TO LET. Two rooms in Merchants Bank of Halifax building lately occupied by Dr. H. E. Black. Apply to P. W. Morrison, Manager. May 30, 2 a w t f.

The Steamer City of Ghent arrived here yesterday from Halifax, bringing a fair freight. She left on return last night, taking away 350 bags potatoes, 150 cases of lobsters, shipped by D. Rogers & Son, also one passenger for Hawkesbury.

On Wednesday last Mr. Patterson Forsythe, of Alberton, had to undergo an operation for appendicitis which proved successful. The patient is now doing well. Dr. Ross had the case in hand, assisted by Drs. McEwen, of O'Leary, and Wickham of Tignish.

On Thursday at noon while sailing into Goose Harbor a lobster boat, owned by Messrs. C. Culs Bros. of that place was capsized by a squall, and sank in about fifteen feet of water, the occupants held on to the spar which was about five feet above the surface, when help came and they landed safely. Another boat near by had her main-sail blown away.

A picnic excursion to Bedeque by the steamer Frank C. Batt, held yesterday afternoon, was one of the first really enjoyable outings from the town this summer. The arrangements were engineered by Mrs. E. P. Manson and were carried out most satisfactory. Among the guests were Miss Lena Clark of Cleveland, Ohio, Mrs. Retailik and Miss Wilmot of St. John, who are visiting friends in town.

Mr. Urville Schurman of the Bank of Nova Scotia, Halifax, who has been spending his holidays with his friends, Mr. and Mrs. Ma'or Schurman of this town, left yesterday morning in response to a telegram asking him to report at the Head Office, Toronto. This, no doubt, means further promotion for Mr. Schurman, in which case he will have the congratulations of his many Summerside friends.

Mr. R. C. McLeod the well known carriage dealer never does anything by halves. His new warehouse on Water St., the large front of which has within the past few days been artistically lettered by Mr. John Crozier, is now one of the most attractive business places in town—as well as one of the busiest. His opening exhibition last Tuesday which had been advertised in this paper was a most satisfactory affair, resulting in the sale of about forty carriages besides a quantity of farm machinery.

Dear Sirs.—Within the past year I know of three fatty tumors on the head having been removed by the application of MINARD'S LINIMENT without any surgical operation and there is no indication of a return.

DO YOU FEAR HEART FAILURE?  
No death comes so suddenly and unexpectedly as that caused by heart failure, but the trouble had its beginning months or perhaps years before when the blood became thin and watery and the nerves exhausted. Gradually the waste has become more rapid than the process of repair, the tissues of the heart have become diseased and finally some over exertion or nervous shock has caused the breathing to cease and life to depart. Dr. Chase's Nerve Food prevents heart failure and all similar diseases by creating new, rich blood and nerve force, and building up the system.

"The powers," remarked Mrs. Snaggs, "are always presenting collective notes to the sultan of Turkey."  
"But his own notes are uncollectible," added Mr. Snaggs.

### WITHOUT A DOCTOR'S EXAMINATION.

You can find out if the kidneys are clogged, deranged and diseased. Have you backache or a weak, lame back? Do you have pain or difficulty in urinating or a too frequent desire to urinate? Are there deposits like brick dust in the urine after it has stood for 24 hours? If you have any of these symptoms not a moment should be lost in obtaining Dr. Chase's Kidney-Liver Pills, the world's greatest kidney cure. One pill a dose, 25 cents a box.

There is a limit at which forbearance ceases to be a virtue.

**DR. A. W. CHASE'S 25c CATARRH CURE**
