Odilon Boucher.

A Well-Known French Canadian Gentleman, Writes an Interesting Letter.

The personal experiences of men and women in their own words is almost always very interesting reading, especially when there is something common between the reader and writer.

A man who has travelled in China will always read with interest the letter of a Chinese traveller; and in the same way, if anyone writes describing a personal experience, all who have had similar experiences will read his statement with interest.

The letter of Mr. Boucher will therefore be read and appreciated by everyone has suffered with that distressing and dangerous disease, Dyspepsia. From St. Paul, Montmagny Co., Que., Mr. Boucher writes:—

"I have had Dyspepsia and all the pains and distress that go with that terrible malady.

"I was not able to eat anything except milk. The suffering I endured was past all description.

"I tried many remedies, but none of them even relieved me. At last I heard of Dodd's Dyspepsia Tablets and determined to make one more trial. I am glad that I did so, for I was almost instantly relieved, and continued the treatment until now I am cured and as well as ever I was.

"I used in all eleven boxes. This may have been more than was really necessary but I wanted to make sure, and I am glad that I did so."

Dodd's Dyspepsia Tablets will cure any case of Dyspepsia. Dodd's Dyspepsia Tablets cured Mr. Boucher, and they will cure any other dyspeptic who gives them a fair trial as he did.

Such strong statements from one who has had the personal experience should convince the most skeptical that Dodd's Dyspepsia Tablets is a remedy for Dyspepsia and all Stomach troubles, and one that is no experience but a tried and proven cure.
