(By The Canadian Press) OTTAWA, Nov. 22—State Sec. Martin tabled the report of Chief Justice J.T. Brown of Saskatchewan on alleged election irregularities in Melville constituency in the House of Commons today...

In a statement on the report, Mr. Martin said the judge found some ballots had been tampered with after they were placed in the envelopes in order to have the count in poll 50 thrown out...

The report said at this poll 71 ballots were marked for Mr. Gardiner and 27 for H.J. Benson, C.P. candidate, and that this count reflected the will of the electors who voted in that poll...

The judge concluded that these ballots were taken from the boxes containing ballots marked for Mr. Gardiner in an effort to upset the poll.

This action was not committed by any official of poll No. 50.
