Sport Echoes From Prince County

After seeing the R.C.A.F. Meteors on soft ice against the Abegweit we were somewhat surprised to find that the airmen would do better on a good hard surface. We were wrong. On a perfect sheet of ice the Vics from Charlottetown made the Airforce boys look like the Daffydoddies from Squamscutt. True, the Meteors were minus Pierce, Hoffstrand and Johnston. We'd like to believe that this was the reason for the one-sided trouncing they received at the hands of Dowling and Co. but somehow we can't make ourselves believe this. Saturday night the two teams just didn't belong in the same league.

Trinity United Church, S'side Annual Meeting

The annual meeting of Trinity United Church, Summerside, was held in Epworth Hall, Summerside, on January 18th at 8:15 P.M. Rev. K. G. Sullivan opened the meeting with a short devotional service in which Mr. George Myers and Elder J. M. Nicholson offered prayer. The different organizations presented their reports for the year which showed growth and improvement in every department. Rev. Mr. Sullivan in his report to the congregation expressed his appreciation to each organization, special mention going to Mr. Keir Duggan, financial secretary to the Board of Stewards, to Mr. Roland Phillips, treasurer, and to Miss E. M. Gaudet, organist, who also plays the Mass chorales and the Choir. The newly elected members of the board of stewards are: Mr. Elias MacFarlane, Duncan McDonald, James Phillips and James A. Morrison. Those re-elected were Frank Gamble, and W. K. Llewellyn. Mr. J. M. Nicholson, on behalf of the congregation, offered a vote of thanks to the Minister for his fine spiritual leadership and untiring efforts which have caused Trinity to grow to the point where now an assistant should be given him. He also extended thanks to Mr. Sullivan for her assistance to the ladies' organizations. The meeting adjourned after which a film was shown and refreshments served.

Summerside Airport News

The Protestant service will be held in the new chapel this Sunday. Although the building is in the process of being decorated and the new furnishings have not arrived as yet, Flight Lieutenant George B. Fee, the Protestant Padre on the station, reports that he will hold services in the new chapel located in building No. 32. This building houses separate Roman Catholic and Protestant chapels. The floor space in the new chapel will accommodate more than twice the personnel that the old one held. The airmen's lounge in the community centre is now open. It is out of bounds to all personnel above the rank of L. A. C. It is hoped to make this lounge into a very cosy spot where airmen can bring their wives and girl friends every evening. The Protestant Padre has been kept rather busy with baptismal ceremonies recently. Steven Robert, the infant son of Flying Officer and Mrs. Robert Lowry, was baptized in the station chapel on January the 8th. The infant son of Warrant Officer and Mrs. David Lionel Quinn was baptized on January the 8th. The child was given the name David Robert. Baptismal ceremonies for Norval Adrian, son of Flight Lieutenant and Mrs. Norval Burnett, were held on January the 15th. Flight Lieutenant George B. Fee baptized the infant son of Flight Lieutenant and Mrs. Keith Dibble. The bonnie child received the name of Douglas William. The community centre is to receive a repainting and hardwood flooring. This auditorium is by far the largest on the Island. A new public address system will also be installed in the very near future.

St. John's Church St. Eleanors Holds Annual Meeting

The annual meeting of the parishioners of St. John's Church, St. Eleanors, was held on Monday evening, January 16th, at the home of Mr. and Mrs. Roy Tanton. There was a very good attendance. The Ven. Archdeacon Harrison, rector of the parish, presided. All the reports, financial and otherwise showed that real progress had been made during the past year and that the parish was in a good financial condition. Plans were made for the removal to the Church grounds, and the fitting up as a parish hall, the school building which had been recently purchased. Consideration was also given to initiating an intensive effort to provide all the many improvements and repairs necessary on the Church building. The incoming Vestry was instructed to draw up a detailed budget of these needs with an estimate of the expenditure required and to take the necessary steps to carry the plan through. The Wardens elected for the ensuing year are Messrs Roy Tanton and Edwin Bernard, the vestrymen, Messrs Arthur Jones, Kenneth Mills, Arthur McKinnon, Ernest Darby, Emory Lyle, Eric Tanton, Horace Mills, Fred Mills, Benjamin Pillman, Charles Clark, John Sma? and Eidon Small, with Eric Tanton as Vestry clerk. The Hon. W. E. Darby was elected as the parish's representative to Synod with Mr. Arthur Jones as substitute. Benjamin Pillman and Charles Clark were elected to the executive of the Diocesan Church Society. A hearty vote of thanks and appreciation was extended to Hon. E. Darby, who has served as Vestry clerk for the last five years. Votes of thanks were also given to the Rector, the Sunday School teachers, the Choir and organist, the leaders of the various parochial organizations and to Mr. and Mrs. Roy Tanton for the use of their house. Lunch was served by the ladies of the parish. -S

One S'side Lady Not Impressed By Dial Phones

One telephone subscriber in Summerside doesn't think much of the new dial system or, at least, she didn't for a while when, after carefully following instructions, her phone refused to work at all. The dials have been attached to most of the phones in Town for some time now and most of them were tied with a cord which had a ticket attached bearing a message requesting people not to move the dial until instructed to do so. At present all phones are being tested by one of the telephone company staff calling subscribers and asking them to try their dial. In most cases they are first asked to remove the cord. On Wednesday a certain subscriber was called and requested to cut the cord. It is not known if, in her case, there was a cord on the dial or not but, at any rate, she promptly complied by getting her scissors and cutting the telephone cord. That, of course, ended the test right there. What happened between the lady and the telephone immediately after is not known but it is assumed that for a while she didn't think much of this new system. Her phone was connected up again yesterday morning. In order to avoid any other such misunderstandings the installing staff of the telephone office would like all subscribers to remove the cord on their dials right away if they have not already done so.-S.

Local Hockey Fans are clamoring for Vince Grant, coach of the Summerside Crystals, to get back into uniform and provide the necessary strength for his team back on the blue line. So far Vince has been non-committal about this, but we have a feeling that if he comes to the conclusion that his rear-guardmen, as a group, are not quite up to par, Vince will get into a black and white sweater and play on defence himself.
