

YARMOUTH, Aug. 17—Delightfully cool and sunny weather greeted the delegates to the United Baptist Women's Missionary Union which convened here today in annual session, the meetings being held in Zion Union Baptist Church. Delegates from New Brunswick P. E. I., and Nova Scotia to the number of 165 have registered during the day. At 9.30 this morning a preparatory service of prayer commenced the proceedings. At ten o'clock the President, Mrs. D. Hutchinson took the chair. After roll call the recording secretary, Miss Clara Fullerton, of St. John, read the annual report which was very satisfactory in every way. She also read the report of the corresponding secretary, Miss S. W. Hume, of Dartmouth. An address by Miss Friel, one of the new missionaries to India brought the morning session to a close.

At 2.30 the "Quiet hour" conducted by Mrs. W. V. Higgins preceded the resuming of business. Following this an able address of welcome was read by Miss Eudora Hilton, of the local society which was responded to by Miss Slipp, of St. John. Then followed the annual address by the President, Mrs. Hutchinson. The next number on the programme was a solo by Mrs. Ross Blackadar, of Port Maitland. The treasurer's report (Mrs. May Smith, of Amherst) showed that the splendid sum of \$22,801.91 had been collected during the year. The remainder of the afternoon was taken up with the reports of the Provincial Secretaries. The evening session at eight o'clock was occupied with addresses by Miss S. E. Hall of the Grand Ligne Mission, by Miss Helms Blackadar and Miss Eva Depraizer.

TWENTY-THREE SOCIETIES IN P. E. ISLAND.

The report of Mrs. A. A. Wadman, secretary for Prince Edward Island, showed twenty-three societies. In the home land there is one physician for every six hundred persons, while there are only eight hundred and fifty medical missionaries among more than a thousand million heathens, not one to a million. Does the church spend ninety-five per cent of her gifts on work in America and only five per cent in the heathen world? These are startling facts, says the report, but the province has commenced to give. Financially the province is a little below last year.

Greetings were received from sister societies, Mrs. Perry representing the Methodists, Mrs. Jenkins, the Congregationalists, Mrs. Clements, the Episcopalians, and Miss Rae Wilson, the Presbyterians.
