Cardigan Head And Vicinity

Mr. John Mustard M. L. A. Cardigan Head was a recent visitor to the City.

The school here has reopened and both teacher and pupils are back to work once more after very pleasant Christmas holidays spent at their several homes.

Mr. Wilbur McDonald, Lorne Valley, was a visitor to the City last week.

On Thursday evening Cardigan Head School was decorated to the doors, while the pupils under the capable direction of their teacher Miss Mary McAtuly presented their annual Christmas concert, and was a decided success.

The dance held in St. Teresa's hall on Wednesday evening under the auspices of the Credit Union Officers was a huge success.

The Annual Christmas Concert of Lorne Valley school was held in the school room on Friday evening, Dec. 23rd, with a large attendance of parents and visitors.

On Tuesday evening January 3rd, Miss Emma Holmes entertained at the home of her sister, Mrs. Gordon Leitch, 4 Upper Prince Street, in honor of Miss Hilda Bradley who is one of this season's popular young brides.

The happy couple left on a short honeymoon trip through the Maritimes.

The angel of death visited the home of Mr. and Mrs. Ernest Cousins, Hunter River, on Sunday morning Oct. 30th, and claimed their oldest boy at the tender age of ten years, though never in very robust health his passing came as a great shock.

The pallbearers were six school chums, Wilbert Robertson, Chester Whitlock, Gordon Ripley, Reggie MacFarlane, Robert Smith and Robert MacQuarrie, Inverness in Hunter River Cemetery.

There passed away at the home of her husband, Harry, from North Charlton, on October 15th, Mrs. Mary Ellen Muttart, after a short illness.

Her husband predeceased her seven years ago. Mrs. Muttart died in the home where she was born. She leaves to mourn four sons, Hubert on the homestead at Seaside town, Joseph, at Albany; Harry of North Charlton; and Wilbert of Mattapan, Mass., who arrived home in time for the funeral, and one brother, John McDonald of Indian River, P. E. I.

The funeral took place on Wednesday, October 19th, from the home of her son Harry to Seven Mile Bay Church and Cemetery where she was tenderly laid to rest by the following pallbearers: Messrs. Willie McDonald, Frank Muttart, Wilbert Muttart, George Muttart, Emmet Croken, Harold Campbell and Rev. W. E. Monaghan officiated.

PORT ELIZABETH, South Africa Jan. 8.—(CP Cable)—The touring Marylebone Cricket Club team out-clasped eastern province in the opening days' play of a three-day match started here Saturday. Self-praise is a good deal like riding on a merry-go-round, it satisfies our personal desire, but it never gets us anywhere. But the paper never refuses ink and for the benefit of foxmen who want to raise some extra good foxes and pellets we will repeat that in a recent issue we have presented tabular statements showing the winnings of foxes and price of pellets taken off foxes fed with some of Nicholson's Fox Health.

WONDERFUL as was their showing they have been by no means THE ONLY PEBBLES ON THE BEACH. The French colony of Saint-Pierre and Miquelon held their second Fox Show on November 21st last and as usual Gaultier Bros., cleaned the pattrer for the second time. Here are their winnings:

ARMS USELESS ON A WET DAY

Rheumatism Pains Relieved by Kruschen

Here is a noteworthy instance of the manner in which damp weather can affect the joints of one who is subject to rheumatic pains.

"I had been suffering from rheumatism very badly," a man writes, and had such pains in my joints that I could hardly bear it, on a wet day especially. It pained me terribly to use my arms, and I was hardly able to work.

"Then I was told to try Kruschen Salts, which quickly brought relief. So of course I have kept on with it, and I am now much better and have never felt so fit for years."

The pains and stiffness of rheumatism are often caused by uric acid crystals in the muscles and joints. The numerous salts in Kruschen assist in stimulating the internal organs to healthy, regular activity, and help them to eliminate excess uric acid.
