Safest Medicine for Women's Complaints

Women certainly do neglect themselves. They work too hard—over-tax their strength—and then wonder why they suffer with diseases peculiar to their sex. Most cases of female trouble start when the bowels become inactive—the kidneys strained—and the skin not cared for. Poisons, which should leave the system by these organs, are taken up by the blood and inflame the delicate female organs.

Fruit-a-tives

It removes the CAUSE of these diseases. "Fruit-a-tives" sweeten the stomach—make the bowels move regularly every day—strengthen the kidneys—improve the action of the skin—and thus purify the blood. "Fruit-a-tives" take away those distressing headaches, backaches and bearing-down pains, and make women well and strong. "Fruit-a-tives" are fruit juices, intensified, with tonic and antiseptic added, see a box for \$2.95. At all druggists—or from Fruit-a-tives Limited, Ottawa.

Further particulars of the Missionary Sunday Service when Rev. A. N. Simpson, formerly of Cavendish, preached a sermon which resulted in pledges of \$22,370 to the cause, say that nearly ten thousand people, coming from many distant parts of the country, were present at the principal meeting of the day which was conducted by Rev. A. N. Simpson, of New York, the head of the alliance. He refuted the suggestion that hypnotism or anything of that nature had been employed by all those workers in furtherance of their aims, adding that the "spell of the Holy Spirit" was the only force which prompted friends and members of the alliance to give and work so liberally for the cause. The collection which followed consisted almost wholly of pledges, which came in sums varying from \$1 to \$40.00.
