

WORDS OF PRAISE FOR GRAND TRUNK PACIFIC

Letter received by the Grand Trunk Pacific Ry., headquarters from one of the prominent artists of New York, who has just returned from a trip over the Grand Trunk Pacific as far as the Canadian Rockies, contains the following: "I went out to the end of steel on the Grand Trunk Pacific, then took the trail over to Maligne Lake, which I found to be the most beautiful lake I ever saw in my life. I had a delightful trip, and made several sketches. Returning I stopped off at Wainwright, and from there went out duck shooting in different directions, and had a most delightful time. Next year I hope to be able to get away earlier and see more of your magnificent country."
