AMBITIOUS WOMEN. BIG PAY. Large demand for ladies who learn beauty culture and Hair-dressing. Join Canada's Largest system. Diplomas granted. Write for information. Marvel Beauty Academies, 8 St. Catherine East, Montreal.

OFFICIAL RECORD OF PRESBYTERIAN CHURCH FOUND BY PRIEST

MONTREAL, Aug. 23.—An interesting document brought to light by a Catholic priest, Father L.E. Gorman of St. Gabriel's Church here, discloses the fact that although a wooden building was erected after the arrival of the Rev. John Bethune from Montreal in 1787, the first Presbyterian Church in Upper Canada was built at Williams-town, near Lancaster in 1804-1805. The discovery of this information came about as a result of recent correspondence in the editorial pages of a local paper.

To understand how this document along with many others relating to the early struggles of the Scottish Presbyterians in Canada, fell into the hands of the Catholic Church one must turn back to the pages of history more than a hundred years. According to Father Gorman, the Rev. John Bethune had been chaplain to the first battalion of the Royal Highland Emigrant Regt. When the regiment was disbanded he organized a Presbyterian congregation in Montreal. In 1787, however, he received the grant of land appropriate to his rank in the army, equivalent to that of a Captain, and was apportioned 3,000 acres in Glengarry. He moved with his family to Williamstown and there continued the practice of his profession.

When in later years some little dispute had arisen between Bethune and his parishioners the difficulty was submitted to their Catholic neighbor, the famous Bishop MacDonnell, who was himself a Scot. This precedent appears to have become a practice, for Father Gorman believes the present document now in Catholic hands came there by way of some disagreement in the matter of the new church which Bishop MacDonnell seems to have smoothed over.

The accused paid the fine and costs, which was imposed.

Judgment In Auto Case At Summerside

At the opening of the August term of the County Court at Summerside on Friday last, His Honor, Judge Inman, delivered judgment in the case of Elias Bishop, of Summerside, vs. Marion Phillips, of Kensington, rendering a verdict for the defendant.

The action was for injury to plaintiff's car by the negligent driving of the defendant, the claim being for \$220.65 damages.

The defendant pleaded (1) Not guilty and (2) that the injury was caused by the plaintiff's own negligence.

The action arose out of a car accident that took place at St. Eleanors Corner, near Summerside, on Sunday, November 2, 1930, at between four and five p. m.

The case was tried at the last March term of the Court and occupied the attention of the Court for three days. A good deal of interest was taken in the case.

Mr. Heath Strong, K.C., and Mr. C. D. McCallum, acted for plaintiff and Mr. J. J. Johnston, K.C., and Mr. E. H. Strong, K.C., for defendant.

On the above mentioned date, the plaintiff was driving in his car on the road leading from Summerside to North St. Eleanors, while the defendant was driving on the Town Road, leading from Miscouche to Kensington. The two roads intersect each other almost at right angles at the village of St. Eleanors.

It happened that both of these cars arrived at the intersection at practically the same time and collided with one another.

The plaintiff claims that he approached the intersection at between 18 to 20 miles an hour and that on entering the intersection, he proceeded at 10 miles per hour; that the defendant was coming at an excessive rate of speed and that he saw her when she was 150 yards away. That in order to avoid being run into he stopped his car in the middle of the intersection, but that there was sufficient room at both front and rear of his car for the other one to pass.

On the other hand, defendant claims that she was going 20 to 23 miles per hour and that she was about the middle of the intersection when she first saw the plaintiff coming; that she stepped on the accelerator to get out of plaintiff's way but that he struck her car almost at right angles in front of the right hand wheel. At the time of the collision she was past the middle of the intersection.

After reviewing the evidence at length the Judge found that both parties were guilty of negligence, but that the plaintiff's negligence was the immediate cause of the accident and that though the plaintiff had the right of way, that did not justify him continuing on his course when he had ample opportunity of avoiding defendant's car, he having seen it when it was 150 yards away. Judgment was given for the defendant.

There were fifteen cases on the docket this term. General debt cases were disposed of and the remainder were adjourned until September 10th for further evidence.

Annual Cost Of Crime In U. S. Is Billion Dollars

WICKERSHAM COMMISSION GIVES SERIES OF STAGGERING STATISTICS

WASHINGTON, D. C., Aug. 22.—The Wickersham Commission places the annual cost of crime in this country as beyond a thousand million dollars.

Its latest report reached no lump sum estimate but contained a series of staggering statistics which even in their conceded incompleteness showed a tremendous toll taken yearly by criminality.

Prohibition was named by the 657 page document, made public today after resting for at least a week on President Hoover's bookshelf, as a heavy contributor to this high cost.

It was estimated that \$34,828,550, or two thirds of all the government funds appropriated for the administration of federal criminal justice during the year 1929-30 were expended toward prohibition enforcement alone.

will find expression through the and thus come to enjoy a richer various activities of the Church, fellowship in service for the kingdom of Christ

Many At Funeral Of N.A. Cornfoot

DEPT. OF STATE EMPLOYE WAS WELL KNOWN IN SOCIAL CIRCLES.

(Ottawa Journal, Aug. 19.) Attended by a large number of friends and business associates, the funeral was held yesterday afternoon from his residence, 55 Rosemount avenue, of Nathan A. Cornfoot, principal clerk in the Department of Secretary of State, whose death on Saturday evening was the occasion for wide-spread regret among a large circle of friends.

Well-known in social circles throughout the Capital, he was also a member of the Ionic Lodge, A.F., and A.M., and attended Parkdale United Church.

The chief mourners at the funeral were his widow, formerly Margaret Nevins; two daughters, Ruth and Jean, both at home; his father, Alex. Cornfoot, and one sister, Mrs. William Brehaut, both of Charlottetown, P. E. I.

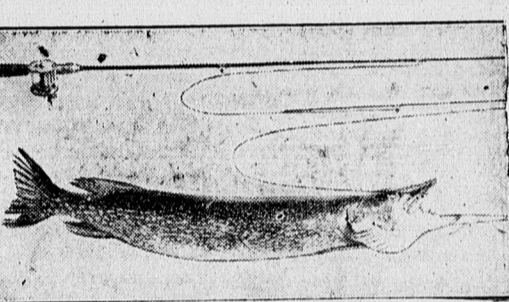

The high esteem in which he was held by his friends in the city, was well exemplified by the numerous beautiful floral offerings received by the bereaved family, among which were pieces from St. Lawrence Lodge, I.O.O.F., Charlottetown; Carleton Lodge, I.O.O.F., Ottawa; Ionic Lodge, A.F., and A.M., Rosemount and Rebekah Lodge, I.O.O.F., the Women's Association of Parkdale United Church and the staff of the Secretary of State.

Noticed in the lengthy cortege were several representatives from the Department of Secretary of State, among whom were M. J. Bird, whistler, of the accountants branch; David Wood and Fred Weatherhead, of the registrars branch; James McCaffrey, companies branch; David Shuttleworth, correspondence branch, and J. E. Duggan, of the naturalization branch. Interment was in Beechwood cemetery.

MAJOR FREEMAN BOULTER

The death occurred at Anersid, Sask., on August 11th, of Major Freeman Boulter, after an illness of several months, the greater portion of this time being spent in hospitals at Kincaid and Swift Current undergoing different treatments. Specialists from Swift Current and also from Montreal were in attendance but to no avail, the Hand of God willed otherwise.

The deceased was born at Tryon, sixty-seven years ago and spent the greater share of his life there, where he had a splendid farm and home and was one of the most prominent residents of that section taking a great interest in all things

FINE PIKE LANDED WITH STEEL CASTING ROD

This 11-pound pike, caught by H. Mountain of Toronto, at Frenchman's Bay, Ontario, was landed on a 5 1/2 foot light steel casting rod and silk casting line, also shown in photograph. The line is one year old and the rod was purchased in 1929.

Refuse To Pay Their Taxes

VANCOUVER, Aug. 22.—Not only have the Sons of Freedom, the radical wing of the Doukhobor colonies, refused to abide by the country's laws and staged nude parades and other demonstrations in protest, but the conservative element has now announced its unwillingness to pay taxes or fulfill any Government demands.

Strangely enough, the conservative Doukhobors have reached this decision as a result of the Government's alleged inaction in protecting them from the depredations of the fanatical Sons of Freedom.

For years, according to a statement issued by the so-called Christian Community of Universal Brotherhood representing the followers of Peter Verigin, the law-abiding Doukhobors have been victimized by actions of their radical neighbors. The Government, they claim, has done nothing to prevent these depredations.

BLUCHER'S GRANDSON DIES AT AGE OF 65 AT TOWN IN ENGLAND

BOSCOMBE, England, Aug. 22.—Prince Blucher, grandson of the famous Marshal Blucher who led the Prussians at the Battle of Waterloo, died here today. He was 65 years old. The prince married a British woman and spent a great part of his life in England, although he went to Germany during the Great War.

OMISSION SEPARATED FAMILY

HARTFORD, Conn., Aug. 23.—(U.P.)—A careless omission caused Christina Pappas to be separated from her father for two years. When George Pappas left Greece for Hartford, Christina was two. Two years later he applied for her entrance to the United States, but found he had carelessly omitted her name from his second naturalization papers. Federal, state and consular authorities were brought into the case before Christina, now 21, was admitted.

HARRISBURG, Pa., Aug. 23.—(U.P.)—Moving picture films of game subjects are being distributed by the Pennsylvania Game Commission to theaters within the state. One of the earliest releases presented phases of ringneck pheasant propagation and hunting. Views were presented of bird dogs pointing the birds, the approach of the hunter, the flush, the kill and the retrieve, and other pictures of breeding the dogs on the state farms were included.
