

The Central Guardian

IT PAYS to buy in this Province.

ALL ODDFELLOWS are requested to meet at the Lodge-room to-morrow at 2.30 to attend the funeral of W. N. Riggs.

SACRAMENT AT CHURCHILL.—The Sacrament of the Lord's Supper will be dispensed at Churchill on Sabbath next, the 25th inst.

C.D.C. MEETING.—A meeting of the Charlottetown Driving Club will be held this evening to arrange for the matinee horse races Monday afternoon.

SUMMER SCHOOL CLOSING.—The session of the Summer School for teachers now being held in the Prince of Wales College will close this evening with a public meeting in the Assembly Hall at 8 o'clock. A good programme is provided. The public are invited.

WHO GOT THE CAKE.—That beautiful cake which was set up by Lottery at the League of the Cross picnic Monday and concerning the final disposal of which so much interest was manifested fell to Miss N. Martin. As to what happened to the cake after that the records are dumb.

CENTRAL CHRISTIAN CHURCH S.S. PICNIC.—The picnic of the Central Christian Church, which was held at Westville yesterday, proved a fine success. A large crowd attended, which were conveyed from the city by a number of motor boats. Refreshments were served on the grounds and sports and various pastimes were indulged in. The picnicers returned about 10 o'clock all pleased with the splendid afternoon's outing.

WATERFORD.—The semi-annual examination of Waterford School was held on June 29, and the large attendance of parents and visitors showed the interest taken in the school by the people of that district. The pupils by their prompt and ready answers to the difficult questions of their examiners, Miss Evelyn Gaudet, Miss Lauretta Nelligan, teachers of adjoining districts, and Miss Hilda Macdonald, showed the careful training they received from their teacher, Miss Hazel Callaghan. The manner in which they acquitted themselves during the programme of recitations and songs also reflected much credit, both on themselves and on their teacher. At the close of the examination, very complimentary remarks were passed by many of the rate-payers, and a vote of thanks was tendered to the teacher for the very progressive work done during the past year. Miss Callaghan was then presented with a beautiful gold bracelet and a kindly worded address.

ICE CREAM AND TENNIS.—Every one in the city who plays tennis should try the St. James courts on Tuesday next. Open all day. Half-an-hour for 10c. Strawberrys and ice cream served from 4 p.m. till 10 p.m.

DELEGATES TO NATIONAL DIVISION.—Many of the delegates to the National Division return to their homes this morning, while a number remain for a few days to enjoy the salubrious air of the Garden of the Gull.

MEETING AT THE ARMOURIES.—All members of No. 3 Battery P.E.I. (H.C.A.) are reminded of the meeting at the Armouries tonight at 8 o'clock. All members must attend. Urgent business. By order, C. L. McKay, Major.

GOOD EXAMPLE.—Messrs. MacLellan, McLean, Limited, of Souris, yesterday telegraphed \$1,000 to the Minister of Militia to purchase a rapid fire gun for the Canadian forces. This is an example that might well be followed by others in the province who have prospered in business during the past few years.

Montague for 25th—fifty cents return fare.

The Schooner "Raeburn" is discharging a cargo of Inverness Peat Coal at Geo. E. Pulls Coal Yard. 2213-7-23M31.

CONVENTION OF WOMENS INSTIUTES

The closing session of the Women's Institute Convention was held in the Prince of Wales College Hall Wednesday morning, Mrs. J. A. Clarke presiding. The first speaker was Prof. J. A. Clark of the Experimental Farm, talking as his subject "The Improvement of the Home Grounds." Mr. Clark considered that there was great improvement in the homes and grounds on P. E. I. during the last few years. In improving the grounds of any home, the speaker said that three distinct points must be noted. First, a careful survey of the home grounds should be made, observing what is wanted, and what should be removed. Secondly, a definite plan should be made to serve as a guide for all work. Thirdly, special care should be taken to make a good lawn. A well made lawn will last for years. This was followed by detailed directions regarding the making of a lawn, the planting of shrubs and flowers. The members present showed their interest by asking questions and Mr. Clark responded in his capable and efficient manner. The next on the programme was a very instructive address on "Bee Keeping" by Mr. Morley Pettit, Provincial Apiarist of Ontario. Mr. Pettit referred to Ontario where ten thousand persons were engaged in bee keeping. The conditions on P. E. I. are similar to those of Ontario for raising bees and making up the honey crop. Therefore the speaker considered the prospect excellent for having this industry promoted on this island. A contract was then made between the money made by this industry and the money school teaching, showing that the former could be raised to as high a level for money making purposes as the latter, and at the same time affording a pleasing occupation for the boys and girls on the farm. Mr. Pettit then dwelt at length on the habits and care of bees. An interesting discussion then took place. The chairman then called on Hon. Commissioner of Agriculture, Mr. MacKinnon to address the meeting. Mr. MacKinnon regretted that owing to unfavorable circumstances he was unable to be present at the opening session. He expressed his pleasure at seeing so many delegates present, and congratulated them on the splendid work done by the Institutes. Mention was made of the excellent work done for the schools etc. Mr. MacKinnon considers the Institute the most important and influential body in the community. He feels that this work deserves all the attention and consideration possible. While he regrets there is not an Institute in every community, he hopes to see the work advance ten-fold in the coming year. The Dept. of Agriculture is doing a great deal to help along the work. A domestic science kitchen is being opened up both in Charlottetown and Summerside and not only Institute members but others as well will be given an opportunity to attend the classes held during the winter months. Mr. Reek was the next speaker on the programme. As the time allotted to him had been taken up his remarks were brief but forcible. He spoke in a general way of the value of system both in the home and on the farm. Mr. Reek has noticed the lack of system in farm homes both in regard to the planning of the work and the use of up-to-date appliances. He considered that through the work of the Women's Institute the work of the home could be simplified and much more comfort enjoyed. One of the interesting features of the morning programme was the Question Box to which the delegates freely contributed. After the opening of the box, the questions were read alternately by Messrs. Sterns and MacFarlane, and answered by the delegates or supervisor. Unfinished business was then taken up by Mrs. Dunbrack. A hearty vote of thanks was then tendered Mrs. Dunbrack and her associates by Mrs. D. Wright, Montague, for their efforts in making the convention a success. After the singing of God Save the King the meeting adjourned.

(Special to The Guardian) LONDON, July 22.—The British occupied Sukesh Sheyuykh on the Euphrates River, Arabia, and according to an official report issued to-day are now attacking the Turks who have taken up a position below Naslaryh.

IN MEMORIAM

MRS. ARLAND B. TOLAND.

The funeral of the late Mrs. Toland, nee Mrs. McKee, took place from the residence of her uncle Wm. Munn Esq. on Friday July 11th, and interment was in the Calvin Presbyterian Church Cemetery. The deceased lived in Framingham U. S. where her husband is engaged in the printing business. She had just gone to the hospital for treatment when she died suddenly of heart disease. It was her desire to be buried on the Island and her body was accompanied by her husband and two little sons aged five and four years respectively. The services at the home were performed by the Rev. John MacLellan, Minister of the First Presbyterian Church and here by the Rev. D. McLean. She was a daughter of the late Wm. McKenzie and passed away from earth at the early age of 37 years. Some beautiful wreaths were placed on the casket by her kind and loving friends. Much sympathy is expressed by the neighbors and friends not only for the husband and two little children but for the mother who is now on the declining side of life, yet the promise is sure "Wait on the Lord; be of good courage, and He shall strengthen thine heart: wait I say on the Lord."

THOMAS M. HYNDMAN.

Mr. A. W. Hyndman received last night by telegram the sad news of the death of his brother, Thomas M., of Regina, Saskatchewan, who died yesterday morning, announcing that he was very ill of typhoid was the first intimation the family here had of his illness, and the letter was followed a few hours later by the announcement of his death. The telegram, which was brought by the doctor in attendance, stated that his mother was with him at the time of his death and that his brothers, James D., and Harry, were expected to arrive last night. The deceased was in the prime of life, 37 years of age and had been in training for over a year at Sewell, Manitoba, when he contracted the disease which terminated fatally. He had been for seventeen years manager of the Bank of Ottawa, and about three years ago resigned to take up the lumber business, residing at Regina. His sudden and tragic death was a heavy blow to his mother, sisters and brothers, and in their great sorrow they have the sincere sympathy of all. The sisters are Mrs. (Dr) Bagnall, Charlottetown; Mrs. J. D. Langton, Far Rockaway, N.Y.; Mrs. Bayfield, Edmonton; the brothers, C. W. and A. W. W. Charlottetown; J. D. Judge of the Supreme Court of Alberta; Harry, barrister at Edmonton; and Charles A., also in Edmonton. The late Mr Hyndman left Charlottetown twenty years ago and has since resided in Western Canada. To the bereaved mother, sisters, and brothers the Guardian tenders sincere sympathy.

MISS MACMILLAN.

The removal of Miss Celia McMillan from this terrestrial sphere demands more than a mere passing notice. As the Proprietress of the Lennox Hotel she formed the acquaintance of many both of her native province and from foreign lands. Her illness which was of a painful and lingering nature was very patiently borne. Although in the prime of life and surrounded by all

that could make life pleasurable yet with a firm belief that the Sovereign Disposer of all things would do what was best, she cheerfully resigned all to Him believing that He would make all things work together for good to those who love Him and thus made the separation from loved ones less painful. All that medical skill and all that loving friends could do could not prolong her stay, and on the morning of the first day of July her gentle spirit was called to the Eternal world. On the third the funeral took place, the solemn services being performed by the Rev. G. C. Taylor, Dr. T. Fullerton and D. McLean. The pall-bearers were Dr. S. N. Robertson, James A. Robertson, Leith Brecken, W. B. Robertson, Colonel Moore and John T. McKenzie. Interment was made at Brackley Point Miss McMillan was in the forty ninth year of her age at the time of her decease and leaves to mourn their loss three brothers, Duncan of Cymbara James D. of Sydney and Wm. M. of Brackley Beach, and four sisters Mrs.

H. Hooper and Mrs. Francis Mutch Charlottetown, Mrs. Charles Seaman, Brackley Beach, and Miss Margaret, Charlottetown. "And I heard a voice from heaven saying, write, Blessed are the dead who die in the Lord from henceforth: yes saith the Spirit, that they may rest from their labours; and their works do follow them."

MANY ITALIANS LEAVE CANADA TO FIGHT

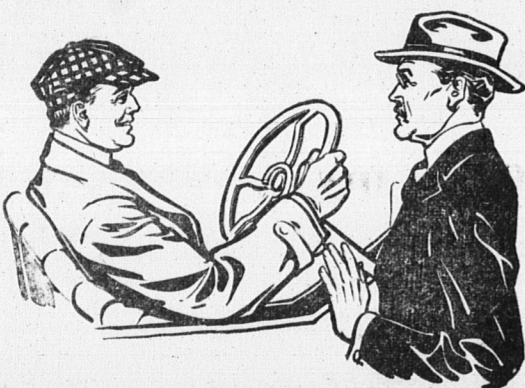

MONTREAL, July 22.—In answer to the first call to arms issued ten days ago to Italians in Canada, two hundred and fifty men left the city this morning for New York, en route to take part in the war, waving flags and apparently delighted with the prospect of striking a blow for their country.

Chevalier G. Chilesotti, Consul for Italy in Montreal, said today that from this city alone, whose Italian colony numbers fifteen thousand, approximately one thousand men would be called upon at the present time, while four thousand would be about the number from the whole Dominion required to return to their country immediately. The men will leave in parties of a hundred and fifty, two hundred or two hundred and fifty, according as trans-Atlantic passenger accommodation is available.

"There are plenty of soldiers in Italy now," said the Consul, "and though the military age is between twenty and forty years, only the younger men are being called upon from Canada now—those between twenty and thirty-five. Most of the men who went to-day are under thirty, but some were older, and the party included men nearly forty years old, who were anxious to go."

SLIGHT RUNAWAY.—A horse became scared on the street yesterday near the Apothecaries Hall Corner and for a time made things look blue for the driver. The animal shied at an auto and in its efforts to get into the air broke the shafts of the carriage and finally started for a run. He was captured without serious damage, except to the carriage, which was considerably broken up by collision with a lamp-post.

SALVATION ARMY PICNIC.—The picnic of the Salvation Army, which was held Wednesday, was a fine success, notwithstanding the unfavourable weather. Much thanks and appreciation is due to Mr. L. Wood, who stopped running his mills to accommodate the large crowd. Four tables were loaded time after time with the best of everything that could be desired. Many were in attendance from the surrounding districts, some coming fifteen miles. Everyone returned home in the best of spirits. Bridalier and Mrs. Taylor, also Eusign Clarke from St. John, were there and enjoyed themselves to the fullest extent.

Too Nervous To Drive a Car?

That's too bad, old man, but you know nervousness is largely due to wrong habits of eating and drinking. If you would quit tea and coffee and use Postum your nerves would steady up. Postum has a delicious, snappy flavour and there's no drug in it—that's where it's got tea and coffee beat a mile. Sound advice. More and more, people are waking up to the harmful effects of caffeine—the drug in tea and coffee—a frequent cause of nervousness, heart flutter, dizziness, headache, and other ailments.

Instant Postum

is the soluble form of the original Postum Cereal. A level teaspoonful of the crystalline powder in a cup of hot water makes a delicious food drink instantly. 30c and 50c tins.

The convenience of Instant Postum is seen at a glance, but some prefer the original Postum Cereal which must be thoroughly boiled—15c and 25c packages. Grocers sell both kinds and the cost per cup is about the same.

A change from tea or coffee to Postum has been a good thing for thousands.
