FLUTED TAFFETA DAINTY TRIMMING WITH CHIFFON

By Marie Belmont

Pale pink chiffon is made into a youthful dance frock when peppy ruffles of taffeta are used as trimming.

Ruffled into three tiers which join each other, this frock is not only inexpensive to make, but very effective for the school girl's evening wardrobe.

At the bottom of the skirt a ruffle of the chiffon joint another ruffled effect and a band of the flutings can match the pink chiffon, or be selected of a contrasting, or deeper shade of pink.

TREE-TOP STORIES

THE WIND-BOY ONE day Emily was playing in 'her corner' of the dining-room.

It was about time for Bessie-doll's nap and Emily was starting to sing to her when the door swung open. Then it closed again softly.

"Why! How do you do, Mr. Wind," Emily said. "Went you come over and sit down?"

But Mr. Wind didn't answer. Instead he pulled the cover off Bessie-doll's bed and then blew Emily's hair-bow to one side of her head.

"That wasn't Mr. Wind," said Emily. "That was one of his little boys running around playing tricks."
