RED PIMPLES ITCHED TERRIBLY

On Chest, Face, Arms, Burned Badly. Cuticura Heals.

"Ever since I can remember, my chest, face, and arms were filled with dry, red pimples. They were scattered all over me, and itched terribly at times, and I scratched them, causing them to fester and get sore. Sometimes they would dry away and form scales which burned badly.

"Then I used Cuticura Soap and Ointment. I had used them two or three times when I felt better and I was healed with one box of Cuticura Ointment together with the Cuticura Soap." (Signed) Miss Berna Kane, Russell, Manitoba, February 19, 1919.

Use Cuticura Soap and Ointment for all toilet purposes. Soap to cleanse, Ointment to heal.
