren, and three great grandchildren. Her body was taken home to be laid beside those of her husband and son.

Miss Margaret B. Haslam, Springfield, P. E. I., has returned from a teaching tour in the Canadian North West. Miss Haslam, telling of her experience in her profession in the West, relates some of the difficulties encountered by those from this province who essay to pursue their calling in other parts. On obtaining a permit of but two months in Manitoba on her P. E. I. first class license she journeyed farther west, going to Saskatchewan, where at Regina, the Department of Education has headquarters. The proper way to obtain information there of schools is at the Court House where all the current newspapers are on file. Miss Haslam utters a word of warning to the unsuspecting stranger who gets into the hands of some of the teacher's agencies there, unless they are wise enough to have a written agreement signed by the trustees of any district before engaging. Otherwise countless difficulties may be encountered. In Saskatchewan P. E. I. first class license entitles one to teach for one year Saskatchewan Class III, and by watching western papers one might keep posted as to vacancies, etc. Information as to the school in Winnipeg may be had from Mr. McIntyre, Superintendent of City Schools, who is considered the best authority. The country schools of Manitoba offer but inferior conditions and salaries compared to the farther west.

The groom was ably supported by his brother Alex. Ferguson and the bride by Miss Lottie Inman. All the members of the bridal party are from Prince Edward Island. The ceremony was performed by A. N. Simpson, B. A. M. and Mrs. Ferguson's home for the present will be suite 14, Johnson Block, Cor. Young and Sargent Sts., Winnipeg.

The semi-annual examination of Darlington School, was held on Friday afternoon, April 28th. The trustees and a number of the rate-payers being present. The pupils were examined in the various subjects, by D. E. Campbell, Sec'y of the school, and by their teacher Miss Myrtle Noy. The manner in which the questions were answered was a credit to the pupils and also showed that they must have had careful training. Those present expressed themselves as well pleased with the work done since the last examination. At the close, quite a long programme of recitations and readings was well rendered by the pupils and much appreciated by all.

Riflemen throughout this province will be interested in the fact that a number of changes have been decided upon by the executive for the Dominion Rifle Association matches in August. This year the matches are open to members of H. M. Canadian Navy. Rifle targets are to be used at 200, 300 and 500 yards. The dimensions for the 200 and 300 yards will be bull seven inches, inner, fifteen inches, magpie, twenty-four inches, and the remainder of the target four feet square. In the 500 yards figure target, the dimensions will be bull, twenty inches, inner, thirty-two inches, magpie, forty-eight inches, and six feet square. The figure target will also be used in the Borden match at 600 yards and in the military matches. The first range in the Governor-General's match will be at 300 yards instead of 200 yards. The prize list in the judging distance competition has been increased to forty-six prizes instead of twenty-six prizes, and \$250 instead of \$160. A new match has been added, namely, the City of Ottawa Coronation Match, for individuals and teams. The ranges are 800 and 900 yards, with team prize \$50 and cup individual first prize, gold medals to be presented by the corporation of the city of Ottawa. In addition \$1,000 in cash prizes will be added to the match by the D. C. R. A.

SAVED ONLY BY "FRUIT-A-TIVES"

CLANBRASSIE, ONT.

"Two years ago, the doctor made forty-four calls on me, and then said he had done all he could for me. I was suffering with intense Kidney Trouble and Inflammation had set in. Two other doctors were consulted and agreed that nothing could be done to help me.

On the recommendation of a neighbor, I took "Fruit-a-tives" and they cured me. To-day, I take "Fruit-a-tives" as my only medicine. I am in excellent health, and "Fruit-a-tives" is the medicine that cured me after I had been at Death's Door for months.

I am glad to be able to give you this testimonial. It may benefit some other woman suffering as I suffered, as I believe that I would not be alive to-day had I not used "Fruit-a-tives".

Mrs. P. E. WEBBER.
"Fruit-a-tives"—by its marvellous action on the kidneys—completely restores these vital organs to their normal strength and vigor—and cures every trace of Kidney Trouble. "Fruit-a-tives" is the only medicine in the world made of fruit.

ELEVEN DEAD IN TERRIBLE WRECK

EASTON, Pa., April 30—Three persons lost their lives, eight are missing and believed to be dead, and half a hundred others were injured yesterday afternoon, on the Delaware Creek (N.J.), in a wreck of an excursion train carrying 170 school teachers and friends from Utica and Syracuse (N. Y.), and vicinity to Washington for a week's outing. The train was first derailed by the Delaware and Western Railroad, and occurred while it was travelling at a high rate of speed over a stretch of track controlled by the Pennsylvania railroad. The locomotive jumped the track and the cars tumbled over and were set on fire by the exploding of oil, the wrecked coaches having side-swiped an oil tank along the track when the left rails.

The entire train was quickly enveloped in flames and completely consumed by the fire. The eight missing persons, seven of whom were women and lived in Utica, are believed to have been burned to death in the wreck. The finding of charred bones led the railroad wreckage crews to the conclusion that they are dead. The most seriously injured were retained to the Eastern Hospital, where two of them, Miss Eleanor E. Rutherford, a Utica teacher, and Charles M. Pearson, of Stroudsburg (Pa.), a Pennsylvania railroad conductor, died last night, while W. M. Vanoy, of Trenton (N.J.), engineer of the train, succumbed early this morning.

The physicians at the hospital said late tonight that most of those in the hospital will recover. The cause of the wreck has not yet been determined. The place where the accident occurred had been undergoing repairs and unfinished work may have been responsible for the train leaving the track.

Vice-President Sherman was to have given a reception for the teachers in Washington and it was reported that he was on the ill-fated train. Later, however, it was learned that he had remained at home in Utica and would leave for Washington tonight.

GOV. PELLETIER, OF QUEBEC, DEAD.

QUEBEC, April 30—Lieut.-Governor Sir C. A. Pelletier passed away at Spencer Wood at 1 o'clock on Saturday afternoon. His honor, who had had several bad turns since his return from Atlantic City, had rallied somewhat on Friday and was able to sign some state papers. During Friday night, however, he again began to sink and it was realized that the end was near. His honor died surrounded by the members of his family to whom he gave his blessing prior to his passing away.

KING GEORGE WILL PLAY GOLF AGAIN

LONDON, April 26—It is said that while the court is at Windsor King George will devote some of his attention to golf. It is some years since he played the game, but he is now being urged by his elders to devote himself to it again.

Both the Prince of Wales and Prince Albert are very keen golfers, as they showed during their recent stay in Cornwall, and they are anxious that their father should join them occasionally. There is a private nine hole course in the grounds of Windsor Castle, and considerable attention is now being paid to this in preparation for the Court's arrival.

The course is an easy one and has been described as "one long putting green," so smooth and level is the turf. But further artificial bunkers are being laid, in order to make it a little more sporting. Though Queen Mary does not play she is very much interested in the game, and the Castle links are often used by the daughters of Prince and Princess Christian of Schleswig-Holstein and Prince and Princess Alexander of Teck when they are stopping at their home in the Henry VII. tower of the Castle.

TWO BIG WAR VESSELS LAUNCHED YESTERDAY.

LONDON, May 2—The Conqueror, Great Britain's twentieth dreadnought was launched on the Clyde yesterday. This vessel is the third contingent battleship ordered in December, 1909, when the Admiralty came to the conclusion that Germany was accelerating her programme for the same type of warships. The battleship Cruiser "Princess Royal" was also launched.

TERRIBLE ACCIDENT IN THE RIVER ST JOHN.

EDMUNSTON, N. B., May 2—Five persons were swept to death last evening, in the rushing waters of the St. John River as a result of the breaking of a wire cable which held a scow used as a ferry between the Canadian and American sides of the river.

The list of the dead includes a Frenchman named Herbert, a Frenchman named Dufort an unknown man, two lads named Masbovits and Phillips.

The scow was attached to an overhead cable. Owing to a very swift current resulting from high tides, it was thought unsafe, but was still in use.

About seven o'clock the men and boys, with a man named Daigle, embarked on the American side, and were crossing the river when the cable broke and the wire striking the scow swamped her. All occupants were thrown out, but Daigle managed to cling to the scow until rescued, although in a very exhausted condition. He was still unconscious and his life despaired of.

The others were thrown some feet from the scow and swept down the river by the rushing current.

The terrible accident was seen by a number of Edmunston residents from their windows, and the alarm was quickly given. But it was almost impossible for any small boat to attempt to rescue the struggling men and boys as they were swept down the river at a great speed and, with the exception of Daigle, all sank and perished.

Daigle was brought to shore where everything possible was done for him. The bodies have not been recovered.
