MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

If cross, feverish, sick, bilious, clean little liver and bowels

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue Mother! If coated or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

WINTER WILL NOT HALT ALLIES

WASHINGTON, October 23.—Military experts here do not expect winter to halt the great allied drive against the Germans in Flanders. Secretary of War Baker's weekly review of war operations issued last night, discloses the belief of the War Department that potency of material and men will enable the British and French commanders to triumph over natural obstacles and continue forcing the enemy backward without waiting for spring.

MRS. A. A. McPherson.

The subject of this sketch, Mrs. Alex. A. McPherson, (nee Mary McLeod), Grandview was born 71 years

ago. She bore for months an illness of a very severe nature. In this she was sustained in a remarkable way by Christian fortitude and an implicit faith in her Saviour. Everything possible was done by physicians and the tender ministrations of friends, but she passed away on Oct the fifth. Mrs. McPherson was the mother of seven children, one son, Angus Allen was accidentally killed in Montana some years ago. Her husband, three sons and three daughters survive her. Her children are Mrs. John McPhee and Mrs. Malcolm McPherson, Bellevue; Roderick and John in Quincy Mass; Daniel S. and Marina at home. The daughter Miss Marina came home some months ago to assist the daughter-in-law Mrs. D. A. in the care of the mother, in what proved to be her last illness. Two brothers and two sisters also survive the deceased, John R. McLeod of Grand-

view, Malcolm McLeod of Bellevue; Mrs. John McLeod of Grandview and Mrs. Malcolm McDonald of Lyndale. The funeral service was held in the home on Oct. 7th conducted both at the home and grave by Rev. Wm. McLeod, whose words of comfort and warning were appreciated and thoughtfully considered. Her remains were laid away in Valleyfield Cemetery. The spirit of a faithful wife, a true mother, a kind friend and devout Christian had passed on to hear the "well done" of her Master. Patriot please copy.

OH for Toothache.—There is no pain so acute and distressing as toothache. When you have so unwelcome a visitor apply Dr. Thomas' Electric Oil according to directions and you will find immediate relief. It touches the nerve with soothing effect and the pain departs at once. That it will ease toothache is another fine quality of this oil, showing the many uses it has.
