In this Matter of Health one is either with the winners or with the losers. It's largely a question of right eating—right food. For sound health one must eat out rich, indigestible foods and choose those that are known to contain the elements that build sturdy bodies and keen brains.

Grape Nuts is a wonderfully balanced food, made from whole wheat and barley. It contains all the nutriment of the grain, including the mineral phosphates, indispensable in Nature's plan for body and brain rebuilding. Grape-Nuts is a concentrated food easy to digest. It is economical, has delicious flavours comes ready to eat, and has helped thousands in the winning class. 'There's a Reason' Canadian Postum Cereal Co., Ltd. Windsor, Ont.
