There is more Catarrh in this section of the country than all other diseases put together, and until the last few years, was supposed to be incurable. For a great many years doctored by local remedies, and by constantly falling into cure with local treatment, pronounced it incurable. Science has now discovered that Catarrh is a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by J. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, Ohio. Sold by Druggists. ## Seasickness Positively Cured.

A Wonderful, Harmless Cure For All Forms of Sea and Car Sickness.

For Sale at Drug Stores. Money refunded if Not perfectly Satisfactory. A remarkable cure has been discovered for all forms of seasickness, car sickness, dizziness, and all nausea caused by motion, which has positively never failed.

I didn't. I did. Take Mothersill's Sickness Remedy that positively never fails.

To prove that this remedy is harmless and that it can never produce any bad after effects, an analysis was made by Milton L. Hersey, M. Sc., Chemist for the City of Montreal and Analyst for the Province of Quebec. "I hereby certify that I have personally analyzed a sample of Mothersill's Sickness Remedy," purchased by me in the open market in the City of Montreal, and my tests have failed to detect the presence of opium, morphine, cocaine or any other alkaloid or chloral whatever."

A party of six 000 delegates to the International Sunday School Association Convention that went to Rome, Italy, had a supply of this remedy on hand and not a single delegate was affected with seasickness.

This discovery at last disposes of the prejudice so many people have entertained against the use of medicines as a preventive of seasickness.

Mothersill's Sickness Remedy is sold in 50c and \$1.00 boxes at drug stores. If your druggist has not got it in stock, send us the money, and we will send you the remedy, all charges prepaid.

Send your name and address today to the Mothersill Sickness Remedy Co., 122 Clarendon, Detroit, Mich. for interesting information and testimonials from many who have used the wonderful remedy.

# Our Big Discount Sale

Has been so extraordinary successful, during the past 10 days, that many lines have been sold down so low that we have decided to continue the same extraordinary discounts for 10 days longer in order to entirely close out the hundreds of remnants and odd lines left over from such immense selling.

Never before have we experienced such a brisk demand for dress fabrics, and the fact that the goods are good, clean, seasonable and up-to-date—although many pieces are selling at 1-2 price, others at 1-3 off—is too rare an opportunity to let slip.

A great many people have taken advantage of the extremely low prices to procure an extra dress length or two for early fall wear, as well as to procure school dresses, waists etc., for the girls.

Thousands of yards of silk have also gone out, everyone being satisfied that the goods were fine, and the discounts genuine.

The same discounts will be continued for ten days longer on all lines mentioned in former adv., and we would advise everyone to investigate and see if there is not here a first class opportunity to save money. New goods are rushing in as fast as we can get them opened and we need the shelf room for them.

New dress goods, new fall jackets, new furs, new millinery, new millinery trimmings—in fact new goods in every department. Call in and see the newest things and while in see the many bargains we are offering.

Our pattern dept., has had a phenomenal growth, everyone voting the patterns the best as well as the cheapest they have ever used. Each month we find it necessary to increase our order for New Idea Magazines in order to supply the immense demand for them. They are brimful of interesting and instructive matter on household topics of all kinds, as well as having the latest word in regard to correct styles in dress. Only 7 cents each over the counter. All patterns only 10c, each. When to be sent by mail postage should be added.

Remember our big discount Sale will be continued for 10 days longer and that there are real genuine bargains in every department.
