

Solid Comfort Shoes.

Goodyear Welt shoes, with Sleeper Insole. There are two kinds of shoes, Goodyear Welt, and all other varieties.

In a Goodyear Welt there are two kinds of Insoles; one is Leather, and the other is a Sleeper Patent Flexible Insole. There is only one shoe that represents a perpetual comfort, whereby a shoe takes the place of a slipper in the house, or a boot on the street—this is the Goodyear Welt that is made with the Sleeper Insole. The Sleeper Patent Flexible Insole, which is made from 15-ounce Duck, is soft and pliable, perfectly waterproof, and shapes itself to the foot in such a manner as to afford the greatest possible comfort. The Sleeper Insole will not harden with perspiration, as leather insoles do, and is always ready for immediate wear. The J. D. King Co., Limited, have the exclusive right for Canada.

The regular monthly meeting of the P. E. Island Agricultural Fire Insurance Company was held in their office, Water Street, Summerside, Tuesday forenoon, when 59 applications were received and passed. The following losses were ordered to be paid:—Rev. J. A. E. McDonald, Hope River, \$1088.00 on house and contents; Newton McArthur, Margate, \$300 on house; Francis J. McKenna, Mermaid, Lot 48, \$250 on barn. The annual meeting of the shareholders was held in the afternoon and the reports show that last year was the most prosperous in the history of the Company.

There is one attraction to tourists which Summerside does not have, one which is not only enjoyed by the wanderer but is charming to the native and appreciated by all classes. "Music hath charms" and the world would be dead without it. Summerside has talent enough, and wealth enough, to support a band, and yet the summer comes and goes but the music which soothes the weary, lightens the burdens of the sad, enlivens the patriotic and puts joy into the hearts of all true citizens, is not sounding in the ears of those who are with us during the pleasant summer evenings. That the band does not give concerts on the square when all nature is at its best and only waiting for that one thing to make complete the pleasures of our surroundings, is a source of regret. It is probably too late now to begin a move for such entertainments for this season, but at this time we feel the loss to our town in that which encourages the visitor and gives our town a place among the tourist resorts. Charlottetown is far in advance of us in this as in many other respects and now semi-weekly the people of the metropolis are being treated with open air concerts. May we hope for better conditions in the years to come; and that our thoughts will dwell for a time in earnestness on this and other means of drawing tourists to our delightful part of the Province should be a matter for consideration. All progressive cities and towns are exerting efforts along this line, but Summerside seems backward in keeping abreast with the times.

SOMETHING ABOUT FAITH CURES
What a great variety of faith cures there must be some have faith in so-called divine healers others in the medicines they use. Every person who has tested Dr. Chase's Kidney Liver Pills has faith in them, but faith or no faith they cure just the same, for they act directly and specifically on the kidneys, liver and bowels and make these organs healthy, active and vigorous. Judging from the enormous demand for these Pills there must be hosts of people that have faith in them.
