Unequaled Values In New Fall Dress Fabrics

We have been specially fortunate in securing a stock of new Fall dress fabrics and suitings, which are not only beautiful, but decidedly economical as well. At 49 cts per yd. we show a handsome assortment of suitings in two-toned stripes and chevron effects which cannot be equalled, and which would be considered cheap in most stores at 60 cts a yd. At 75 cts, \$1.00, \$1.35 to \$2.00 per yd. we have values which are simply irresistible, and which will at once appeal to women of discriminating taste. Many beautiful shades of blue, brown, green, garnet, and grey are shown, in serges, venetians, broadcloths, self-stripes, fancy and chevron effects, while a full line of blacks in plain and fancy—as well as handsome tweed effects are also here. Our values warrant business in the dress goods dept' going with a hum, and indeed this is what is actually taking place, as never before has there been such a large demand at this early season. We invite the ladies to call and inspect, goods will be shown cheerfully and courteously. Come today. M. TRAINOR & CO. The fashionable dress goods store.
