Buy Municipal Debentures NOW!

Not for many years have Municipal Debentures sold at such attractive prices. However, owing to the gradual releasing of money at the chief financial centers and the steady demand which has been experienced for this class of securities, an advance in price would seem to be due in the near future. For this reason it would be well for intending investors to make arrangements for their requirements now.

We offer a block of Debentures of each of the following towns in lots to suit purchasers.

Province of Nova Scotia, Municipality of Cape Breton, Town of Truro, Amherst, New Glasgow, North Sydney, Stellarton.

Price and full particulars will be furnished upon application.

The OLIVER Typewriter

The abandonment of longhand in favor of clean, legible, beautiful typewriting, is the next great step in human progress.

Already in all lines of business and in all professions the use of pen and ink is largely restricted to the writing of signatures.

The prompt and generous response of the Oliver Typewriter Company to the world wide demand for universal typewriter gives tremendous impetus to the movement.

The American Oliver, with the largest sale of any typewriter in existence was the logical machine to make the initiative in bringing about the universal use of typewriters. "It always leads."

- The Blank Sheet
- The Automatic Tabulator
- The Double Release

- The Adjustable Paper Fingers
- The Scientific Condensed Keyboard

- Correspondence
- Card Index Work
- Tabulated Reports
- Follow-up Systems
- Manufacturing Service
- Addressing Envelopes
- Working on Ruled Forms
- Cutting Mimeograph Stencils

I would like to demonstrate to you the easy operation of the Oliver. Write for full particulars.

NOT TOO IMPORTANT

"I hear Brown's been promoted again."
"Yes."
"That's splendid! He must be quite an important member of the concern now."
"Oh, I guess not. The office boy still calls him by his first name."

TOO MANY CHILDREN

are pale and frail—backward in studies—with pinched faces and poor blood—their minds and bodies are actually starved because their regular food does not nourish.

Such children need *Scott's Emulsion* above everything else; it contains nature's rarest life-giving fats; it is essentially food value—blood-food and bone-food, free from wine, alcohol or harmful drug.

Scott's Emulsion often builds many times its weight in solid flesh—its medicinal, tonic and nutritive properties make all good food do good.

IT IS NOT A PROP. BUT A FOUNDATION FOR STURDY GROWTH.

Every Druggist Has It. Avoid Substitutes.

The Gold Dust Twins' Philosophy

Now you have often said:—"Oh dear, I dread when eating time comes near. It's not so much the cooking, grub, but cleaning after,"—there's the "rub." Each kitchen holds a mass of work, no tidy little wife should shirk.

The kitchen floor, the kitchen sink, the kitchen pots as black as ink, the kitchen kettles and the pans, the silver, glass and cups and cans; wherever you may look, the toil means more than any kettles boil. To just "prepare" a meal is "fun," but work, with THAT is scarce "begun."

If those who stay up days and nights to win the cause of "Women's Rights" would only vote the GOLD DUST PLAN they soon would have the best of man. More time for comfort and for smiles; more time to play a woman's wiles, for once the GOLD DUST TWINS appear, Hard Labor's cry you never hear; frail woman is a queenly soul who plays the "Take-it-Easy" role. Each GOLD DUST package sets her free by bearing out its guarantee, and never more those household woes that every weary woman knows. Pile up the dishes as you will, the GOLD DUST TWINS will clean 'em still. Old floors and woodwork sinks and pans, turn out as Master Cleaner Plans. From sun to sun, and chore to chore, your tasks will fret you nevermore.
