HANDKERCHIEFS.

Handkerchiefs. What kind of a store would a store be if it didn't hold hundreds and thousands of Christmas handkerchiefs? We've turned our handkerchief department into a snowstorm of daintiness many times, but never before in all the past days and seasons numbered in our history, have we equaled the endeavors that have culminated in the display that awaits you. Here are the kinds the men like—simple, moderately proportioned squares of linen, patterned and bordered, or as plain as most matter-of-fact men want. And (and here we speak of gift things that will enthrall the most critical of women) on every side you'll see handkerchiefs that will make you change your mind in a hurry, if you've planned any other gifts.—Jas Paton & Co. 12-23drl

CARPETS AND RUGS

A good rug will brighten the home. A good rug will add brightness to any room in the house at Christmas time, and it will furnish as suitable a gift as can be bestowed upon any household. Suggestions from our rug floor include dozens of new patterns and almost any color and price. Jas. Paton & Co. 12-23drl

FURS.

Come and revel in the furs. Can you, or any one else, even imagine a more superb gift than richly luxurious furs? And you mustn't think for a moment that, because the delightful furs that we have assembled fully deserve the adjectives we use, they are all necessarily costly. The cost of a muff, or a scarf, or a jacket, or a comfortable set, does not at all govern its beauty. For a small sum you will find it quite possible to select a gift that will be, in all ways, charming and satisfactory. (And the white wool ruffs for little children will solve many a vexed problem, at 25,—35,—45,—60c. Jas Paton & Co. 12-23drl)

HANDKERCHIEFS.

A great handkerchief store. As we have mentioned before, this is a great handkerchief store. How broad and varied is the selection, but very few really appreciate. It's only by going direct to the manufacturers and buying (to please ourselves that we can get these splendid assortments. And only by buying in immense quantities can we raise the standard of values high as is represented by Paton's prices and Paton's qualities. Illustrative of the breadth of selection, here are dainty little Irish lawn handkerchiefs at how much think you? 25c. And on the other extreme perfect little gems of real lace, for as much as \$1.00 each. 12-23drl

MEN'S CLOTHING.

It is doubtful whether there ever was a finer line of men's sack suits than we are showing this fall. The house of Paton & Co, with their enviable reputation as sellers of the finest garments for men, have surpassed themselves in this season's showing. The cut and the fabrics ring true to the latest metropolitan styles, without even the slightest suggestion of the undesirable extreme so common in the product of other makers. All Paton's suits and overcoats are justly priced—worthy garments of full value. Men of good taste and good judgment, in dress prefer Paton's clothes to any other. We invite your most careful inspection—5 00, 8 00, 12 00, and 15 00. 12-23drl

BOY'S CLOTHING

Boy's Christmas suits. We've the premier line of boys suits shown in town. Suits that are just as well tailored as the clothes that father wears, and every bit as stylish. The only difference is the materials. The materials our boy's suits are made from are the most durable made and they'll stand with ease the rough usage they get on the school grounds. Yes they are not expensive; not quite so much as other dealers ask for the poorer qualities. Jas. Paton & Co. 12-23drl

FURS.

FURS are wonderfully beautiful this season, and they have now reached such perfection in handling that clumsiness and undue weight have been avoided. Molekin, mink and fox, will be favorites for either short or long stoles or ruffs, beautiful mink will be used for throw scarfs and muffs. The scarfs will be worn thrown over the shoulder or tied in cravat fashion. As a rule the muffs are larger and squarer than ever. James Paton & Co. 12-23drl

FURNITURE.

Morris chairs are cordial helps toward the rest one wishes to enjoy in the evening after the day's work is done. Before an evening fire, or beneath the soft lights of lamps, with a good book—but picture the scene yourself! And then make up your mind that a Morris chair is the very gift you are going to give! Jas Paton & Co. 12-23drl.

\$50,000,000 FOR ADVERTISING.

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figure would reach fifty million dollars.—Newspaperdom."

Yet James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest his money in ability will never attain a fortune.
