

Make the Rinso liquid first

Do not put Rinso direct from the package into the tub. Mix half a package of Rinso in a little cool water until it is like cream. Then add two quarts of boiling water, and when the froth subsides, you will have a clean amber-coloured liquid. Add this liquid to the wash tub, until you get the big lasting Rinso suds. Then soak the clothes clean.

Rinso is as splendid for the regular family washing as Lux is for fine fabrics.

ACID STOMACH IS DANGEROUS

Sufferers From Indigestion or Stomach Trouble
CUT THIS OUT

"Stomach trouble, dyspepsia indigestion, sourness, gas, heartburn, food fermentation, etc., are caused nine times in ten by chronic acid stomach," says a well known authority.

Burning hydrochloric acid develops in the stomach at an alarming rate. The acid irritates and inflames the delicate stomach lining, and often leads to gastritis and other dangerous stomach ailments. Don't dose an acid stomach with pepsin or artificial digestants that only give temporary relief from pain by driving the sour, fermenting food out of the stomach into the intestines.

Instead, neutralize or sweeten your acid stomach after meals with a little hot water and Bisurated Magnesia and not only will the pain vanish but your meals will digest naturally. There is nothing better than Bisurated Magnesia, to sweeten and settle an acid stomach. It soaks up the harmful excess acid much as a sponge or blotting paper might and your stomach acts and feels fine in just a few minutes. Bisurated Magnesia can be obtained from any reliable druggist in either powder or tablet form. It is safe, reliable, easy and pleasant to use, is not a laxative and is not at all

*NARROW ESCAPE.—What might have been a very fatal accident, occurred at Morrell, Saturday, Sept. 6th, when Mr. Joseph A. McDonald of St. Peter's, LaKe, returning from the Marie Races, had one of the hind wheels of his buggy smashed off by a car running into it from the rear. Mr. McDonald with his sister and another girl were driving down Main St. where a car coming at full speed up a by-street frightened the animal causing her to jump. But Mr. McDonald by his skillful management succeeded in raising his mare to the left, leaving ample room for the car to pass. Instead of doing so it crossed the street and came on to the back of the buggy; the result being a real smash-up. Luckily the mare, which was only a three-year-old was quiet and did not attempt to kick or run. Had it not been so the accident would likely have had a much more serious ending.

Address and Presentation

The Rev. Charles P. Trainor, Fall River, Mass., who has been visiting relatives in different parts of the province, spent a few days at Auburn where several relatives gathered. On Monday evening last a farewell reception was given him at the home of Mr. Raymond Boylan, where he was presented with a purse of gold and the following address:

Rev. and Dear Father: Learning with regret, that your brief vacation is drawing to a close a few of your many friends have met this evening to greet you, and to tender you a hearty tribute of appreciation. Although you are not a native of the province, your father and mother are of Island birth. You are therefore connected with our people by many ties of kindred and warm personal friendship; so that, for many reasons, we may justly claim you as one of ourselves. Your ordination to the Priesthood a few months ago gave us much joy and happiness. At Port Augustus yesterday we had the privilege of assisting at the first High Mass you sang since your visit here; and we rejoiced that you were so gifted in many ways, and so capable of unholding the dignity and honor of the Church in any land.

In congratulating you, dear Reverend Father, we ask you to accept this little remembrance. Our best wishes accompany it. May you frequently have a chance to re-visit the province and the associations of other years; and may God be with you till we meet again. Signed in behalf of numerous friends this 3rd day of September, 1923.

IN MEMORIAM

MR. DANIEL CONNOLLY

In the passing away of Mr. Daniel Connolly of this city death has again removed an aged and respected citizen. He had been a resident of Charlottetown since boyhood and in his earliest days was a carpenter by trade and was employed on the P. E. I. Railway until failing health caused him to retire. He was in his 74th year at the time of his death which occurred at his home, Dorchester St. East on Wednesday, August 22nd. All through his life he was known for his hospitality and kindness always having a cheery word and pleasant smile for everyone with whom he had the pleasure of knowing. Although not feeling well for some time he had been about as usual until about three weeks before his death he felt he was gradually growing weaker and his daughter was immediately sent for from the United States to be with him in his last moments. During all his illness he was comforted and strengthened by his beloved pastor, Rev. St. John, who administered to him the last sacraments of the Holy Catholic Church. His funeral took place from his home, Dorchester St., East, on Friday morning August 24th at St. Dunstan's Cathedral where a solemn High Mass was celebrated by Rev. St. John, after which all the family were laid to rest in the remains of his son Peter (who predeceased him about four years ago). The last rites at the grave were performed by Rev. Father Maurice McDonald. There are left to mourn besides a sorrowing widow, two daughters, Mrs. Angus McDonald of this city and Miss Mary of the United States (at present at home) who with other sorrowing relatives will have the deep sympathy of all in their sad bereavement. R. I. P.

gracefully, thanking his friends for their words of appreciation and for their generous gift—not so much for the warm-hearted spirit that prompted it. He assured them that he should not soon forget the kindness and the hospitality of the people of Auburn, Port Augustus, and elsewhere; and he hoped to be able to spend his vacation on the Island many times in the years to come. Father Trainor is accompanied by his mother Mrs. Frank Trainor and his brother Mr. Peter Trainor of Fall River. His grandfather Mr. Patrick Trainor who formerly resided at Auburn also accompanied them but is remaining on the
