

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side with cramps, growing worse each year until I was all run down. I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women as I am glad to recommend the medicine."—Miss H. A. GOODMAN, 14 Rockvale Ave., Toronto.

Those who are troubled as Mrs. Goodman should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound. Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

BAD ROADS.—A correspondent writes that there are some very dangerous bridges on the road between Cardigan and Dundas, broken away and holes in them, also a piece of road fronting on the farm owned by Mr. P. O. Rice, that is next to impassable and this road was in the same condition last spring and was utterly neglected. Now the people in this particular section are not very enthusiastic over paying such big taxes to build spurs in other parts and having this road, one of the most used roads in Kings County in such a state and they are told there is to be nothing done on it this summer.

FARMINGTON AND VICINITY.—Mr. Alphonso Larkin is spending his Easter holidays with his aunt, Mrs. Phillips Bulger, Mrs. George Burrage was in Selkirk recently on a business trip—Mr. John A. Russell has returned from Nova Scotia—Mr. McLane, Able Head, purchased a valuable horse from Mr. Edmund Flynn recently for which he paid a large sum. The subject discussed at the debate last week was, which cause the most misery war or intemperance. Mr. James Bulger, presided as chairman. A large number took part in the discussion the subject being one of more than ordinary interest, the decision arrived at was that war caused the most misery. The subject chosen for next week is Which yields the most influence, wealth or Talent. D.

BAY FORTUNE NOTES.—The Presbyterian congregation held a very enjoyable supper and social gathering at the home of Mr. and Mrs. Wm. R. Coffin on the evening of March 22nd. A large number were present and the evening was very pleasantly spent in music, singing and social conversation. The object of the gathering was very ably explained by Rev. E. Lockhart. Ice Cream and candy were served and an excellent supper was served. A vote of thanks was tendered Mr. and Mrs. Coffin for the use of their beautiful home in a well worded speech by Capt. U. G. Dawson. The sum of \$66.00 was realized for the P. E. Island Protestant Orphanage.—P.

IN MEMORIAM

LAURA O'BRIEN

At Cardigan on Sunday, March 6th after a short illness, Laura O'Brien, at the age of 28 years, daughter of Patrick and Mrs. Mary O'Brien, Cardigan. Deceased has been living with her brother-in-law, Mr. Daniel Shephard, for the past five years, where she tenderly cared for his young children whom death had robbed of a mother's love. Laura was of a kind disposition and will be much missed in the home where she performed a noble work. She was attended in her last illness by the pastor, Rev. Fr. Gillis who administered to her the last sacred rites of the Roman Catholic Church. She leaves to mourn, a father and mother and one sister, Mrs. White, Georgetown. Her funeral took place on March 7th, to All Saints Church, Cardigan, and despite the bad condition of the roads was largely attended. Much sympathy goes out to the bereaved parents, brothers and sister who have so often within a short time been called upon to bare the loss of one of their family. May her soul rest in peace.

MR. JAMES REID

The death of Mr. James Reid of Bay View, Hope River, took place on the 31st, March, after a few weeks illness. Mr. Reid was well and favorably known, not alone in the community in which he was born and resided, but in different parts of the province. He was an extensive and successful farmer, and the owner of one of the finest properties in this flourishing district. He was of a genial, kind disposition, and to visit his hospitable home was always a pleasure to his many friends and acquaintances.

His many acts of kindness and courtesy will long be remembered by a host of friends. He leaves to mourn their loss, a family of three sons and six daughters. His wife having predeceased him about one year; also one brother, Michael Reid in Avondale and three sisters, viz. Mrs. Harrington in California, Mrs. Reid in Mass., and Mrs. Keaveney in Charlottetown. The funeral was held on Saturday morning last, a large procession of mourners following the remains to St. Anne's Church, where a Requiem Mass was celebrated by the pastor, Rev. Father Gaudet and interment took place in the adjoining cemetery. The pall bearers were John Trahan, Joseph Stewart, and Clarence, Leander, Joseph and Thomas Reid, nephews of the deceased. May his soul rest in peace.

MRS. MILFORD CUDMORE

The many friends who were saddened when they learned of the death of Mrs. Milford Cudmore which took place at her home at Oxbow Road, St. Anne's Church, where a Requiem Mass was celebrated by the pastor, Rev. Father Gaudet and interment took place in the adjoining cemetery. The pall bearers were John Trahan, Joseph Stewart, and Clarence, Leander, Joseph and Thomas Reid, nephews of the deceased. May his soul rest in peace.

Grandma is Their Doctor

"ON an old-fashioned bureau, in a house I know, lies a large-sized New Testament with the binding well worn, and with it a much-used old copy of Dr. Chase's Receipt Book. When the calves have the colic or the neighbor's baby the ear-ache, 'Grandma' hands out well-assimilated advice from the Dr. Chase Book. When 'Grandma' herself feels 'run-down,' Dr. Chase's Nerve Food stands ready on the dining-room table among the salt and pepper shakers."

In these few simple words Mrs. Bert Smith, Way's Mills, Que., beautifully describes the way in which many a grandmother is a blessing to her family and to her neighbors as a guardian of health.

And what finer compliment can be paid to Dr. Chase's Receipt Book and Dr. Chase's Medicines than the approval of such mothers of experience as the one here described.

Just as in this home, Dr. Chase's Almanac hangs on the wall in the great majority of Canadian homes, and in the cupboard or medicine chest will be found one or more of Dr. Chase's Medicines ready for use in case of emergency.

If you did not receive a copy of Dr. Chase's Almanac it will be sent free by Ed. Manson, Bates & Co., Ltd., Toronto.

The adage must be a mathematical reptile. Ninetenths of the horn leaders of men are women.

How doth the busy little truss. Such large dividends acquire? Why, competition it does bust. Then marks the prices higher.
