DEATH yesterday morning called away Mrs. Morris, wife of Mr. Harvey Morris. Deceased had always enjoyed good health and her death at the early age of 29 years was the result of fever and will be regretted by a large circle of relatives and friends. For some weeks the deceased lady had complained of a little indisposition but upon a physician being summoned it was found her disease was more serious and that slow fever had set in. Mrs. Morris was the possessor of an amiable and happy disposition. She was a kind hearted and true friend and those who knew her universally loved and admired her. Mrs. Morris was a daughter of Mr. Artemas Enman, Vernon River and resided for some time in P. E. I. THE GUARDIAN sympathises with the grief stricken husband and two little children.

OBITUARY.—At Greenmount, Lot 2, on Wednesday, Oct. 9th, Pearl, beloved daughter of Josiah and Annie Hamill, aged 14 years. She was a sweet gentle child, and was greatly beloved by her associates and friends. But it was in the home that the sunshine of her presence was most felt and appreciated, till cruel disease laid his chilling hand upon her and stopped the music of her young life. But not forever. In that fairer clime beyond the reach of disease and death, chords that are broken will vibrate again, swelling eternally the glorious song of the Redeemer. The funeral service was conducted by the Rev. A. D. McDonald of Montrose. Much sympathy is felt for the family in their sore bereavement.

Our Father in His wisdom called
The boon His love hath given;
And though on earth the body lies
The soul is safe in heaven.

TORONTO, Oct. 17. (Special.)—Strong winds and gales.

LONG LIFE INHERITED

This statement you can prove by investigation. When a person whose ancestors had long lives dies in middle age you can in nine cases out of ten trace the cause to disordered kidneys and consequent suffering from Bright's disease, rheumatism, fatty heart or dropsy. Dr. Chase's Kidney-Liver Pills prevent and cure these fatal and painful diseases as no other preparation was ever known to do. One full dose 25 cents a box.

Avoid Exposure

Keep the chest, back and throat warm, and there will be little danger of colds, coughs, pneumonia, chest or lung troubles.

FROST KING Chamol's Vests for Men and Boys

FROST QUEEN Chamol's Vests for Women and Girls (Tailor Made)

Are made to keep the entire upper portion of the body warm—the throat, chest and back. Made of Chamol's skin, the best "cold-resistor" known. They hold the heat, and keep out the cold. Woven fabrics do not give security in changing climates. These Vests will keep you well, and help you to enjoy the winter days.
