DEPARTURE REGRETTED.—His many friends are sorry to learn Rev. Mr. Atkinson has decided to sever his connection with the churches at Hazelbrook, Cross Roads and Alexander and has accepted a call to a large church in his home province of Nova Scotia. During his three years residence in Hazelbrook he and his family have won the love and respect of the whole community.

Cheverie, Infantry officially reported admitted to General Hospital, Rouen, August 9th, gun shot wound in thumb." Pte. Cheverie enlisted with the original 105th and was afterwards transferred to the fighting 26th. It is sincerely hoped that his wound will not prove serious.

TO MILL MIXED GRAINS.—In order to save for human consumption the large amount of wheat and barley which have been grown together this year in many parts of Ontario, and thus to relieve the demand on wheat, mills are being prepared, under the direction of the Canada Food Board, for milling such mixed grains. Fall wheat was partly winter-killed in certain districts in Ontario, and it was found necessary to raise the land with barley. As a result, many farmers will have mixed barley and wheat which cannot easily be separated commercially except at undue cost. It is the intention of the Canada Food Board to standardize the flour manufactured from these mixed grains, and to give it official recognition as a substitute for wheat flour. The aggregate production of these mixed grains is estimated at about 1,000,000 bushels.

"CIVILIZATION" is mammoth and scenically a master production. Toronto Telegram. See it at the Prince Edward today.

UNLICENSED GROCERY BUSINESS CLOSED.—For conducting a business as retail grocer without a license from the Canada Food Board, the store of H. Arpin, St. Joseph de Sorel, P. Q., has been closed until such time as a license is procured. It is the intention of the Canada Food Board to deal in a similar way with all other establishments who should have a license and are found doing business without such.

MAYOR WRIGHT IN HALIFAX.—A Halifax Exchange says that Mayor G. D. Wright, of Charlottetown, is in the City and leaves for home tomorrow. His Worship, who has been doing good recruiting work at Charlottetown for the Royal Air Force, arrived Saturday night by motor from Amherst, where he and Messrs. Zinc, Olive and Whelpley, who came with him, attended the annual meeting of the Funeral Directors' Association. Mayor Wright succeeded ex-Mayor Brown, so well known here, in office.

TOURIST TRAFFIC HEAVY.—The St. John Standard says that the tourist traffic is at present above the average was the opinion expressed by a railroad man last evening. Monday's train going east at 12.50 o'clock had eleven coaches and each was filled to its capacity. The train leaving Halifax Monday morning for St. John had fourteen coaches and extra cars were put on at Oxford Junction in order to handle the traffic. Among the passengers were thirty French sailors whose vessel was recently wrecked off the German submarine off Sable Island. The men are enroute to New York. The other passengers were mostly tourists bound homeward after spending their vacation in Nova Scotia and Prince Edward Island. The next six weeks is predicted as a busy one with tourists returning home and in view of this the steamer Northumberland is to remain on the route between Point Du Chene and Sumnerville.

FORMER ISLANDER.—Miss Jessie C. Hazard daughter of Mr. Walter Hazard formerly of Charlottetown has been on the staff of the Canadian Bank of Commerce in Lake Saskatchewan for the past four months. Miss Hazard is a talented elocutionist. She still continues to give readings in the west in aid of the Red Cross. Her brother William has been in the Bank of Commerce for three years as accountant and is frequently being Acting Manager of Ponce Coupe. Miss Dorothy Watts another Charlottetown young lady, daughter of Capt. Watts, formerly organist of the Methodist Church Charlottetown is also on the staff of the same bank.

McDOUGALL - COMPTON WEDDING.—The marriage of Miss Emma Compton, daughter of the late Mr. John Compton and Mrs. Compton, Bangor, to Mr. Peter McDougall, son of Mr. and Mrs. Colin McDougall, of Charlottetown, was quietly solemnized on Wednesday afternoon by the Rev. Ewen MacDougall, at his residence, 33 Pleasant St. The bride was becomingly attired in navy blue chiffon velvet, with black picture hat. The groom is a returned hero, having been wounded in the battle of Hooge. After the ceremony Mr. and Mrs. McDougall drove to their home in Morell. Their many friends join in wishing the gallant young soldier and his bride abundant happiness.

WEDDING BELLS.—St. Dunstan's Cathedral was the scene of a pretty marriage at 8 o'clock yesterday morning, when Miss Carrie Coyle, daughter of Mr. and Mrs. William Coyle, Sydney Street, became the wife of Mr. J. Francis Coady of Newton Cross, son of Mr. and Mrs. James Coady. The bride who was tastefully attired in a Copenhagen blue suit, was attended by her sister Miss Evelyn Coyle who was gowned in navy blue silk. Mr. John Coady, brother of the groom who lately returned from overseas acted as groomsmen. Rev. Maurice McDonald performed the ceremony in the presence of the immediate friends and relatives of the bride and groom. The wedding march was rendered by Miss Lucy Blanchard, while Mr. W. J. Brown contributed a delightful solo. The gifts received were numerous and beautiful testifying to the popularity of the newly wedded.

KILLED IN ACTION.—Rev. Ewen MacDougall, conveyed the sad news yesterday to Mrs. John McPherson of Wood Islands, that her husband John McPherson, was reported killed in action in France on the 8th instant. John McPherson enlisted in the 105th Battalion and after his arrival in England was for a time attached to the Military Police. Evidently he was subsequently sent to the front and is another of the brave sons of Prince Edward Island to fall on the field of battle. What makes the case of peculiar sadness is the fact that his wife Mrs. McPherson, is at present under treatment in the Prince Edward Island Hospital for a very serious ailment and the shock of her husband's death it is feared, may be attended with grave results to her. Besides a widow, there are left two little children—a boy and girl, the youngest being only two years old. The late John McPherson was formerly a fisherman and also proprietor of a threshing outfit in Wood Islands. He was a young man of fine physique and excellent character, and was a son of Mr. Alex McPherson, who is still living. The news of his death will be learned with genuine regret throughout that section of the country. He has given his all for his country and his memory will be revered not only by his own family and relatives but by all who knew him.

MAGNIFICENT FILM PICTURE.—As a war picture, indeed as a picture of any class, "Civilization", produced yesterday and to be repeated this afternoon and evening, is probably the most realistic and thrilling yet shown in the Prince Edward. As a war picture it surpasses "The Birth of a Nation", portraying war on land, in the air, on the sea and under the sea. Submarines submerging, rising to the surface and firing torpedoes, the sinking of an ocean liner, the bombing of cities from airplanes, actual movement of troops in the field, cavalry charges and indeed all that goes to make war on a gigantic scale, are shown with a realism that is truly wonderful. A pretty romance, ingeniously developed, runs through the war story and adds to the interest. No description of this wonderful picture would do it justice. Everybody should see it, either this afternoon or evening. Yesterday's large audiences are loud in praise of the picture and declare they would not miss it at any cost. Don't miss it.
