### CHURCH SERVICES

#### ST. PETER'S CATHEDRAL

At the sung Eucharist at 11 o'clock yesterday morning the members of the Independent Order of Odd Fellows and Rebekahs were present in a body and were welcomed to the Cathedral by the Priest Incumbent on behalf of the congregation. Canon Malone preached an appropriate sermon from the words "And now abideth faith, hope, charity."

Commemorations this week are today Saint Mark, Evangelist and martyr, Sunday next Saint Philip and Saint James, Apostles and martyrs. At seven o'clock last night the first evensong of the Festival of Saint Mark was sung. Canon Malone preached a forceable sermon full of instruction on the life and ministry of St. Mark, taking as his text the words of St. Paul: "Take Mark and bring him with thee as he is profitable to me for the ministry." Before blessing in honour of the Festival the hymn "The Son of God goes forth to War," was sung in procession.

### TRINITY UNITED CHURCH

"Go ye into all the world and preach the Gospel to every creature". This was the command of Jesus and when the Church obeys that command and goes forward God opens the way and nothing can stop the progress of a missionary church. That was the statement made by Rev. Dr. McKay of Formosa in his last address in Canada. It was for the purpose of carrying out that command in a better, larger and more successful way that The United Church of Canada was formed. We take great pride in the work of our Church both in the home and in the foreign field. It was to increase our missionary zeal that Rev. Dr. George M. Ross for 29 years a missionary in Honan, China gave two excellent sermons at the service yesterday. In the morning his text was from Psalm 72-16: "There shall be a handful of corn in the earth on top of the mountain, the fruit thereof shall shake like Lebanon" and Dr. Ross gave several delightful instances from his experience in China in illustration of the text. In the evening before a very large congregation Rev. Dr. Ross gave an

illuminating and intensely interesting address on China and the causes leading up to the recent outbreak between that nation and Japan and issued a call to the Christian people of this city and Province to unite their prayers with the church of Christ in both countries for the success of the League of Nations and its committee who are now on the field in an endeavor to bring about a satisfactory solution of the difficulties and that peace may be established.

There were 504 present at Sunday School, an increase of 53 over the same Sunday of last year—Dr. Coffin's Bible Class will close for the season after next Sunday. The Officers ask for a full attendance as a mark of appreciation to Dr. Coffin for his leadership and scholarly addresses during the term.

The service of praise was up to the usual high standard of Trinity and included a solo by Mr. Ben Acorn. Mr. Acorn was in splendid voice and it is safe to say he never was heard to better advantage.

### Missing Student's Body Found

PROVIDENCE, R. I., April 23—(A.P.)—East Providence police tonight announced virtually positive identification of a body found beside a salt cove there this afternoon is that of Nathaniel E. Jones, of Ellerica, Mass., 23 year old student at the Harvard School of business administration.

A countryside search has been in progress since his mysterious disappearance January 31, with Floyd J. Stewart, of Garden City, Kansas, another Harvard student.

A fisherman, seeking crabs along the shore, discovered the body, closely buttoned in a racoon coat. He summoned police, who established identity by the number in a watch found in a pocket, which checked with the number of Jones' watch as given in a police broadcast, and by laundry marks.

Jones and Stewart were in a car when last seen in Boston.

Badly decomposed, the body, according to Dr. Charles B. O'Rourke, East Providence medical examiner, bore no indication of foul play. No wounds of any description were found, and the bones showed no fractures.

### Four Tramps Lose Lives In Fire

(Canadian Press)  
 CHATHAM, Ont., April 23—Searchers today were prodding through a smoldering heap of charred grain in an effort to locate some trace of four tramps believed to have perished when fire destroyed a heavily-packed barn on the farm of J. C. Cornhill, near here. So far their efforts have been futile. But police and farmers are still digging through the grain ashes, the greater part of which they have been unable to search because of the extreme heat.

Two tramps who ran from the barn when it broke into flames told farmhands that possibly four men had been trapped in the building.

—STREETS OPEN — The Town Council of Summerside officially opened the streets to motorists on Saturday—S.

—FIRST HERRING OF THE SEASON—The first herring of the season was peddled round Summerside by the small boys on Friday and Saturday. So far the catch has not been large—S.

—RETURNED HOME — Ven. Archdeacon White and Mrs. White have returned from Halifax where they attended the Church of England Synod. Mr. W. E. Darby who was a delegate has also returned. They report that the meetings were all well attended—S.

—ATTENDING FUNERAL — Mr. Kane, Chief of the Summerside police force, and Mrs. Kane left on Saturday morning for Boston, Mass., to attend the funeral of Mr. Patrick Kane, the Chief's brother, who passed away on Thursday after a short illness. The funeral is being held this morning from his home at Tremont Street to the Roman Catholic Church. The late Patrick Kane was a native of Saint John, N. B., but had resided in Boston for some time. His widow is a sister of Mrs. Kane. The sympathy of friends is extended to them in their sad bereavement—S.

—YOUNG PEOPLES DRAMATIC CLUB PRESENT PLAY — Epworth Hall was filled to capacity on Friday evening when the Young Peoples Dramatic Club of Trinity United Church presented the "Cat O' Nine Tails" a mystery play of a very fine order. The play was under the direction of Miss Estelle Bowness, and the splendid acting of the cast speaks well for Miss Bowness' talent in amateur theatricals. Each part was well chosen and the play delighted the audience with its air of mystery with touches of humor here and there. The identity of the Cat O' Nine Tails, a clever crook, was not discovered until the very last act. He turned out to be Henry, the chore boy, Lorne Campbell, who played this double role to perfection. There were specialties between the acts by the Archer Orchestra, Miss Slackford and Mr. Slackford in a duet and Mr. Roland Phillipson in several solos. There was a sale of candy. Rev. Mr. Campbell presided and gave a short introduction of the play before the opening—S.

—ANNIVERSARY PARTY — Mrs. J. J. Gaudet entertained on Friday on the occasion of the first anniversary of her wedding. There were two tables of bridge in the afternoon, the prizes being won by Mrs. Ernest Mills and Mrs. H. C. Mills. Miss Marguerite Gaudet assisted the hostess at the tea hour. In the evening Mrs. Gaudet had three tables and the prize winners were Mrs. W. B. McNeill and Mrs. D. F. MacNeill, assisting with the refreshments were the Misses Marguerite, Marie and Elizabeth Gaudet and Miss Faustina Gaudet of Wellington. The bridge prizes were lovely bouquets of roses. The guests at the evening party presented Mrs. Gaudet with a dozen beautiful roses. The reception rooms were tastefully decorated with roses and potted plants. Mr. and Mrs. Gaudet were the recipients of some lovely presents and telegrams of congratulation from distant friends—S.

—BEDOQUE — The rink at Bedoques is still operating and a good sheet of ice is present and a large crowd enjoys the skate yet, there being about eight inches of ice and the 18th day of April is here. It seems rather strange to be going carrying skates with no snow and such summer like weather.

Mrs. John Lefurgey has received the sad telegram of the death of her brother, Malcolm Ross, at his home in Regina, Sask. The deceased was a former resident of North Bedoques, son of the late Donald and Mrs. Ross. For the past thirty years he has resided in Western Canada where he farmed for several years, later removing to Regina, where he was engaged in real estate business. He was of a quite and gentle disposition and took an active interest in matters of public welfare. There are left to mourn, besides a sorrowing widow, one son, William and three daughters, Isabell, Bertha and Margaret. Three brothers and two sisters also survive, namely: John of Masta, Sask., Alexander of Regina, Sask., Dr. William, Boston, Mass., Mrs. T. S. Owen, Cedar Rapids, Iowa, and Mrs. John Lefurgey, all to whom the entire community extends sincere sympathy in their sad bereavement.

—PERSONALS — Mayor Manson returned on Friday evening from a business trip to the west of the Province—S.

### Build Up Health With Spring Tonic

The fashion of taking a Spring tonic is based on sound medical grounds. Winter has thinned and devitalized the blood stream so that it isn't carrying enough oxygen. That is the reason for the listless, languid, easily-tired-out condition so prevalent at this season.

What is needed is a tonic—one that will build new blood and restore and purify the blood stream, and thus enable it to carry the energizing oxygen that quickly revitalizes the whole system. Thousands have proven that Dr. Williams' Pink Pills are the ideal tonic for this purpose.

Mrs. A. Merritt of Welland says: "Again last Spring I became ill, I could not do my work; was pale, weak, and tired all the time. I took Dr. Williams' Pink Pills and they soon made me strong and happy again." Try them and experience for yourself the new strength and vigor they will bring you. ### Manitoba Savings Bank Financing

OTTAWA, Ont., April 22—(By The Canadian Press)—The Dominion Government agreed to indemnify Winnipeg chartered banks against all losses in assuming deposit liabilities of Manitoba savings offices which the provincial government decided to close. Giving to the House of Commons today a requested statement of the action taken by his government on financial representations made by Premier John Bracken, Prime Minister R. B. Bennett made this announcement. His government had played no part in active negotiations, Mr. Bennett declared.

In consideration of the agreement to indemnify—which the banks had requested—the banks agreed to transfer to the Dominion government provincial treasury bills and collateral securities received from

Manitoba, the Prime Minister stated. These were to be handed to the Dominion on the basis of advances of cash by the Canadian Government.

The Dominion government further agreed to place a deposit in cash in each bank in Winnipeg to meet any withdrawals of deposits. Upon exhaustion of such deposits, the Dominion was to recoup the banks, in lieu of cash, by giving them one year treasury bills of the government. Mr. Bennett added that "we were not at the moment called upon to put any cash into the banks, and as I understand the matter the accounts of the depositors were divided among chartered banks doing business in Winnipeg."

He was entirely in the hands of the House. "But", the Prime Minister emphasized, "one of two things had to take place, either a situation that had developed was to be very much worse by reason of the continued pressure of depositors for their money or something had to be done that would support the situation to an extent that would prevent further demands being made. In view of the fact that the

### Two U. S. Marines Killed In Nicaragua

MANAGUA, Nicaragua, April 3—(A. P.)—Two United States Marines and one petty officer in the United States navy, serving as officers in the Nicaraguan National Guard, were killed yesterday at Apali, thirty miles northeast of Ocotual, in a brush with insurgents. Eight enlisted men in the guard patrol were killed and four were wounded.

Mr. Hedge Peterson of South Freetown, spent a very enjoyable day with friends in New Annapolis.

Miss Mae C. Burrows of Wilmot Valley has been spending a short holiday with friends in Charlottetown.

The many friends of Miss Annie Leard will be pleased to hear that she is steadily regaining health after her recent indisposition.

Mr. John Dobson spent the week end very pleasantly the guest of his friend Mr. John Moase, New Annapolis.

The many friends of Mrs. Fannie Leard will regret to hear that she has been confined to her home through illness for the past week.

Mrs. J. Gillis has been spending a holiday very pleasantly in Long River, the welcome guest of her daughter Mrs. Linus Fitzsimmons.

Congratulations are heartily extended to Mr. and Mrs. Bruce Campbell on the arrival of a bouncing baby boy on Saturday April 9th 1932—B.

The turnip market has been the scene of much excitement this last two weeks and although the roads have been rather unpleasant, many have taken advantage of the market in getting some of their surplus turnip crop. The price of 10 cents per bushel has been received.

The last meeting of the Bedoques Freetown Troop of Boy Scouts opened with an "obstacle race." The scoutmaster gave an interesting talk on the making of Maple Sugar and also one on "First Aid for the First Class Scouts." The meeting closed with the repeating of the Scout Promise.

It is quite notable that the rink at Bedoques is still operating and a good sheet of ice is present and a large crowd enjoys the skate yet, there being about eight inches of ice and the 18th day of April is here. ### Have you ever held a One-in-the-morning Conference with yourself?

IF, like many other men, you have held many a one-in-the-morning conference with yourself, you know that it takes a lot of time, capital and "luck" to make money "easily". Records show that too many things may happen to upset the best laid plans.

Happenings of the past few years prove that it is of far greater importance to the average man to provide for himself and family a substantial estate now, plus the certainty of an income in later life, rather than take speculative chances.

"Certainty" is a better friend than "luck" and a Confederation Life policy, on the "Life Income" plan, provides for that "certainty" and guarantees the security of capital to your estate under all circumstances. Write for particulars of this Confederation Life Income plan and learn how easy it is to benefit by it.
