YOUTH'S VITALITY SAPPED AWAY.

Your child looks poorly, is tired and fretful. You would like this boy or girl to be more robust, more energetic and vivacious. The "something" that is wrong is simply this. Stomach and bowels need attention. Constipation and indigestion must be relieved, new life and vigor are required in the blood, slight assistance is needed for the kidneys and liver. Nothing is so effective as Dr. Hamilton's Pills. They put new life into young folks as well as the old ones. Every child should use this medicine regularly because its benefits are not to be had in any other way. 25 at all dealers.

DR. WOOD'S NORWAY PINE SYRUP

Always Stops the Cough

It combines the potent healing virtues of the pine tree with other absorbent, expectorant and soothing medicines of recognized worth, is absolutely harmless, prompt and safe.

A cough is caused by the presence of phlegm in the throat and lungs, and continued coughing is liable to distend the bronchial tubes, congest the lungs and produce inflammation or hemmorhage.

A neglected cough can have but one result. It leaves either the throat or lungs, or both, affected.

A single dose of

Dr. Wood's Norway Pine Syrup

will stop the cough, soothe the throat and heal the lungs.

Read what Miss Nettie A. Seeley, Ashland, N.B., says: "I take much pleasure in recommending Dr. Wood's Norway Pine Syrup, for I have found it a very valuable remedy for coughs. My mother has used it in our family for a long time and whenever any of them get a cough, mother will say: 'I will have to get some Dr. Wood's Norway Pine Syrup for I know it is good, and always stops the Cough when nothing else will.'"

Insist on getting Dr. Wood's as it is the genuine, put up in yellow wrapper. Price 25 cents at all dealers. 3 pine trees the trade mark.

HEART TROUBLE CURED

In the rush, hurry and worry of modern times, we overwork the heart. Is it any wonder then that there comes a breakdown of this wonderful little engine, when such a continued strain is placed upon it day after day. There are many forms of heart trouble and the slightest derangement of this important organ is extremely dangerous. To strengthen the weak heart it is necessary to use a remedy that will act upon the heart tissue, restore and revitalize it and at the same time tone up and invigorate the nervous system, we have such a combination in

MILBURN'S HEART AND NERVE PILLS

Mrs. Ella Dingman, Morganston, Ont., writes of her experience with them: "It is with the greatest of pleasure that I recommend Milburn's Heart and Nerve Pills. I was troubled for a long time with my heart; I had weak and dizzy spells, could not rest at night, and I would have to sit up in bed the greater part of some nights, and it was absolutely impossible for me to lie on my left side. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another box and they effected a complete cure. I have not been troubled with my heart since."

Price 50 cents per box or 3 boxes for $1.25 all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a sma community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103.000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and r ovinces.

St. John has a population of 40,000 an the Province of New Brunswick 320,00 St. John has five newspapers and amon these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about, 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is a 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, if compare with population of the city, and over three times as well, taking the population of the Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patron alike. They have a right to know how completely their favorite Journal s endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province
