SUFFERED FOR SIX LONG YEARS

Then Dodd's Kidney Pills Cured Mrs Richard's Diabetes.

Her Rheumatism Also Vanished When Dodd's Kidney Pills Put Her Kidneys in Condition to do Their Work.

EAST CHEZZETCOOK, HALIFAX CO., N. S., June 21.—(Special).—Cured of Diabetes and Rheumatism from which she had suffered for six years Mrs. Boniface Richard, well known here, is joyfully telling her neighbors that she owes her health to Dodd's Kidney Pills and to no other cause.

"My Rheumatism and Diabetes were brought on by a cold and a strain, and though I was attended by a doctor he could not help me. After suffering for six years I made up my mind to try Dodd's Kidney Pills and to my surprise they did me good almost at once. Two boxes cured me completely. I recommend them to everybody as a sure cure for Diabetes, Backache and all other Kidney Diseases."

Dodd's Kidney Pills cured Mrs. Richard's Diabetes because Diabetes is a Kidney Disease, and Dodd's Kidney Pills cure all Kidney Diseases. Mrs. Richard's Rheumatism was caused by her diseased kidneys failing to take the uric acid out of her blood. When her kidneys were cured they strained the uric acid out of her blood and her Rheumatism vanished.

THE MORNING PAPER

Some Reasons Why it Makes the Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, and the like, is her constant companion. The Morning Paper is her daily life long, and it is when she is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, and other necessities show up on the plain, and there could be no more opportune time for a dealer to tell about the new designs, the new styles and the bargains offered for the day or week.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of the family an opportunity to read it. The Morning Paper is read at the breakfast table, again at home at noon, on the road, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee.

It is a known fact that throughout the world, possibly with a few exceptions, the papers with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to put in his goods will secure his best interest by placing his announcements where the women will read them.

By Our Formula BAD ODORS

arising from excessive PERSPIRATION

We produce in Hood's Sarsaparilla a medicine that has an unapproached record of cures of Scrofula, eczema, eruptions, catarrh, rheumatism, anemia, nervousness, that tired feeling, loss of appetite, etc.

The combination and proportions of the more than twenty different remedial agents contained in Hood's Sarsaparilla are known only to ourselves, so there can be no substitute.

This medicine makes healthy and strong the "Little Soldiers" in your blood—those corpuscles that fight the disease germs constantly attacking you.

It is very repellent. Nothing will thin out your circle of friends quicker. Bad odors of the feet or armpits is not due to neglect, but is the result of a disease. Frequent bathing or frequent change of hosiery or undergarments will not stop the bad odors. To remove the nauseating odors permanently, it is necessary to remove the CAUSE.
