**PEEK FROM THE PRESS BOX**

By ("TEC")

A little ragged, slow in spots, but on the whole a fair game for an opener—an exhibition at that.

Typical of the Abegweits—to cut loose in the final canto and come home under wraps.

All the "net draping" done in the last period. The Abegweits garnered three in eight minutes, while "Chick" Gallant, snappy Crystal centre broke the egg a split second on the final gong.

To defeat the Summerside "coits" in their own backlot on Tuesday night, the locals have got to play better hockey than they did last night—and that's not perhaps.

An impressive silence was observed before the game out of respect and in memory of the late David Crosby, former Abegweit and Bathurst, star who was drowned in the latter town last summer.

Jack Wright, husky Crystal defence took his first trip to "singers avenue" last night. To play hockey for nine years and only receive one penalty is surely some record.

The Abegweits had 30 direct shots on the Crystal goalie, while the western sextette counted for 29. The following short summary by periods may be of interest.
