It was stated in Court here, not long since that the Egg Circles had increased the price of eggs by five cents a dozen and so added hundreds of thousands of dollars a year to the income of the province from that source.

WEDDING BELLS—A quiet but pretty marriage took place at the residence of the officiating clergyman, Rev. D. MacLean, Watermere, when Miss Frence Walker, daughter of Mr. John Walker, North River, became the bride of Mr. Owen Henry Proud, of Charlottetown, in the presence of a few immediate relatives of the bride and groom. The bride was prettily attired in a dress of blue silk, with chiffon and lace trimmings. After the ceremony the happy couple drove to the home of the bride at North River, where a wedding reception was held, and a very pleasant evening was spent. The many useful presents testify to the popularity of the young couple, among which was a beautiful silver tea service from the employees of Prowse Bros., Ltd., of which firm the bride was an employee. The Guardian joins in extending congratulations.

PRINCE EDWARD THEATRE—The excellent weekend offering at the Prince Edward Theatre brought out the usual good sized evening crowd last night. A well balanced programme was favorably commented upon and for those who enjoy a programme of variety much can be said for this bill. "The Wreck" is one of the most thrilling episodes of the popular serial "Peg O' the Ring." The other pictures include "In the Name of the Law" in which Gladys Huellette is featured in many dramatic scenes and a Nestor comedy feature offering a melodrama farce called "What Could the Poor Girl Do." The latter furnishes two acts of laughs and amply supplies the comedy part of the show.

Bargain Hunting Doesn't Pay

When It Comes to Buying Drugs

For health's sake don't buy cheap medicine. If you believe in bargain buying don't carry the system to the extent of buying drugs that way. We buy the best drugs and sell them at a reasonable profit, a profit which is consistent with good business and good service.

PLAY SAFE

Let Us Compound Your Prescriptions

Any one who has a prescription to be filled should, as a matter of pure self-interest, insist on the best drugs, and best service.

A little difference in the quality of drugs, or in the way drugs are compounded, often makes a big difference in results.

A complete stock of fresh, pure drugs, scientific equipment, and ample experience enable us to give ideal service in our prescription department.

We further safeguard our prescription customers by using a double check system, which prevents all chance of error.
